

Heroes In Uniform Soldiers Seals Spies Rangers And Cops Sexy Hot Contemporary Alpha Heroes From Ny Times

Operation Iraqi Freedom - Walt L. Perry 2015

Summarizes a report on the planning and execution of operations in Operation IRAQI FREEDOM through June 2004. Recommends changes to Army plans, operational concepts, doctrine, and Title 10 functions.

Women in Game of Thrones - Valerie Estelle Frankel 2014-04-11

Game of Thrones, one of the hottest series on television, leaves hundreds of critics divided on how “feminist” the show really is. Certainly the female characters, strong and weak, embody a variety of archetypes—widow queens, warrior women, damsels in distress, career women, priestesses, crones, mothers and maidens. However, the problem is that most of them play a single role without nuance—even the “strong women” have little to do besides strut about as one-note characters. This book analyzes the women and their portrayals one by one, along with their historical inspirations. Accompanying issues in television studies also appear, from the male gaze to depiction of race. How these characters are treated in the series and how they treat themselves becomes central, as many strip for the pleasure of men or are sacrificed as pawns. Some nude scenes or moments of male violence are fetishized and filmed to tantalize, while others show the women’s trauma and attempt to identify with the scene’s female perspective. The key is whether the characters break out of their traditional roles and become multidimensional.

Narrative and Media - Rosemary Huisman 2006-01-26

Narrative and Media, first published in 2006, applies narrative theory to media texts, including film, television, radio, advertising, and print journalism. Drawing on research in structuralist and post-structuralist

theory, as well as functional grammar and image analysis, the book explains the narrative techniques which shape media texts and offers interpretive tools for analysing meaning and ideology. Each section looks at particular media forms and shows how elements such as chronology, character, and focalization are realized in specific texts. As the boundaries between entertainment and information in the mass media continue to dissolve, understanding the ways in which modes of storytelling are seamlessly transferred from one medium to another, and the ideological implications of these strategies, is an essential aspect of media studies.

The 10 Laws of Career Reinvention - Pamela Mitchell 2011-01-04

Today, career reinvention is the new-and only-form of job security. Until recently, most people expected to have one career with maybe two or three job changes in a lifetime. Now, experts advise us to expect seven or eight jobs with multiple industry changes. If you want to survive, you need the ability to transfer and repurpose your skills in a completely new direction. In The 10 Laws of Career Reinvention, Pamela Mitchell shows you how your knowledge, experience, and skill sets can be adapted to a wide spectrum of industries and jobs, and provides the tools to help you navigate the full art of career change. With ten clear, insightful, and practical "laws," you can: *Market your skills to anyone *Transition seamlessly from one industry to another *Find fulfillment in a career that fits you From finding a vision to creating your action plan, The 10 Laws of Career Reinvention walks you through your own path to a new career, with success stories, workbook exercises, and actionable steps to start your new life today.

Weapon of Choice - Charles H. Briscoe 2010-01

First published in 2003, this is the first unclassified official history authored by the U.S. Army Special Operations Command relating to Operation Enduring Freedom. Contains extensive maps and illustrations. Previously difficult to obtain, this extensive study shows what Army Special Operations Forces (ARSOF) accomplished to drive the Taliban from power and to destroy al-Qaeda and Taliban strongholds as part of the global war on terrorism during Operation Enduring Freedom.

Pre-Incident Indicators of Terrorist Incidents - Brent L. Smith 2011-01

This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

No Place to Run - Maya Banks 2010-12-07

A woman's first love becomes her only chance for survival in this gripping novel in Maya Banks' KGI series. The last person Sam Kelly expected to pull wounded from the lake was Sophie Lundgren. Once they shared a brief, intense affair while Sam was undercover and then she vanished. She's spent the last months on the run, knowing that any mistake would cost her life and that of her unborn child—Sam's child. Now she's resurfaced with a warning for Sam: this time, he's the one in danger. Sam has too many questions to let her slip away again—like why she disappeared in the first place. This time he vows not to be seduced. But one look in her eyes, and the passion burns again, and Sam knows he'll do anything to keep her and his child safe. However, Sophie's dark past is more dangerous than he imagines, and the only way for either to

survive it is to outrun it.

U S Army in Operation AL FAJR - Kendall D. Gott 2006

"Eyewitness to war" interviews span a wide spectrum of participants, from commanders and senior non-commissioned officers at all levels to the first-hand accounts of combat and combat service support personnel on the battlefield.

La Familia Drug Cartel: Implications for U.S.-Mexican Security - George W. Grayson 2011-04-15

This monograph examines the profound changes sweeping Michoac?n in recent years that have facilitated the rise and power of drug traffickers; the origins and evolution of La Familia, its leadership and organization, its ideology and recruitment practices, its impressive resources, its brutal conflict with Los Zetas, its skill in establishing dual sovereignty in various municipalities, if not the entire state; and its long-term goals and their significance for the United States. The conclusion addresses steps that could be taken to curb this extraordinarily wealthy and dangerous criminal organization.

