Brazilian Railway Culture - Martin Cooper 2011-07-12

Brazilian Railway Culture examines the cultural relationship Brazil has had with its railways since tracks were first laid by British, American and French engineers in the nineteenth century. 'Railway' and 'Brazil' are words not often found in the same sentence. Yet each year over seven hundred million passengers are carried by train in the major urban centres, and tens of thousands of visitors enjoy heritage steam rides at over a dozen restored lines and museums. Brazilian Railway Culture starts from the premise that Brazilian society and culture is not just samba, football and sex. The book takes a journey through Brazilian cultural output from 1865 to the present day, examining novels, poetry, music, art, film and television, as well as autobiographies, written histories, and museums to uncover ways in which the railway has been represented. This interdisciplinary study engages with theories of informal empire and postcolonialism, Latin American studies, cultural studies, film and television studies, literary criticism, art history and criticism, museum and heritage studies, as well as railway studies. This is a supplementary text for use by students on both undergraduate and postgraduate courses. It will also be of interest to academics, researchers, and railway historians across a range of disciplines.

The Oddmire, Book 1: Changeling - William Ritter 2019-07-16

"Funny, exciting, and ultimately epic. Wow. I can't wait for the next one." —Adam Gidwitz, author of the New York Times bestseller *A Tale Dark and Grimm* "Set in a magical world filled with incredible creatures from folklore, this fast-paced fantasy will keep readers turning the pages . . . A captivating series opener." —Booklist, starred review *Magic is fading*

from the Wild Wood. To renew it, goblins must perform an ancient ritual involving the rarest of their kind—a newborn changeling. But when the night arrives to trade a human baby for a goblin one, something goes terribly wrong. After laying the changeling in a human infant's crib, the goblin Kull is briefly distracted. By the time he turns back, the changeling has already perfectly mimicked the human child. Too perfectly: Kull cannot tell them apart, so he leaves both babies behind. Tinn and Cole are raised as human twins, neither knowing what secrets may be buried deep inside one of them. When they are thirteen years old, a mysterious message arrives, calling the brothers to be heroes and protectors of magic. The boys must leave their sleepy town and risk their lives in the Wild Wood, journeying through the Deep Dark to reach the goblin horde and uncover who they truly are. In this first book in a new fantasy-adventure series, the New York Times bestselling author of *Jackaby* takes readers on a journey of monsters, magic, and discovery.

Monstress Vol. 2 - Marjorie Liu 2017-07-05

The Eisner-nominated *MONSTRESS* is back! Maika, Kippa, and Ren journey to Thyria in search of answers to her past...and discover a terrible new threat. Collects *MONSTRESS* #7-12.

The Book of Style for Medical Transcription - Lea M. Sims 2008-06

Can't Help Myself - Richard T. Vander Vaart 2016-03

Following the Shepherd in Real Life Series People often ask Richard T. Vander Vaart, "What is it like to be a minister?" In response he tells stories of his ministry experiences. Eventually, these stories were written down and collected into *Can't Help Myself*, a series of daily devotions created to help readers reflect upon their lives during the month of December. The devotions in this book are complemented with beautiful

photography to encourage deeper meditation, thoughtful discovery, and exploration of the scriptures. Some stories are humorous, some are serious, and some are whimsical, but all are told in a rich writing style and based in the love and compassion of God's Word. About the Author: Richard T. Vander Vaart has served as a minister in various congregations for more than twenty-two years. He is married to Carolyn and they have three adult children. Their oldest son Adrian and his wife Jessica recently presented Richard and Carolyn with their first granddaughter, their second son Micah married Rebecca almost one year ago, and their daughter Elayna helps them as foster parents. They have fostered more than thirty children over the last ten years.

Dreaming Awake - Gwen Hayes 2012-01-03

Haden Black changed Theia Alderson's life when he appeared in her dreams. And to save Haden, Theia sacrificed everything, but the dangerous bargain she made could have lasting repercussions. Now Theia is susceptible to the same deadly hungers that Haden has long struggled with-and their return to Serendipity Falls could test their control. And someone from Haden's past is determined to destroy Theia from the inside out, starting with those closest to her...

Unpublished Documents Relating To The English Martyrs (Volume I) 1584-1603 - John Hungerford Pollen 2020-02-08

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

Cheeky love T02 - Miyuki Mitsubachi 2022-04-13

Yuki, la manager du club de basket et l'arrogant Naruse sont finalement ensemble. Mais ce changement de situation n'affecte pas pour autant l'attitude de notre he roi ne, ce qui pousse Naruse a se montrer plus offensif ! Un premier rendez-vous, l'entre e en sce ne de nouveaux adversaires et... Naruse qui quitte le club ?!

