6 Books by C.S. Lewis You Must Read - The Collector

[Dog Loves Books](#) - Louise Yates 2010-12-01

A picture-book treat for the youngest dog lovers. Dog loves books SO much he opens his very own bookstore. At first he's short of customers. But that's all right, because when Dog is surrounded by books, he is never short of friends—or fun. And when customers begin arriving, he knows just which books to recommend. Louise Yates's expressive little white dog—and his many expressive doggie customers—extend an irresistible invitation to the very youngest to try reading. It's fun!

[Dog Loves Fairy Tales](#) - Louise Yates 2014-08-28

Dog loves stories, and he especially loves fairy tales! But when he finds himself in a fairytale world with a curse to break, Dog discovers surprises around every corner.

[Dog Loves Counting](#) - Louise Yates 2013-03-07

Dog can't get to sleep. He loves books so much that he just can't stop reading. Dog tried counting sheep, but it's not working - perhaps there are some other creatures he can count? Soon Dog is off on an adventure, finding friends and numbers in unexpected places.

[Dog Loves Books](#) - Louise Yates 2010

Dog loves books so much that he decides to open a book store.

[Love That Dog](#) - Sharon Creech 2002-01-01

This is an utterly original and completely beguiling prose novel about a boy who has to write a poem, and then another, and then even more. Soon the little boy is writing about all sorts of things he has not really come to terms with, and astounding things start to happen.

[Some Dogs Do](#) - Jez Alborough 2018

Send your spirits soaring with this powerful, positive rhyming tale. On the way to school one day, Sid is so full of happiness that he starts to fly. But no one believes him. Dogs don't fly, they say. Poor Sid is miserable, until his dad lets him in on an amazing secret: some dogs do!

[Dogs Love Cars](#) - Leda Schubert 2021-12-14

For dog people of all ages, a jubilant ode to our canines and the many things they love with wild abandon—especially you-know-who. From the yard to the park, from school to the market, from one end of the day to the next, dogs are full of joy. Ears flapping out the car window! Tug-of-war rope toy! Sprawling out on the couch! Getting those “good dog” treats! Wherever they go, whatever they see, dogs love it all. But what do they love most? Guess! This delightfully chaotic book from Leda Schubert and Paul Meisel portrays dogs of all shapes and colors in a laugh-out-loud celebration of our very best friends.

[For the Love of a Dog](#) - Patricia McConnell, Ph.D. 2007-08-28

Yes, humans and canines are different species, but current research provides fascinating, irrefutable evidence that what we share with our dogs is greater than how we vary. As behaviorist and zoologist Dr. Patricia McConnell tells us in this remarkable new book about emotions in dogs and in people, more and more scientists accept the premise that dogs have rich emotional lives, exhibiting a wide range of feelings including fear, anger, surprise, sadness, and love. In *For the Love of a Dog*, McConnell suggests that one of the reasons we love dogs so much is that they express emotions in ways similar to humans. After all, who can communicate joy better than a puppy? But not all emotional expressions

are obvious, and McConnell teaches both beginning dog owners and experienced dog lovers how to read the more subtle expressions hidden behind fuzzy faces and floppy ears. For those of us who deeply cherish our dogs but are sometimes baffled by their behavior, *For the Love of a Dog* will come as a revelation—a treasure trove of useful facts, informed speculation, and intriguing accounts of man's best friend at his worst and at his very best. Readers will discover how fear, anger, and happiness underlie the lives of both people and dogs and, most important, how understanding emotion in both species can improve the relationship between them. Thus McConnell introduces us to the possibility of a richer, more rewarding relationship with our dogs. While we may never be absolutely certain what our dogs are feeling, with the help of this riveting book we can understand more than we ever thought possible. Those who consider their dogs part of the family will find *For the Love of a Dog* engaging, enlightening, and utterly engrossing.

[The Loved Dog](#) - Tamar Geller 2008-10-14

A Hollywood dog trainer explains how to use nonviolent, wolf-inspired methods in order to bond with and train canine companions, in a guide that reveals how to employ play-based techniques that elicit desirable dog behaviors.

