Outspoken - Julia Serano 2016

Julia Serano (author of Whipping Girl and Excluded) combines elements of memoir, historical account, gender theory, and activist philosophy in her third book, Outspoken. This collection provides an insightful

overview of where transgender activism has been, and compelling analysis of where it should head in the future.

[Fucking Trans Women](#) - Mira Bellwether 2013-08-24

FTW is a zine by trans women, about the sex lives of trans women. It is an educational and instructional tool as much as it is a creative exploration of how we have sex.

The Bonesetter's Daughter - Amy Tan 2012-05-31

A major novel from the internationally bestselling author of 'The Joy Luck Club', 'The Kitchen God's Wife' and 'The Hundred Secret Senses'.

Sexed Up - Julia Serano 2022-05-17

The author of landmark manifesto *Whipping Girl* exposes the violent ways we are all sexualized—then offers a bold path for resistance. Feminists have long challenged the ways in which men tend to sexualize women. But pioneering activist, biologist, and trans woman Julia Serano argues that sexualization is a far more pervasive problem, as it's something that we all do to other people, often without being aware of it. Why do we perceive men as sexual predators and women as sexual objects? Why are LGBTQ+ people stereotyped as being sexually indiscriminate and deceptive? Why are people of color still being hypersexualized? These stereotypes push minorities farther into the margins, and even the privileged are policed from transgressing, lest they also become targets. Many view sexualization as a mere component of sexism, racism, or queerphobia, but Serano argues that liberation from sexual violence comes through collectively confronting sexualization itself.

Before We Were Trans - Kit Heyam 2022-06-23

'A beautiful, brilliant, lively book that weaves together fascinating and moving examples with thoughtful analysis. Both heartfelt and rigorous, entertaining and scholarly, *Before We Were Trans* invites us to expand our sense of communities - past and present - in welcoming ways, rather than contracting them and policing their borders' MEG-JOHN BARKER, author of *Gender: A Graphic Guide* 'Celebrates trans history, whilst acknowledging the reality of what it means to live within our community with joy and kindness. In-depth research and personal stories tie *Before We Were Trans* up into a true treat for the mind' JAMIE WINDUST, author of *In Their Shoes* Across the world today, people of all ages are doing fascinating, creative, messy things with gender. These people have a rich history - but one that is often left behind by narratives of trans lives that focus on people with stable, binary, uncomplicated gender identities. As a result, these stories tend to be recent, binary, stereotyped, medicalised and white. *Before We Were Trans* is a new and different story of gender, that seeks not to be comprehensive or definitive, but - by blending culture, feminism and politics - to widen the scope of what we think of as trans history by telling the stories of people across the globe whose experience of gender has been transgressive, or not characterised by stability or binary categories. Transporting us from Renaissance Venice to seventeenth-century Angola, from Edo Japan to North America, the stories this book tells leave questions and resist conclusions. They are fraught with ambiguity, and defy modern Western terminology and categories - not least the category of 'trans' itself. But telling them provides a history that reflects the richness of modern trans reality more closely than any previously written. *Before We Were Trans* is a history and celebration of gender in all its fluidity, ambiguity and complexity.

Whip It Out - Kat Addams

DTF. Support your local girl gang! Me and my dirty, tough female besties are ready to dominate in Whip It Out! As a dominatrix and a boss babe, I was used to taking charge both in and out of the bedroom. But raising a kid ... That was a lot of responsibility. How would I know the first thing about motherhood when my mom was such a bad example? I sure wasn't looking for love or a hot-as-hell, overprotective single dad. But that was exactly what I found gyrating onstage in a leopard-print thong. Terrance—my favorite bartender by day and stripper named Tito by night. What was not to love? Plus, if things didn't work out, my girl gang always had my back. Pink taco getaway truck and all. But the way Terrance loved his little girl melted my heart and gave me a warm feeling that I hadn't thought existed in my cold, dead soul. I wondered if maybe, just maybe, I could be the woman he needed me to be. What could it hurt if I gave it a shot?

