But when it comes time for him to take a proper bride, he ultimately realizes he wants only one woman: Edwina Cheltam. He'd hired her as his secretary, only to quickly discover she was sensuous and intelligent. They embark on a passionate affair, and when she breaks it off, he accepts her decision as the

logical one . . . but only at first. Then he decides to pursue her. Michael is brilliant, single-minded, and utterly indifferent to being the talk of the ton. But the only thing more persuasive than a duke intent on seduction is one who has fallen irrevocably in love.

But what Felicity doesn't realize is that she has met her duke—he's the altogether too handsome man who Felicity has just mistaken . . . for her new footman! By rights, Thatcher should immediately set this presumptuous chit straight and tell her he has no intention of honoring the arranged betrothal. But he's quickly smitten by Felicity's delightful determination, her irrepressible charm . . . and her breathtaking sensuality. Yes, she'd wed him in an instant were his true identity revealed—but Thatcher's vowed to marry only for love.
