Shattered by the past Michael Novak was a US Marshal with his whole life figured out. Right up until the woman he called partner betrayed him. He's been hiding in Bliss, CO, trying to pull himself out of the darkness. The only bright light is Lucy Carson. Something about Trio's favorite waitress calls to him, but he can't trust his instincts anymore. Yearning for the future Lucy has loved Tyler since they were kids, but he never seemed to feel the same way. She worried she would never want a man the way she does Ty, and then Michael grumbled his way into her world. Beyond the broody exterior she sees a burning fire in his eyes, and she is drawn to that flame. The time is finally right Ty knows Lucy is the one for him, but Lucy wrote him off romantically long ago. If he could get her to see him in a different light, he knows she would realize that they're perfect for each other. His obstacle is the town's reclusive former lawman, Michael. But this is Bliss. A rival can turn into a partner for the right woman. And Lucy is definitely the right woman. Ty approaches Michael with a plan to get Lucy between them. A bargain is made, and Lucy is their target. But Lucy is already in much more dangerous crosshairs. Murder has come to Bliss, and Lucy is at the center of the investigation.

The Guy from Glamour - Skylar M. Cates 2014

A Work in The Guy Series Anthony Carrino loves his big, gregarious Italian-American family, even if his sisters are interfering, and his dad, the local sheriff, knows everything going on in town. He's happy as a middle school guidance counselor. Despite helping kids and their parents fix their problems, Anthony can't manage to get his own love life right. If

only everyone would stop calling him the "nice" guy. Dean Pierce doesn't do relationships. A tough-minded military man, he is dedicated to his job as a Night Stalker, flying Chinook helicopters and not speaking much to anybody. He certainly doesn't want to deal with a mess of emotions. But when tragedy strikes, Dean finds his hands full with his troubled niece, her irresistible guidance counselor, and a meddling family, which includes a rather large puppy.

Sissy Dreams: From Boyfriend to Girlfriend - Paul Zante

Receiving a text from Sasha, my girlfriend, at work was always risky. Especially when she wanted to know if her girlfriend was horny. A short and sweet (and filthy) story.

Twelve Years A Slave, Illustrated Edition - Solomon Northup
2014-04-08

Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. Twelve Years a Slave is Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's Uncle Tom's Cabin, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.

Breaking Her In - Brianna Hale 2020-09-03

There are two things I know for certain: horses are better than people, and women are more trouble than they're worth. The revolution in Paravel was a celebration, for most. There's just a different set of assholes at the top, kicking down the ones below them. And that's where I am, at the bottom of the pile, and luscious and brazen Lady Aubrey is at the very top. She parades around my stables like she owns the place, wiggling that fine ass in her tight-fitting jodhpurs. It's not the first time a society girl has thrown herself at me to make Daddy angry, but this is the first one I've wanted to catch and toss down in the hay. Aubrey is a filly who refuses to be tamed. I'm determined to break her in and make her mine--before my family's past rears its ugly, traitorous head, and she's snatched from me forever. AUTHOR'S NOTE: Cassian Bellerose is a bad-tempered beast with his eye on a high-class filly. The Court of Paravel books continue chronologically. It's recommended that they're read in order.

Big Deck Energy - Kim Loraine 2022-03-14

A sexy, mistaken-identity, forbidden sports romance! After my last romance turned into a dumpster fire, I did the only reasonable thing—I swore off men for all of eternity. So my bestie said she did the only reasonable thing—she signed me up for a freaking dating app. I thought it was a joke. But after too many martinis, I committed a cardinal sin. I slid into the DMs of the first eye-roll inducing profile I found -

@BigDeckEnergy. With a name like that, how could I resist giving him a piece of my mind? I never expected him to write back. I also never expected to like him. His body? Sexy as hell. Handle? Cocky. Accent? Did I mention he's British? Personality? Funny, sweet, and witty. Everything was falling into place until it all came crashing down and I remembered why I'd written off dating in the first place. Because Ethan Byrne wasn't just @BigDeckEnergy. He was a pro hockey player. #41, the center for the Seattle Cyclones, to be exact. He also happened to be my brand new client, and completely off-limits. Too bad I already knew exactly how big his deck really was. Big Deck Energy is a steamy stand-alone novel in Kim Loraine's Anything For Love series featuring a strong heroine, a

hero with a hot AF British accent, and lots of flirty banter.

