Love is fatal; a snake that slithers into your life, poisons you with its venom, and leaves you there to die. I swore I wouldn't be my parents. I swore I would stay away from the limelight. Falling in love with a musician was definitely out of the question. Weston Carter was all kinds of wrong for a girl like me. He was musician, a womanizer, and a first class heartbreaker. I didn't know a love like this could exist. Our love was epic, the kind people wrote stories about. We fell into it hard, unable to control our feelings. I set myself up for a shattered heart. A broken life. A fucked up love story.

Love Letters: Vita and Virginia - Vita Sackville-West 2021-02-04

Delve into a legendary literary love affair 'I am reduced to a thing that wants Virginia. I composed a beautiful letter to you in the sleepless nightmare hours of the night, and it has all gone. I just miss you...' At a dinner party in 1922, Virginia Woolf met the renowned author, aristocrat - and sapphist - Vita Sackville-West. Virginia wrote in her diary that she didn't think much of Vita's conversation, but she did think very highly of her legs. It was to be the start of almost twenty years of flirtation, friendship, and literary collaboration. Their correspondence ended only with Virginia's death in 1941. Intimate and playful, these selected letters and diary entries allow us to hear these women's constantly changing feelings for each other in their own words. Eavesdrop on the affair that inspired Virginia to write her most fantastical novel, *Orlando*, and discover a relationship that - even a hundred years later - feels radical and relatable. WITH A NEW INTRODUCTION FROM ALISON BECHDEL, AUTHOR OF *FUN HOME* AND CREATOR OF THE BECHDEL TEST.

The Royal Secret - Lucinda Riley 2019-05-21

Note to readers: In the UK, this book is published under the title The Love Letter. In this suspenseful and heart-pounding novel from New York Times bestselling author Lucinda Riley, an ambitious young journalist unravels a dangerous mystery that threatens to devastate the British monarchy. Keeping secrets is a dangerous game. When Sir James Harrison, one the greatest actors of his generation, passes away at the age

of ninety-five, he leaves behind not just a heartbroken family but also a secret so shocking, it could rock the English establishment to its core. Joanna Haslam, an up-and-coming reporter, is assigned to cover the legendary actor's funeral, attended by glitzy celebrities of every background. But Joanna stumbles on something dark beneath the glamour: the mention of a letter James Harrison has left behind—the contents of which many have been desperate to keep concealed for over seventy years. As she peels back the veil of lies that has shrouded the secret, she realizes that she's close to uncovering something deadly serious—and the royal family may be implicated. Before long, someone is on her tracks, attempting to prevent her from discovering the truth. And they'll stop at nothing to reach the letter before she does. Full of salacious scandal, shocking twists, and captivating romance, and written in Lucinda Riley's signature "vividly drawn and lushly atmospheric" (RT Book Reviews) prose, *The Royal Secret* is "a full-throttle escapist adventure" (Lancashire Evening Post).
