

Crazy Love Overwhelmed By A Relentless God

God Is the Gospel - John Piper
2005-09-08

God, who said, "Let light shine out of darkness," has shone in our hearts to give the light of the knowledge of the glory of God in the face of Jesus Christ. 2 Corinthians 4:6 This book is a cry from the heart of John Piper. He is pleading that God himself, as revealed in Christ's death and resurrection, is the ultimate and greatest gift of the gospel. None of Christ's gospel deeds and none of our gospel blessings are good news except as means of seeing and savoring the glory of Christ. Forgiveness is good news because it opens the way to the enjoyment of God himself. Justification is good news because it wins access to the presence and pleasures of God himself. Eternal life is good news because it becomes the

everlasting enjoyment of Christ. All God's gifts are loving only to the degree that they lead us to God himself. That is what God's love is: his commitment to do everything necessary (most painfully the death of his only Son) to enthrall us with what is most deeply and durably satisfying—namely, himself. Saturated with Scripture, centered on the cross, and seriously joyful, this book leads us to satisfaction for the deep hungers of the soul. It touches us at the root of life where practical transformation gets its daily power. It awakens our longing for Christ and opens our eyes to his beauty. Piper writes for the soul-thirsty who have turned away empty and in desperation from the mirage of methodology. He invites us to slow down and drink from a deeper spring.

"This is eternal life," Jesus said, "that they know you the only true God, and Jesus Christ whom you have sent." This is what makes the gospel-and this book-good news.

Wild Goose Chase - Terri Thayer 2010-09-08

A computer techie by trade, Dewey Pellicano would rather swallow needles than be pinned down to a life of quilting. But when her mother passes away, Dewey must exchange code for calico as the new proprietress of Quilter Paradiso. Between learning the business and dealing with a conniving employee who is also her sister-in-law, Dewey is ready to snap. During a national quilt show, quilting celebrity Claire Armstrong offers to buy the shop. But before Dewey can accept, she finds the famous quilter lying dead on the floor—a bloody rotary cutter at her side. When hunky homicide detective Buster Healy enters the scene, romance flourishes...until another murder takes place. Can Dewey thread together the pieces to this murderous

pattern before the killer strikes again? Wild Goose Chase is the first book in the Quilting Mystery series featuring amateur sleuth Dewey Pellicano.

You and Me Forever: Marriage in Light of Eternity - Francis Chan 2014-08-26

Marriage is great, but it's not forever. It's until death do us part. Then come eternal rewards or regrets depending on how we spent our lives. In his latest book, Francis Chan joins together with his wife Lisa to address the question many couples wonder at the altar: "How do I have a healthy marriage?" Setting aside typical topics on marriage, Francis and Lisa dive into Scripture to understand what it means to have a relationship that satisfies the deepest parts of our souls. In the same way Crazy Love changed the way we saw our personal relationship with God, You and Me Forever: Marriage in Light of Eternity will radically shift the way we see one of the most important relationships in our

life. Jesus was right. We have it all backwards. The way to have a great marriage is by not focusing on marriage. Whether you are single, dating or married, *You and Me Forever* will help you discover the adventure that you were made for and learn how to thrive in it. 100% of the net proceeds from this book will support various ministries including those that help provide shelter and rehabilitation for thousands of children and exploited women around the world. Crazy Love - Francis Chan
2013-04-01

Revised & Updated Edition!

God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love

My Rock; My Refuge -

Timothy Keller 2015-11-19

New York pastor Timothy Keller is known for his ability to connect a deep understanding of the Bible with contemporary thought and the practical issues we all face in our lives. **My Rock; My Refuge** - his first devotional, consisting of all new material - offers inspiration for every day of the year, based on the book of Psalms. Here Keller helps readers apply the principles he laid out in his book *Prayer: Experiencing Awe and Intimacy with God*. He walks them verse by verse through the entire Psalter, the one biblical book designed to teach us how to

pray, how to spiritually handle every possible life situation, and how to actually know God. This title is published in the US as *The Songs of Jesus*.

Letters to the Church - Francis Chan 2019-09

Reminds listeners how powerful the Church can be and calls this generation to passionately pursue God's vision for His beloved Bride.

The Father Heart of God -

Floyd McClung 2022-04-08

In his work on three continents, Floyd McClung met many people who suffer from emotional scars and fears. Over and over again, the discovery of God as Father—perfectly reliable, unlike any human parent—has brought freedom and healing. A classic introduction to God's love, written for those in need and for those who wish to share that love with others.

