Crier was Made to be beautiful, flawless, and to carry on her father's legacy. But that was before her betrothal to the enigmatic Scyre Kinok, before she discovered her father isn't the benevolent king she once admired, and most importantly, before she met Ayla. Now, with growing human unrest across the land, pressures from a foreign queen, and an evil new leader on the rise, Crier and Ayla find there may be only one path to love: war.

AWARD 2013 George Saunders's most wryly hilarious and disturbing collection yet, Tenth of December illuminates human experience and explores figures lost in a labyrinth of troubling preoccupations. A family member recollects a backyard pole dressed for all occasions; Jeff faces horrifying ultimatums and the prospect of Darkenfloxx(TM) in some unusual drug trials; and Al Roosten hides his own internal monologue behind a winning smile that he hopes will make him popular. With dark visions of the future riffing against ghosts of the past and the ever-settling present, this collection sings with astonishing charm and intensity.
