*Ladies Errant* Deanna Shemek 1998 The issue of a woman's place--and the possibility that she might stray from it--was one of early modern Italy's most persistent social concerns. Deanna Shemek presents the problem of wayward feminine behavior as it was perceived to threaten male identity and social order in the artistic and intellectual climate of the Italian Renaissance. *LADIES ERRANT* will interest scholars in Italian studies, women's studies, and European culture. 8 photos.

*Personal Recollections Of Joan Of Arc* Mark Twain 2014-05-05 A lengthy historical novel written because Joan of Arc was Clemens' favorite historical character. He stated: "It means more to me than anything I have ever undertaken." Clemens devoted twelve years to researching and writing this novel. Harper's Magazine serialized it first in three monthly installments (April 1895-April 1896) without his name. He used the pseudonym Sieur Louis de Conte to prevent the work's not being taken seriously under his own name, while the name of the translator, Jean Francois Alden, is referred to as a pun on John Alden. This edition contains many of the fine drawings that had appeared in the periodical. (From "A Centennial For Tom Sawyer")

**Mark Twain's Personal Recollections of Joan of Arc** Mark Twain 1997 Through the eyes of the fictional narrator Sieur Louis de Conte we learn about Joan of Arc, seeing the actions and events of an earlier time that did not necessarily seem significant at the moment, but from the vantage point of time and maturity, now seem meaningful.

**Complete Works of Mark Twain. Illustrated** Mark Twain 2022-10-25 William Faulkner called him "the father of American literature". His novels include *The Adventures of Tom Sawyer* (1876) and its sequel, *Adventures of Huckleberry Finn* (1884), the latter of which has often been called the "Great American Novel". Mark Twain, was an American writer, humorist, entrepreneur, publisher, and lecturer. He was lauded as the "greatest humorist the United States has produced". A complete bibliography of Twain's works is nearly impossible to compile because of the vast number of pieces he wrote (often in obscure newspapers) and his use of several different pen names. Additionally, a large portion of his speeches and lectures have been lost or were not recorded; thus, the compilation of Twain's works is an ongoing process. Researchers rediscovered published material as recently as 1995 and 2015. A gifted raconteur, distinctive humorist, and irascible moralist, he transcended the apparent limitations of his origins to become a popular public figure and one of America's best and most beloved writers. The Novels *THE GILDED AGE: A TALE OF TODAY* *THE ADVENTURES OF*

Recollections of Joan of Arc is a historical novel presented as a translation of memoirs by Louis de Conte, a fictionalized version of Louis de Contes, Joan of Arc's page. The story is divided into three sections according to Joan of Arc's development: a youth in Domrémy, a commander of the army of Charles VII of France, and a defendant at trial in Rouen. Samuel Langhorne Clemens (1835-1910), better known by his pen name Mark Twain, was an American writer, humorist, entrepreneur, publisher, and lecturer. He is best known for his two novels - The Adventures of Tom Sawyer and its sequel, the Adventures of Huckleberry Finn, but his satirical stories and travel books are also widely popular. His wit and satire, in prose and in speech, earned him praise from critics and peers. He was lauded as the greatest American humorist of his age.

**E. F. Benson ULTIMATE COLLECTION: 30 Novels & 70+ Short Stories (Illustrated): Mapp and Lucia Series, Dodo Trilogy, The Room in The Tower, Paying Guests, The Relentless City, Historical Works, Biography of Charlotte Bronte...** E. F. Benson 2015-08-11 The Shape of Things to Come is a work of science fiction, which speculates on future events from 1933 until the year 2106. In the book, a world state is established as the solution to humanity's problems. As a frame story, Wells This carefully crafted ebook: "E. F. Benson ULTIMATE COLLECTION: 30 Novels & 70+ Short Stories (Illustrated)" is formatted for your eReader with a functional and detailed table of contents. Edward Frederic Benson (1867-1940) was an English novelist, biographer, memoirist, archaeologist and short story writer, known professionally as E.F. Benson. He started his novel writing career in 1893 with the fashionably controversial Dodo, which was an instant success, and