Quicklet on Francis Chan's Crazy Love: Overwhelmed by a Relentless God

(CliffNotes-like Summary) -

ABOUT THE BOOK "As Francis so brilliantly illustrates, the life

that Jesus calls us to is absolute craziness to the world. Sure, it's fine and politically correct to believe in God, but to really love Him is a whole different story." This signature quote by worship leader Chris Tomlin written in the Foreword to Crazy Love, is a perfect starting place for getting an understanding of Francis Chan's powerful work and the significance of it in our culture. I like that Tomlin refers to what Chan does, first and foremost, as illustration. That's insightful because although Crazy Love is rich with controversy, if we dare to view it from the onset through the lens of the term illustrator we are much more likely to enjoy the ride. In common usage, illustrate means to paint a picture that captures or enables us to see the words. Writers at Dictionary.com defines illustrate as, "to clarify or explain by use of examples, explain or decorate with pictures; to enlighten." With that said then, Chan stands as one man with a "paint brush" a vision and a point of view, all of

which bow to his experiences, both spiritual and natural. MEET THE AUTHOR Teirrah McNair is a college graduate who has been writing for stage, video and publications for over 20 years. A former youth pastor and educator, McNair penned over 25 short plays for children as artist in residence in California and Alaska. EXCERPT FROM THE BOOK Cornerstone Church has not been the same since, and now loves its neighbors in contributing over 55% of the church's income to charitable causes. Chan, the always controversial and beaming proud dad, has moved on, and is now living and loving his neighbors in San Francisco through an organization called San Francisco City Impact. The long list of projects in San Francisco, Simi Valley and globally clearly demonstrate that Chan has a heart for impacting the community he lives in. The busy author, speaker, teacher and neighborhood improvement specialist has penned two additional books for adults,

Forgotten God and Erasing Hell as well as three children's books... Buy a copy to keep reading!

Erasing Hell - Francis Chan

2011-07-01

How could a loving God send people to hell? Will people have a chance after they die to believe in Jesus and go to heaven? With a humble respect for God's Word, Francis Chan and Preston Sprinkle address the deepest questions you have about eternal destiny. They've asked the same questions. Like

you, sometimes they just don't want to believe in hell. But as they write, "We cannot afford to be wrong on this issue." This is not a book about who is saying what. It's a book about what God says. It's not a book about impersonal theological issues. It's a book about people who God loves. It's not a book about arguments, doctrine, or being right. It's a book about the character of God. Erasing Hell will immerse you in the truth of Scripture as, together with the authors, you find not only the truth but the courage to live it out.

You Matter to God - Derek Prince 2010-04-01

In his clear and accessible signature style, Derek Prince employs his extraordinary understanding of Scripture to lay out the depth of Jesus's great love for individuals and to help them discover their worth. Using powerful biblical teachings on the parables of the Hidden Treasure and the Pearl of Great Price, Prince helps free readers from guilt, insecurity, fear, and shame, in order to help them realize how

incredibly loved they are.

In His Image - Jen Wilkin
2018-04-16

Sometimes we ask What is God's will for my life? when we should really be asking Who should I be? The Bible has an answer: Be like the very image of God. By exploring ten characteristics of who God is—holy, loving, just, good, merciful, gracious, faithful, patient, truthful, and wise—this book helps us understand who God intends for us to be.

Through Christ, the perfect reflection of the image of God, we will discover how God's own attributes impact how we live, leading to freedom and purpose as we follow his will and are conformed to his image.

Forgotten God - Francis Chan
2009-09-01

In the name of the Father, the Son, and ... the Holy Spirit. We pray in the name of all three, but how often do we live with an awareness of only the first two? As Jesus ascended into heaven, He promised to send the Holy Spirit—the Helper—so that we could be true and

living witnesses for Christ.

Unfortunately, today's church has admired the gift but neglected to open it.

Breakthrough author Francis Chan rips away paper and bows to get at the true source of the church's power—the Holy Spirit. Chan contends that we've ignored the Spirit for far too long, and we are reaping the disastrous results.

Thorough scriptural support and compelling narrative form Chan's invitation to stop and remember the One we've forgotten, the Spirit of the living God.

Living Crazy Love - Francis Chan 2011-09-01

From New York Times Best-Selling author Francis Chan comes fresh insight into the love of God. Chan's new thoughts and reflections on God's love in *Living Crazy Love* allows the book to stand alone or be used as a companion to *Crazy Love*. This ten-week in-depth study of God's character helps readers embrace God's intense, relentless love and watch that love transform every aspect of their being.

Designed for individuals or small groups, this study includes weekend retreat options and tips for small group leaders. However readers choose to use this book, Francis Chan's thought-provoking teaching will help them pursue God as they never have before, digging deep into their thoughts and beliefs about the love of God and how that love should impact their lives. After all, the spiritual journey is about so much more than what Christians have made it to be—and once they truly encounter God's love, they will never be the same.