Cheeky Brat, Vol. 3 - Mitsubachi Miyuki 2022-05-17

"Basketball club manager Yuki has a secret-she's in love with the team captain! But when Naruse, her cheeky kouhai, discovers her big secret, she's in a tight spot! Just how long is he going to keep teasing her about it!? Stupid pretty playboy...." --

Diagnostic Interviewing - Michel Hersen 2013-03-09

Perhaps the most difficult milestone in a young clinician's career is the completion of the first interview. For the typical trainee, the endeavor is fraught with apprehension and with some degree of dread. If the interview goes well, there is considerable rejoicing; if it goes badly, much consternation results. Irrespective of the amount of preparation that has taken place before the interview, the neophyte will justifiably remain nervous about this endeavor. Thus, the first edition of *Diagnostic Interviewing* was devoted to providing a clear outline for the student in tackling a large variety of patients in the interview setting. In consideration of the positive response to the first edition of *Diagnostic Interviewing*, published in 1985, we and our editor at Plenum Press, Eliot Werner, decided that it was time to update the material. However, the basic premise that a book of this nature needs to encompass theoretical rationale, clinical description, and the pragmatics of "how to" once again has been followed. And, as in the case of the first edition, this second edition does not represent the cat's being skinned in yet another way. Quite to the contrary, we still believe that our students truly need to read the material covered herein with considerable care, and once again the book is dedicated to them. We are particularly concerned that in the clinical education of our graduate students, interviewing has been given short shrift.

The Spelit Power Matrix - June H. Schmieder-Ramirez 2007-05-30

The SPELIT POWER MATRIX is a leadership tool for untangling the organizational environment from a social, political, economic, legal, intercultural and technical view. The SPELIT analysis method was developed for adult learners to have a framework for determining and formulating the answer to the question: What is? There is a need to analyze the environment in all organizations, whether you are entering a new organization or to benchmark the existing organization. The purpose

of this text is to show how perceptive leaders can analyze environments in preparation for possible future action. We demonstrate how the methodology aligns with previous theories regarding environmental scanning and produces a workable framework for the perceptive leader. The SPELIT POWER MATRIX is intended for practitioners doing a market analysis or diagnosis prior to implementing transitions, benchmarking in anticipation of an intervention, and can be used by undergraduate students and seasoned practitioners.

Four Doors Down - Emma Doherty 2016-08-12

Becca McKenzie is just trying to make it through her senior year of high school. She has good friends and a gorgeous boyfriend but Ryan Jackson, the bane of her existence, keeps popping up everywhere. She doesn't care that they were best friends for years. She doesn't care that their moms are close and therefore she hears more about him than she'd ever care to know. She doesn't care that their mutual friend, Jake, keeps pushing for them to all to hang out together, and she especially doesn't care that the rest of the school bows down and worships him. Becca decided years ago that he wasn't worth her time and nothing, NOTHING, is going to change her mind.

Brady Remington Landed Me In Jail - Tijan 2012-08-14

A friends-to-lovers story about two childhood friends who navigate adolescence together and must decide if risking their friendship to be together is worth the risk.

Inside Out. Upper Intermediate. Student's Book. Per Le Scuole Superiori - Sue Kay 2001-01-01

Inside Out Is An Enjoyable And Lively Course For Adults And Young Adults Designed To Develop Real Life Communicative Skills And Powers Of Self-Expression.

Eniale & Dewiela, Vol. 1 - Kamome Shirahama 2020-12-01

Angels and demons aren't known for getting along, but their shared enthusiasm for designer labels and luxury items has drawn angel Eniale and demon Dewiela into a tempestuous friendship...which has a tendency to dissolve into conflict. With the powers of Heaven and Hell behind them, even a minor fashion disaster can have near-apocalyptic consequences for the people of Earth!

Kiss Him, Not Me - Junko 2016-04-05

Hi again! It's me, Kae! After sweating it out with the boys, I've slimmed down again, but the fujoshi in me will never fade away! After everything that happened in the last volume, Igarashi has now fallen in love with the true me. He's decided to continue his pursuit, but this time, he means business! Igarashi's new resolve also spurs a change in Nanashima, and he doubles his efforts to win me over. It's great that they're both so fired up, but what's firing me up is the thought of them possibly getting hot

and heavy with each other... Includes extras such as a White Day-themed bonus comic and sketches of never-before-revealed character designs!
