SignMates - Bernie Ashman 2012-07-08

Somehow, your relationship that started out so wonderfully is having problems. Or perhaps you'd like to anticipate what problems could occur in a potential relationship. More importantly, you need to know how to resolve the problems. Problems of interpersonal relationships are most often caused because everyone has conscious and unconscious needs and behaviors that can conflict with those of another. Recognizing and dealing with them can save relationships. You'll find out how to do this in Bernie Ashman's *SignMates*. Contrary to what some people think, your astrological sign doesn't "force" you to do anything. It is simply an indicator of what you are. By understanding how the signs relate, you can better understand relationships and how to overcome problems that may arise. In a nutshell, that is what this book will do for you. The book relates potential problems in a relationship between every sign of the zodiac. For example, if you are a Virgo and

your partner is a Scorpio, you may play the "Sabotage Game," where you make it difficult for your partner to reach goals because of unresolved anger or jealousy. To deal with this you need to become aware of negative, unproductive comments and support your partner. Two other games and coping strategies are given. Or perhaps you are a Libra and your partner is an Aquarius. You may experience the "Lovers and Strangers Game" where your sense of closeness vacillates between extremes. This is a test to see if you can handle emotional heat. You have to be willing to simply and honestly discuss your feelings. Again, two more games and strategies for dealing with the conflicts that cause them are given. No matter what sign you and your partner are, this book will pinpoint the potential pitfalls and how to deal with them. Also included for each pairing is the good news, a "rainbow" at the end of the difficulties, which indicates how great such a relationship can be. Ideal for both non-astrologers and astrological

To Have, to Hold, and to Never Let Go -

Cattina C. Coleman 2012-12-28

I am a woman of many attributes and as impressive as my background is I too find it hard to juggle a relationship, family, friends, and my career. With a two year old son, a new found relationship with a handsome young man who is just a year younger than me but so much wisdom he could teach a teacher; still pursuing my Doctorate Degree in Business, and building a company from the ground up; has definitely put my life in the fast lane. The inspiration to my book was having seen male friends of mine who are battling their own love lives and or the family. I wanted to create a book to help guide them in a path where they too can understand where we women are coming from when we ask them a million and one questions about relationships and family. So in my book To Have, To Hold, and To Never Let Go, I am letting men know the inner thoughts and acts of women and show how we are not that much different from

Aries zodiac sign - characteristic (March 21 -

April 20) Stubborn, with his own point of view on all issues, initiator of actions, leader, selfish and passionate - these are the words that define Aries. People born under this sign have an attractive personality and powerful personal magnetism. Although at times they may seem shy and modest, especially at the first meeting. People very soon realize that under deceptive softness lies a strong character. Aries has enough self-confidence to force others to follow themselves. Aries inside smell a good party and never miss the opportunity to have fun. They have a stimulating effect on others and because of this they often strive for dominance and want to do everything in their own way. Nevertheless, Aries always needs a person to rely on. For this reason, Aries often get married and get married at an early age. They need a partner, they want to feel welcome, failure is unbearable for them. complex of possessiveness. As a partner to a woman-Aries, a male lion is ideal. He possesses the strength that such a woman needs, and at the same time he is very charming and attentive. Aries woman is a good mother and a true friend. Aries man is brave, loves adventure. He is happy with everything unusual. He has excellent oratorical abilities and is ready to defend his point of view on any issue. Aries will be brilliant both in a heated debate and in peace negotiations. From any quarrel he will be able to emerge victorious. He will not let anyone get the better of him, and his tongue is sharper than a razor. Personally, what I like most in Aries is that, no matter how fierce they argue, at the end of the argument they know how to maintain friendly relations. Even after the most violent quarrel, a smile may appear on their face. And your Aries friend will tell you: "All is well, buddy! I still love you! "
