After losing her Mom to cancer, Gemini quickly discovered that an inheritance of money and material possessions doesn't give surviving family the ongoing support or continued connection they desire. Wondering if her need for a more loving legacy was shared, she started an online survey asking: "What would you prefer if one of your parents died: to inherit their wealth or a letter saying how much they loved you?" Over 90% expressed a wish for the loving letter. In this heartfelt and inspirational book, Gemini explains that our real "wealth" lies not in our Financial Assets, but our Emotional Assets: the stories, lessons, values, wisdom image, voice, laughter and love that makes us who we are. And how this purposeful activity, is not, as some might expect, a morbid task, but one that can bring incredible insight, peace of mind, and healing, especially for those dealing with aging parents, a terminal illness or loss. By capturing and sharing our Emotional Assets in a Legacy of Love, we can leave our children, partners, and grandchildren a precious parting gift, a timeless memento that will surely be treasured forever. Readers will also discover how to: - Write loving letters to gift as future surprises. - Encourage grief recovery for surviving family. - Provide them with ongoing emotional support. - Minimize effects of grief and bereavement. - Guarantee the preservation of special memories. - Capture and record their life story. - Limit stress surrounding end-of-life situations. - Achieve peace of mind and a sense of meaning to life. - Educate themselves and overcome denial about death and dying. - Plan a life celebration or funeral that truly reflects them. *The Legacy of Love: How One Couple's Journey Inspired Generations to Create a Kinder World* William Cruz 2023-03-25 In the book "The Legacy of Love," Jameson and Emily, a young couple who committed their lives to promoting love and compassion across the globe, are profiled. Their story is one of empathy and inspiration, full of modest deeds of kindness that had an impact on everyone in their vicinity. Jameson and Emily left a legacy that encouraged subsequent generations to improve the world through the force of love and compassion. They put forth great effort to promote hope and optimism wherever they went because they thought that even the smallest act of kindness might make a difference. Their adventure started in the healthcare sector, where they were able to see firsthand the inequalities and injustices that the system contained. They developed into social justice fighters, using their position to change the world and stand up for the rights of the oppressed. But, Jameson and Emily stood out for their unshakeable faith in the ability of love to alter people's hearts, minds, and even the course of history. They understood that achieving more justice and equity needed not just changes in legislation but also a fundamental transformation in how people saw one another and their surroundings. They thus set out to create a legacy of love and compassion that would motivate others to change the world. Knowing that their voyage was just the start of a movement that would last for many generations, they entrusted the torch of love and compassion to the next ones. Everyone close to them felt the ripples of their love. They paved the way for a better tomorrow for everybody via their modest deeds of compassion and empathy, encouraging others to have hope for a better future. Their voyage served as a reminder that we must first change in order to change the world. We must resolve to live a life characterized by love, kindness, and compassion. And because of that dedication, we have the ability to transform the world, one nice deed at a time, into one that is more fair and equal. Jameson and Emily's quest was

never about them; it was always about the legacy they were creating, one that would motivate others to make a difference and make the world a better place for everyone. Their experience is one that inspires compassion and makes a lasting impression on future generations. It serves as a reminder that love has the ability to transform the world and that every one of us can contribute to making tomorrow better.