[Boo Loves Books](#) - Kaye Baillie 2020-10-06

Celebrate the joy of reading and help turn fear into a positive experience for little ones

[The Book Your Dog Wishes You Would Read](#) - Louise Glazebrook 2021-11-18

'Britain's top dog whisperer... a canine-human Esther Perel' The Observer Wouldn't you love to know what your dog was thinking? The truth is that your dog is communicating with you all the time but, unless you know the signs, you aren't picking up on what your dog wants you to know. Louise Glazebrook is a dog behaviourist, trainer and television presenter who specialises in teaching people how to understand and connect with their dogs. In *The Book Your Dog Wishes You Would Read*, Louise tackles everything from bringing the right dog home, understanding body language and breed behaviour, responding to common behavioural issues, to the toys and games that you and your dog will both love. Most dog trainers focus on the dog, but Louise focuses on you, the owner, giving you the skills and confidence to interpret your dog's needs and behaviour and build a better, happier relationship for life.

[Dog Gone](#) - Rob Biddulph 2020-09-03

A wonderfully waggy story of one dog day afternoon, from the genius behind the #DrawWithRob phenomenon and the bestselling and award-winning *Blown Away!*

[Dog Is Love](#) - Clive D. L. Wynne 2019

A pioneering canine behaviorist draws on cutting-edge research to show that a single, simple trait—the capacity to love—is what makes dogs such perfect companions for humans, and to explain how we can better reciprocate their affection.

Dog Loves Books - Louise Yates 2011-08-04

Now a major Cbeebies show! Dog loves books! It doesn't matter which books; Dog just LOVES books. They could be books about dinosaurs or aliens, Dog doesn't mind. He's just happy to be reading. Dog has his very own bookshop, although he doesn't have many customers. But that's all right, because when Dog is surrounded by books, he is never short of friends or fun. And when someone does come into the shop, Dog knows just which books to recommend... Join Dog in his AMAZING bookshop, and see what adventures reading can take you on.

Duncan the Story Dragon - Amanda Driscoll 2015-06-09

A charming story about the joys of reading that is perfect for fans of Dog Loves Books and Stellaluna. Duncan the Dragon loves to read. When he reads a story, his imagination catches fire! Unfortunately . . . so does his

book. Fire breath is great for roasting marshmallows, but it's not so great for reading. Duncan just wants to get to those two wonderful words, like the last sip of a chocolate milk shake: The End. Will he ever find out how the story ends? This bright, warm tale champions determination, friendship, and a love for books. And milk shakes! Praise for Duncan the Story Dragon: An Indie Next selection Winner of the Colorado Libraries for Early Literacy Bell Picture Book Award Winner of the Evelyn Thurman Young Readers Book Award An Indiana Young Hoosier Book Award Selection A Missouri State Teachers Association Reading List Selection A Nebraska Golden Sower Award nominee Nominated for the Utah Beehive Picture Book Award "The vivid colors, expressive faces, and comic details make this one likely to be a storytime hit. Like the last sip of a chocolate milkshake, it's very satisfying."--Kirkus Reviews

Dog Loves Books - Louise Yates 2010

Dog loves books about dinosaurs and Dog loves books about aliens: in fact Dog loves all books! Dog has his very own bookshop, although he doesn't have many customers. But that's all right, because when Dog is surrounded by books, he is never short of friends or fun.

The Curious Incident of the Dog in the Night-time - Mark Haddon 2010-01-26

Winner of the Whitbread Book of the Year 'Outstanding...a stunningly good read' Observer 'Mark Haddon's portrayal of an emotionally dissociated mind is a superb achievement... Wise and bleakly funny' Ian McEwan The Curious Incident of the Dog in the Night-Time is a murder mystery novel like no other. The detective, and narrator, is Christopher Boone. Christopher is fifteen and has Asperger's Syndrome. He knows a very great deal about maths and very little about human beings. He loves lists, patterns and the truth. He hates the colours yellow and brown and being touched. He has never gone further than the end of the road on his own, but when he finds a neighbour's dog murdered he sets out on a terrifying journey which will turn his whole world upside down.
