It's My Life Now - Meg Kennedy Dugan 2013-08-21

Those who have never experienced an abusive or violent relationship often believe that upon finding a way out, victims' difficulties are solved: their life is good, they are safe, and recovery will be swift. However, survivors know that leaving is not the end of the nightmare -- it is the beginning of an often difficult and challenging journey toward healing and happiness. It's My Life Now offers readers the practical guidance, emotional reassurance, and psychological awareness that survivors of relationship abuse and domestic

violence need to heal and reclaim their lives after leaving their abusers. Since its publication in 2000, It's My Life Now has been highly successful as a working manual for survivors who are starting their lives over after an abusive relationship. This valuable book combines direction on practical and emotional issues with worksheets and self-exploration exercises. Now, in the second edition, Dugan and Hock include updated information and resources while encompassing a wider range of individuals and the relationships in which abuse and violence occur. The new edition also provides a new emphasis on safety assessment, which has increasingly been shown to be a critical factor in recovery. In addition, this new edition includes current resources and information about organizations for victims along with revised and enhanced strategies to

help survivors move forward on the path of recovery.

Parental Life Courses after Separation and Divorce in Europe - Michaela Kreyenfeld 2020-06-02

This open access book assembles landmark studies on divorce and separation in European countries, and how this affects the life of parents and children. It focuses on four major areas of post-separation lives, namely (1) economic conditions, (2) parent-child relationships, (3) parent and child well-being, and (4) health. Through studies from several European countries, the book showcases how legal regulations and social policies influence parental and child well-being after divorce and separation. It also illustrates how social policies are interwoven with the normative fabric of a country. For example, it is shown that father-child contact after separation is more intense in those countries which have adopted policies that encourage shared parenting. Correspondingly, countries that have adopted these regulations are at the forefront of more egalitarian gender role attitudes. Apart from a strong emphasis on the legal and social policy context, the studies in this volume adopt a longitudinal perspective and situate post-separation behaviour and well-being in the life course. The longitudinal perspective opens up new avenues for research to understand how behaviour and conditions prior or at divorce and separation affect later behaviour and well-being. As such this book is of special appeal to scholars of family research as well as to anyone interested in the role of divorce and separation in Europe in the 21st century.

Eat My Wife - Rachel Jordan 2020-07-24

"I would love to go down on your wife." I am convinced. My husband, is nuts. How else could you explain him fixing his lips to encourage me to have sex with a woman, who is also a stranger... ON OUR ANNIVERSARY? What kind of woman does he think I am? I've never been interested in being with a woman and I never will be... I don't care how much he begs me. I don't care how much SHE begs me... Still, there's something about this breathtakingly gorgeous, mysterious woman that is intriguing. As much as I want to tell her to go to hell and reject her... As much as I want to deny my husband his so-called ultimate fantasy... Something about her keeps pulling me to her. Her promises of a night of toe-curling, mind-blowing, ecstasy perhaps? Damn. Should I throw caution to the wind and say yes? Just this one time?

Loving Your Spouse When You Feel Like Walking Away - Gary Chapman 2018-03-06

What to do when you feel like giving up When you said, "I do," you entered marriage with high hopes, dreaming it would be supremely happy. You never intended it to be miserable. Millions of couples are struggling in desperate marriages. But the story doesn't have to end there. Dr. Gary Chapman writes, "I believe that in every troubled marriage, one or both partners can take positive steps that have the potential for changing the emotional climate in their marriage." Loving Your Spouse When You Feel Like Walking Away, the revised and updated edition of the award-winning Desperate Marriages, teaches you how to: Recognize and reject the myths that hold you captive Better understand your spouse's behavior Take responsibility for your own thoughts, feelings, and actions Make choices that can have a lasting, positive impact on you and your spouse An experienced marriage and family counselor, Gary Chapman speaks to those whose spouse is any of the following: Irresponsible A workaholic Controlling Uncommunicative Verbally abusive Physically abusive Sexually abusive Unfaithful Addicted to alcohol or drugs Depressed Marriage has the same potential to be miserable as it does to be blissful. Read Loving Your Spouse When You Feel Like Walking Away to learn how you can turn things around.

The Five Love Languages - Gary Chapman 2009-12-17

Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A Love Language Minute that can be heard on more than 150 radio stations as well as the weekly syndicated program Building Relationships with Gary Chapman, which can both be heard on fivelovelanguages.com. The Five Love Languages is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running!

Fierce Marriage - Ryan Frederick 2018-04-17

Ryan and Selena Frederick were newlyweds when they landed in Switzerland to pursue Selena's dream of training horses. Neither of them knew at the time that Ryan was living out a death sentence brought on by a worsening genetic heart defect. Soon it became clear he needed major surgery that could either save his life--or result in his death on the operating table. The young couple prepared for the worst. When Ryan survived, they both realized that they still had a future together. But the near loss changed the way they saw all that would lie ahead. They would live and love fiercely, fighting for each other and for a Christ-centered marriage, every step of the way. Fierce Marriage is their story, but more than that, it is a call for married couples to put God first in their relationship, to measure everything they do and say to each other against what Christ did for them, and to see marriage not just as a relationship they should try to keep healthy but also as one worth fighting for in every situation. With the gospel as their foundation, Ryan and Selena offer hope and practical help for common struggles in marriage, including communication problems, sexual frustration, financial stress, family tension, screen-time disconnection, and unrealistic expectations.

How I Became the World's Greatest Lover - Jonathan Bradley 2008-07-11

Are you one of those people that simply take relationships for granted? Well I used to be, but when I took a serious look at my life and realized how much I have grown as a result of my relationships it was a wonderful realization. I simply had to write about it so that readers could come away with a real understanding of the value and power of our relationships. Not only that, but how incredible it is to learn the lessons of life and love from the people closest to us. How I Became the World's Greatest Lover is filled with humor and inspiration and bursting with love. As you read it you cannot help but get a feeling of the author's great desire to open his life up to you. Each chapter explains through examples and personal situations how life's teachings were truly lessons in love. The book describes my amazing journey through life as seen through my significant relationships and how I discovered the greatest love inside me by looking at my relationships in a brand new way.

My Wife Doesn't Love Me Any More - Andrew G Marshall 2012-11-16

Your wife has not only fallen out of love but, worse still, she is refusing point blank to try and fix things. She says 'she can't change her feelings', she needs 'space' and the children should know - even though it will break their hearts. You've told her how much you love her, you've begged for a second chance but everything is falling on deaf ears. The situation might seem bleak but help is at hand. Marital therapist, Andrew G Marshall has spent over twenty-five years helping couples find love again and he has a message of HOPE. You can help your wife to fall back in love, even if you're separated or suspect there's another man in the background. In this practical book, he explains: The six worst and the six best reactions to discovering your wife doesn't love you any more. How to get to the bottom of why she's fallen out of love. Five things you think will save your marriage but are just pushing your wife further away. Five strategies to instantly improve the atmosphere at home. How to keep going in the face of disinterest and rejection. Why most men give up too soon. How to know when to accept the inevitable and when to keep trying.