followed it with a variety of satire and romantic and supernatural melodrama. He repeated the success of *Dodo*, with sequels to this novel, but the greatest success came relatively late in his career with *The Mapp and Lucia* series consisting of six novels and two short stories. The novels feature humorous incidents in the lives of (mainly) upper-middle-class British people in the 1920s and 1930s, vying for social prestige and one-upmanship in an atmosphere of extreme cultural snobbery. Benson was also known as a writer of atmospheric, oblique, and at times humorous or satirical ghost stories. Table of Contents: *Make Way For Lucia*: *Queen Lucia* *Miss Mapp Lucia in London* *Mapp and Lucia* *Lucia's Progress or The Worshipful Lucia* *Trouble for Lucia* *The Male Impersonator* *Desirable Residences* *Novels: Dodo; A Detail of the Day Dodo's Daughter or Dodo the Second Dodo Wonders David Blaize David Blaize and the Blue Door David Blaize of King's The Rubicon The Judgement Books The Vintage Mammon and Co. Scarlet and Hyssop The Relentless City The Valkyries The Angel of Pain The House of Defence The Blotting Book Daisy's Aunt Mrs. The Portrait of a Lady* Henry James 1882 One of the great heroines of American literature, Isabel Archer, journeys to Europe in order to, as Henry James writes in his 1908 Preface, "affront her destiny." James began "The Portrait of a Lady" without a plot or subject, only the slim but provocative notion of a young woman taking control of her fate. The result is a richly imagined study of an American heiress who turns away her suitors in an effort to first establish--and then protect--her independence. But Isabel's pursuit of spiritual freedom collapses when she meets the captivating Gilbert Osmond. "James's formidable powers of observation, his stance as a kind of bachelor recorder of human doings in which he is not involved," writes Hortense Calisher, "make him a first-class documentarian, joining him to that great body of storytellers who amass what formal history cannot."

longer tolerable, and with consenting twitterings set their heads southwards; or in the spring, again, one may observe that in any given field daisies and buttercups will determine, only to be nipped by unpunctual frosts, that it is now time to come out, while even man, that most vacillating and least uniform of all created things, has a certain sympathy in his sensations; the sap stirs with moderately equal effervescence in the most dissimilar units; and without further preamble, to take the case in point, London settles without consultation, but with considerable unanimity, when spring may be considered to have stopped and summer to have begun. It is hardly necessary to state that London is, if not always, at any rate very frequently, completely deceived—like the buttercups and daisies—about a point so apparently palpable as even this, and a few biting frosts about mid-May usually send it back to its furs again; but the fact remains that on or about the same day the streets suddenly wear a completely different garb. On all sides the chrysalises burst, and butterflies gay or sober, according to their temperaments, hover and try their wings over a ground strewn, so to speak, with the brown husks of the "winter weeds outworn." Nor is this bursting of the chrysalis confined to externals: the time has come; the tides of vitality turn and flow through the town, and the reopened houses, newly decked window-boxes, and the flush of color in the streets, are but symptomatic of the inward conviction of their inhabitants that a fresh season for doing a quantity of things they should not do, and as great an opportunity for leaving undone many things that they should do, has been turned up by the spade of Time, that irresponsible farmer of years.

His mother ran off when he was a kid and his late father was distant. Now he and his brother are selling the family ranch, his last tie to his parents. For him, Christmas is just another day. Joy Rollins loves everything about Christmas. She's living at the Cypress Inn this season, helping her mother run the place since giving up on grad school. She wishes that the holiday will bring inspiration for her artist's soul. Meeting Zach Harris at Thanksgiving makes her wish for a little romance, too. When Zach moves into the inn, Joy vows to get him into the holiday spirit. They flirt and kiss under the mistletoe, and as they grow closer she feels artistic inspiration again. But when old family hurt comes back like the ghost of Christmas past, Zach can't shake the certainty that Joy will leave just like his mother did. Can Joy show Zach the love and magic of Christmas? Or will he give up on the wish for happiness?