Slave Girl Island: (whipped to Tears) - Katie Nicole 2018-10-17

Slave Girl Island(Whipped to Tears) By Katie Nicole As per a very special arrangement with a very wealthy man, Katie is to role play as a slave on a very remote private island. Katie gets in trouble on her first day and is whipped to tears. The Following Fictional, Erotic, Fantasy Story is meant For Adults only, not

children. It is Erotica, Fantasy (NOT PORN) Created for the soul enjoyment Of an adult audience. Enjoy

Whipping Girl - L. Jacobs 2017-03-21

My name is Alexander and I am an Elite Assassin for an organization called The Guard. I was taken, trained and conditioned to be everything that they needed from me and as a reward I received a Gift. My name is Allyanna and I am that Gift. I was taken from my family and used by The Guard to keep Alexander in line, I am their insurance, their leash, and their whipping girl.

99 Erics - Julia Serano 2020-02-04

Kat Cataclysm is quite a character: absurdist short fiction writer, aspiring novelist, failed linguist, recovering slam poet, wannabe stand-up comedian, and (for the time being) lead listicle writer at a San Francisco-based tech-slash-media start-up. *99 Erics* is a humorous account of Kat's experiences writing a book called *99 Erics*, which is about her experiences dating ninety-nine different people named Eric. It is more surreal than slutty. Not that there is anything wrong with slutty.

Mrs. Dalloway - Virginia Woolf 2022-05-17

Mrs Dalloway, Virginia Woolf's fourth novel, offers the reader an impression of a single June day in London in 1923. Clarissa Dalloway, the wife of a Conservative member of parliament, is preparing to give an evening party, while the shell-shocked Septimus Warren Smith hears the birds in Regent's Park chattering in Greek. There seems to be nothing, except perhaps London, to link Clarissa and Septimus. She is middle-aged and prosperous, with a sheltered happy life behind her; Smith is young, poor, and driven to hatred of himself and the whole human race. Yet both share a terror of existence, and sense the pull of death. The world of *Mrs Dalloway* is evoked in Woolf's famous stream of consciousness style, in a lyrical and haunting language which has made this, from its publication in 1925, one of her most popular novels.

Sex Changes - Patrick Califia 2003

Hailed a 'revolutionary antidote to America's growing sexual conservatism', Califia is the most outspoken and intelligent commentator on sexual politics writing today. *Sex Changes* combines his meticulously researched contemporary history of transexuality with his trademark fearless criticism of mainstream sex culture. Writing about both male-to-female and female-to-male transsexuals, Califia examines the lives of early transgender pioneers and activists. In this new edition, he speaks intimately about becoming a parent in a two-father household.

The Whipping Girl - Catt Dahman 2020-10-09

Elizabeth is attending a foreign university when she is kidnapped and brutally beaten into submission. Over the course of months, she is punished cruelly for disobedience and rewarded with luxurious gifts when she is compliant. Spoiled by opulence, she lives in fear, wondering about her captor's motives. His only requirements for her are that she improve herself and that she is the perfect dining companion. She is forced to accept and eat the most exotic foods in the world. Can she trade luxury and excitement for poverty and mundane? Has she been groomed to be another person entirely? How much does freedom mean to Elizabeth? What hellish secrets does her captive keep hidden? What is the end game, and what happened to the young women who failed his games? Elizabeth finds that the games go deeper than she imagined, and she knows that if she fails, she may end up the victim of a sex-trafficking ring that wants her. Psychological horror meets high cuisine. Bon appetit!

The Whipping Girl - Ralph Rodd 1923

The Whipping Girl - Ralph RODD (pseud.) 1923

Excluded - Julia Serano 2013-10-01

A transformational approach to overcoming the divisions between feminist communities While many feminist and queer movements are designed to challenge sexism, they often simultaneously police gender and sexuality -- sometimes just as fiercely as the straight, male-centric mainstream does. Some feminists vocally condemn other feminists because of how they dress, for their sexual partners or practices, or because they are seen as different and therefore less valued. Among LGBTQ activists, there is a long history of lesbians and gay men dismissing bisexuals, transgender people, and other gender and sexual minorities. In each case, exclusion is based on the premise that certain ways of being gendered or sexual are more

legitimate, natural, or righteous than others. As a trans woman, bisexual, and femme activist, Julia Serano has spent much of the last ten years challenging various forms of exclusion within feminist and queer/LGBTQ movements. In *Excluded*, she chronicles many of these instances of exclusion and argues that marginalizing others often stems from a handful of assumptions that are routinely made about gender and sexuality. These false assumptions infect theories, activism, organizations, and communities -- and worse, they enable people to vigorously protest certain forms of sexism while simultaneously ignoring and even perpetuating others. Serano advocates for a new approach to fighting sexism that avoids these pitfalls and offers new ways of thinking about gender, sexuality, and sexism that foster inclusivity.