Misadventures with a Professor - Sierra Simone 2018-11-06

"Sierra Simone is a master at....word play and fills the pages with one girls adventure with an older more experienced man." ~Beyond the Covers Book Blog Zandy Lynch never planned on going to grad school a virgin. So when her professor father finds her a job abroad as a research assistant the summer before she starts her master's program, she sees her chance. She's got one night in London to lose her V-card to a Mr. Darcy lookalike before she has to join some ancient professor in the country. Oliver Graeme is not looking forward to having some American co-ed hovering around while he's trying to work, but he owes her father the favor, and besides, his office is an untidy mess of uncatalogued research. He needs the help. Still, he decides to take the edge off his frustration while visiting a colleague in London, and winds up having the sexiest, sweetest night of his life with a stranger, who vanishes in the morning without a trace... To Zandy's shock when she arrives at Professor Graeme's house a day later, the door isn't opened by a fussy old scholar, but by the wild, passionate man she met in London. Cold and reserved by day, Oliver is ferociously greedy with her at night, and it's not long before Zandy finds herself falling for both versions of him—the aloof professor and the generous, rough lover. The trouble is that summer only lasts so long, and Zandy already has a plane ticket waiting to take her home... Misadventures is a romantic series of spicy standalone novels, each written or co-written by some of the best names in romance. The stories are scandalous, refreshing, and, of course, incredibly sexy. They're the perfect bedside read, a 'quick blush' for the reader who loves a page-turning romance.

The Man I Can't Have - Shanora Williams 2019-04-26

It started as as a simple search for a landscape designer...I wanted a beautiful backyard for my new home and my neighbors suggested I look into Ward Landscaping & Design. The owner had no pictures of himself on his website, just a portfolio of nice outdoor sitting areas, pools, and vibrant gardens that I'd always dreamed of having.Of course I hired him.I expected to meet an average guy, but Mr. Marcel Ward is far from your

average man. He's handsome, and well-built, and his smile-though a rare trait-is truly infectious. He's every woman's dream-a handsome, older man who doesn't mind getting down and dirty to create something beautiful all because of his passion for it. Unfortunately that lucky woman can't be me. Although Mr. Ward tests my limits, quickens my breath, and makes my heart skip a beat when he's around, I've made a promise to devote myself to my husband. So why am I falling for a man I know I can't have?

The Fire - May Archer 2019-07-19

JAMIE Parker Hoffstraeder is gorgeous, cocky, and totally irrational. He also broke my heart when he left town eleven years, four months, and twenty-eight days ago. Not that I'm counting. I don't mind admitting it: I was young. I got burned. I learned my lesson. But the guy swaggers back into O'Leary like he owns the damn place and suddenly I'm expected to welcome him to my town - to my life - like nothing's changed? Yeah, that I mind. It's only a matter of time until he's gone again. And there's no way I'll give him a chance to take another piece of me when he goes. PARKER Jameson Burke is the most arrogant, infuriating human on the planet. He's also taller, broader, and impossibly hotter than he was

before I left town. But, whatever. It's fine. I can handle it. Coming back to O'Leary was supposed to be like coming home. I hadn't realized that there's no statute of limitations on how long your first love and former best friend is allowed to hate your guts, or how much bad luck can befall a person in a short time. But, I can handle that, too... or at least pretend to. When Jamie and I are thrown together in a blizzard, though, everything changes in the space of one single, scorching night. Suddenly, I'm dreaming of a future I can't have, and he's stuck in a past he can't let go. It feels like we're playing with fire... And this time I'm the one who's gonna burn.

Campus Flirt - Jennifer Sucevic 2022-02-13

From USA Today bestselling author Jennifer Sucevic comes a short, sexy story in the Campus Series. Know what the problem is with crushing on your best friend? That there's not a damn thing you can do about it. Especially if you don't want to blow up your entire relationship. Easton is the guy I turn to when I need... well, just about everything. And what I've learned over the years is that friendship is more difficult to come by than hookups and boyfriends. Plus, it's not like he sees me as anything other than his soccer playing gal pal. The one he used to sneak out of the house with when we were teenagers. But we're not kids any more. At the end of this year, we'll graduate and go our separate ways. Why that thought fills me with sadness, I don't know. Actually, I do. And that's the problem. So, when my roommate suggests going out with her hot, hockey playing cousin, it seems like the perfect opportunity to move on from this crush. According to her—and I quote—the best way to get over one guy is to get under—I'm pretty sure you know how the saying goes. *Campus Flirt is a short novella (20,000 words) that was originally published in the Let's Play anthology* ---- "This book is just right when I needed a smile" - Tracy, GoodReads "An amazing ending that will have you wanting to read the story all over again, because it is that incredible" - Brittany, GoodReads "The storyline between Easton and Sasha is a HEA that I needed right now" - Lori, GoodReads "Best friends to lovers... Midnight Days - Anna Zaires 2021-11-16

