Shamanic Egyptian Astrology - Linda Star Wolf 2010-03-09

Integrates the Egyptian pantheon, the ancient language of astrology, and shamanic practices • Links each of the planets and signs in Western astrology with its Egyptian counterpart, such as Leo with Anubis • Includes sacred invocations and shamanic rituals to invite the wisdom of each Egyptian deity into your life • Offers a shamanic way to interpret natal horoscopes Shamanic Egyptian Astrology integrates the Egyptian pantheon, the ancient language of astrology, and shamanic practices to promote a new way to interpret and work with natal charts. Revealing the cross-cultural mythology and astrological significance of the individual Egyptian gods and goddesses, the authors link each of the 12 zodiac signs and 11 celestial bodies of Western astrology with its Egyptian

ancestor, introducing new significance to their positions and interactions in a horoscope. For example, Leo is linked with Anubis and Taurus with Hathor. Venus is associated with the goddess Isis and Jupiter with Horus. Each chapter includes sacred invocations and shamanic rituals to invite the wisdom of each Egyptian deity into your life--such as calling on Sekhmet for action or Thoth for clarity. With sample interpretations of the charts of Barack Obama and Gloria Steinem, this book provides a practical framework for accessing the wisdom of ancient Egypt and offers astrological and shamanic tools for spiritual guidance and the coming shift in planetary consciousness.

Horoscope Matching - Dr. S.C. Kursija This book deals with the fundamentals of Horoscope matching. Today "Horoscope matching" has become the indispensable part of Hindu marriage. But it has not been mentioned in any old Jataka scripture of Astrology.

However, it has been described in the Muhurta scriptures of the same. In Ramayan, marriage of Rama, Bharata, Lakshmana and Shatrughna has been described elaborately. But, in this great epic also Horoscope matching has not been mentioned. Likewise, in Mahabharata, too, it has not been cited. Therefore, it can be said that Horoscope matching in Astrology was not in practice a few centuries ago. But, the community accepted and made it an indispensable part keeping its usefulness in view. Different systems of Horoscope matching are in practice in different parts of India. In North India, Ashtakuta matching is in practice whereas in South Dasakuta matching is in fashion. But Ashtakuta matching is in vogue in most part of India. This is why the All India Federation of Astrologers' Societies has accepted and prescribed this system of Ashtakuta matching for the courses of its students. The book has been written keeping in view the courses introduced by the All India Federation of Astrologers' Societies, Delhi. The students are advised to study "Kundali Milana-Sukhi

Dampatya Jeevana Ka Adhar” because prediction of a happy married life cannot be made by Ashtakuta matching only. This shows only the amity, love and mutual understanding between the two. But to determine the age, health and ups and downs in life of the couple some other aspects such as Period-sub-period, Dosha Samya etc. are also essential to be analyzed. An analysis of long conjugal life is essential for its stability. So, apart from Ashtakuta matching, we should keep in view other aspects also. To know all this, “Kundali Milan - Sukhi Dampatya Jeevana Ka Adhara” is prescribed.