Whipping Girl - Le Marquis Divin 2009-06-05

Through an irresistible brush with the supernatural, a lonely young girl enters into an incredible odyssey—a mystical double life—not merely the fantasy or escape she expects, but a strange, wonderful and enchanting means by which she fulfils her most heartfelt desires for romance, friendship and popularity. She gradually learns this bounty comes at a price. The creature staging these incidental exoduses into the unknown appears to know more about her than she knows about herself. In time, far darker desires propel her into a more dangerous world where psychedelic orgies of violence and eroticism are the norm. Yet her lurid adventure is merely a diversion, the catalyst to a far more terrifying fate that imperils not only herself, but all of mankind. *Whipping Girl* strives to elevate the much-maligned genre of erotica, to make of it an arena of both insight and imagination, and also serves as a testament of the widely misunderstood and very much stereotyped phenomenon of sadomasochism—an uncommon premise which has proven surprisingly fertile ground for drama and suspense. It employs the essential techniques of storytelling that readers not merely expect but demand from any genre. To enhance this rich adventure, *Whipping Girl* is accompanied by photorealistic artwork and soundtrack, as well as a précis of the novel, viewable at www.whippinggirlnovel.com. This as well should serve as proof that its author has spared no effort to seduce his prospective readers with a unique and veritable saga incorporating drama, romance, mystery, tragedy and dark humor.

Whipping Girl - Aishling Morgan 2003-03-01

The devotees at the convent of St. Quay are subject to a harsh regime of corporal punishment and humiliation. For Lalage Vergelesses, the torment is double, for she is a whipping girl, assigned to take the punishments otherwise due to a noble's errant daughter. But the demure Demoiselle is not who she seems,

and behind the arcane SM rituals, the convent hides some sinister secrets too. Part of the Scarlet Gothic series. Other titles include *Scarlet Vice* and *Sin's Apprentice*.

Whipping Girl - Julia Serano 2016-03-08

This classic manifesto is “a foundational text for anyone hoping to understand transgender politics and culture in the U.S. today.” (NPR) *Named as one of 100 Best Non-Fiction Books of All Time by Ms. Magazine* In *Whipping Girl*, biologist and trans activist Julia Serano shares her experiences and insights—both pre- and post-transition—to reveal the ways in which fear, suspicion, and dismissiveness toward femininity shape our attitudes toward trans women, as well as gender and sexuality as a whole. Serano's well-honed arguments and pioneering advocacy stem from her ability to bridge the gap between the often-disparate biological and social perspectives on gender. In this provocative manifesto, she exposes how deep-rooted the cultural belief is that femininity is frivolous, weak, and passive. In addition to debunking popular misconceptions about being transgender, Serano makes the case that today's feminists and transgender activists must work to embrace and empower femininity—in all of its wondrous forms.

Excluded - Julia Serano 2013-10-01

While many feminist and queer movements are designed to challenge sexism, they often simultaneously police gender and sexuality—sometimes just as fiercely as the straight, male-centric mainstream does. Among LGBTQ activists, there is a long history of lesbians and gay men dismissing bisexuals, transgender people, and other gender and sexual minorities. In each case, exclusion is based on the premise that certain ways of being gendered or sexual are more legitimate, natural, or righteous than others. As a trans woman, bisexual, and femme activist, Julia Serano has spent much of the last ten years challenging various forms of exclusion within feminist and queer/LGBTQ movements. In *Excluded*, she chronicles many of these instances of exclusion and argues that marginalizing others often stems from a handful of assumptions that are routinely made about gender and sexuality. These false assumptions infect theories, activism, organizations, and communities—and worse, they enable people to vigorously protest certain forms of sexism while simultaneously ignoring and even perpetuating others. Serano advocates for a new approach to fighting sexism that avoids these pitfalls and offers new ways of thinking about gender, sexuality, and sexism that foster inclusivity rather than exclusivity.

In-Between Bodies - Mary K. Bloodsworth-Lugo 2007-10-04

Connects theories of sexual difference to race and queer theories through a focus on “in-between” bodies.