My instincts warned me that Alex Volkov is a dangerous man. My mind told me to run when he set his sights on me with unfaltering determination. It's not that I didn't try to resist, but Alex had a game plan. He was always one step ahead of me, skillfully drawing me deeper into his web. Even when he gave me freedom, it was only an illusion. Now, even that illusion has vanished. I'm his prisoner in the truest sense of the word, whisked away to Russia on his private plane. I no longer have a say, not while our lives are at risk, and maybe never again. Our story balances on a thin edge between disaster and happiness. With each day that passes, I grow less certain of which side the coin will land on... or if we'll even survive. Note: This is the conclusion of Alex and Kate's story.

He smiled while he spoke, waving his arms to emphasise his words. Nicholas nodded sagely as he pretended to listen. Not showing any sign of returning the man's brilliant smile. Maya moved closer. Feeling curious. "Aren't you going to introduce me, Nicholas?" she asked. Maya smiled at the young man. He seemed to be only a few years older than her. He had a healthy complexion that showed he enjoyed spending time outside. The young man returned her smile. "I'm Alfie, and I'm so pleased to meet such a lovely woman," he said and beamed at her. He held out his hand to greet her. "This is my sister, Maya. Touch her and die," Nicholas said coldly. The young man froze, his hand hanging in midair. "Ignore him, Alfie," Maya said. "He's not my brother. He's just afraid I'll lose my V-card on his watch." Both gawked at her. "Hi, I'm Maya. I'm so pleased to meet you," she said and shook his hand. "I'm 23 by the way, so I make my own decisions." "Dammit, Maya," Nicholas seethed beside her. "Why don't you find a girlfriend to harass, Nicholas. I'm sure Alfie and I can find something interesting to talk about." "Piss off, Alfie!" Nicholas said and grabbed Maya's arm. He pulled her away from the shocked young man. With Nicholas holding her arm, he manoeuvred her into the hallway nearby. It was quiet. No one was near enough to hear. Maya sighed and prepared herself for another reprimand. Great. "Wow. That was subtle," Maya said. "I liked him. Why

did you have to ruin it?" -----

Campus Hottie - Jennifer Sucevic 2021-12-26

From USA Today bestselling author Jennifer Sucevic comes a steamy, older brother's teammate off-limits new adult sports romance that is laugh out loud funny featuring a strong heroine and the cocky football player who falls first and hard for her. Carson Roberts is Western University's most sought-after tight end. He's the total package. A pretty face to go along with all those sculpted muscles—check. An All-American—double check. A guaranteed one-way ticket to the NFL after graduation—triple check. Did I happen to mention that he's also my brother's best friend, which means I grew up with the guy and have crushed on him for nearly just as long? We're talking a decade of unrequited yearning here, folks. Don't worry, I'm slowly coming to terms with the fact that he'll never see me as anything more than the little sis he never had. Sort of. And even if he did just so happen to notice that I've filled out and no longer wear braces, Brayden would have a major conniption. When it comes to the male species, he's ridiculously overprotective. Any guy who has so much as given me a bit of side-eye has been treated to a swift and memorable beat down. Which is precisely why I'm still in possession of my V-card. Want to know how to make being a nineteen-year-old virgin with a major crush on her brother's best friend even more pathetic? Blurt out at a frat party that you've spent all these years saving yourself for him. Sadly, I can't even blame it on the alcohol because I don't drink. If you're thinking it can't possibly get more humiliating than that, you'd be wrong. Oh. So. Wrong. ---- "There is an intense sexual tension between them that had me on the edge of my seat, waiting for it to break" -Joy, GoodReads "This was such a great read with real life issues that were handled admirably and the love between Elle and Carson was impossible to deny for anyone" -Courtney, GoodReads "The angst, the push and pull between these two made this one hard to put down" - Christy, GoodReads "It's got all the parts of a good college/sports romance with an intensity that will keep you interested" - Jela, GoodReads Read the entire Campus Series Campus Player Campus Heartthrob Campus Flirt Campus Hottie Campus God Campus Legend ---