Faking It in Alaska - Samanthe Beck 2021-10-18

Ambitious L.A. lawyer Isabelle Marcano would rather run a mile in her Manolos than fly off to rustic Captivity, Alaska. If she can just close this sale, she'll finally be able to add her name to the firm's letterhead. Even if it means taking a career detour to a place that doesn't even have a Starbucks...and might just be the seventh level of hell. Then Isabelle discovers that the town has something stronger on tap than caffeine: men. Lots and lots of men. Two single men to every single woman means that this assignment might just be the best thing in her sex life since the waterproof Rabbit. That is until her sexy client, Trace Shanahan, decides that in order to hide her real purpose, she'll have to pose as his fiancée... Now all Isabelle's fantasies of hot Lumberjack Sex have completely imploded. But the more she learns about Trace and about why he's selling, the more conflicted she becomes about the deal. Failure to close means losing the partnership she's always wanted...but the bigger failure might just be kissing Trace goodbye. Each book in the Captivity, Alaska series is STANDALONE: *Faking it in Alaska *Playing Dirty in Alaska

Columbia Pictures - Bernard F. Dick 2021-10-19

Drawing on previously untapped archival materials including letters, interviews, and more, Bernard F. Dick traces the history of Columbia Pictures, from its beginnings as the CBC Film Sales Company, through the regimes of Harry Cohn and his successors, and ending with a vivid portrait of today's corporate Hollywood. The book offers unique perspectives on the careers of Rita Hayworth and Judy Holliday, a discussion of Columbia's unique brands of screwball comedy and film noir, and analyses of such classics as *The Awful Truth*, *Born Yesterday*, and *From Here to Eternity*. Following the author's highly readable studio chronicle are fourteen original essays by leading film scholars that follow Columbia's emergence from Poverty Row status to world class, and the stars, films, genres, writers, producers, and directors responsible for its transformation. A new essay on Quentin Tarantino's *Once Upon a Time...in Hollywood* rounds out the collection and brings this seminal studio history into the 21st century. Amply illustrated with film stills and photos of stars and studio heads, *Columbia Pictures* is the first book to integrate history with criticism of a single studio, and is ideal for film lovers and scholars alike.

Of Corpse - Peter Narvaez 2003-07

Laughter, contemporary theory suggests, is often aggressive in some manner and may be prompted by a sudden perception of incongruity combined with memories of past emotional experience. Given this importance of the past to our recognition of the comic, it follows that some "traditions" dispose us to ludic responses. The studies in *Of Corpse: Death and Humor in Folklore and Popular Culture* examine specific interactions of text (jokes, poetry, epitaphs, iconography, film drama) and social context (wakes, festivals, disasters) that shape and generate laughter. Uniquely, however, the essays here peruse a remarkable paradox--the convergence of death and humor.

U.S. Marines In Vietnam: Fighting The North Vietnamese, 1967 - Maj.

Gary L. Telfer 2016-08-09

This is the fourth volume in an operational and chronological series covering the U.S. Marine Corps' participation in the Vietnam War. This

volume details the change in focus of the III Marine Amphibious Force (III MAF), which fought in South Vietnam's northernmost corps area, I Corps. This volume, like its predecessors, concentrates on the ground war in I Corps and III MAF's perspective of the Vietnam War as an entity. It also covers the Marine Corps participation in the advisory effort, the operations of the two Special Landing Forces of the U.S. Navy's Seventh Fleet, and the services of Marines with the staff of the U.S. Military Assistance Command, Vietnam. There are additional chapters on supporting arms and logistics, and a discussion of the Marine role in Vietnam in relation to the overall American effort.

Dr. Strange Beard - Penny Reid 2018-07-30

From the NEW YORK TIMES, WALL STREET JOURNAL, & USA TODAY bestselling series *Hunches*, horse races, and heartbreak Ten years after Simone Payton broke his heart, all Roscoe Winston wants is a doughnut. He'd also like to forget her entirely, but that's never going to happen. Roscoe Winston remembers everything—every look, every word, every single unrequited second—and the last thing he needs is another memory of Simone. Unfortunately, after one chance encounter, Simone keeps popping up everywhere he happens to be . . . Ten years after Roscoe Winston dropped out of her life, all Simone Payton wants is to exploit him. She'd also like some answers from her former best friend about why he ghosted her, but if she never gets those answers, that's a-okay. Simone let go of the past a long time ago. Seriously, she has. She totally, totally has. She is definitely not still thinking about Roscoe. Nope. She's more than happy to forget he exists. But first, she needs just one teeny-tiny favor . . . *Dr. Strange Beard* is a full-length romantic comedy novel, can be read as a stand-alone, and is the fifth book in the USA TODAY bestselling Winston Brothers series. ***** Read the entire Winston Brothers series! *Beauty and the Mustache Book #0.5 USA Today Bestseller Truth or Beard Book #1 USA Today Bestseller Grin and Beard It #2 USA Today Bestseller Beard Science #3 USA Today Bestseller Beard in Mind #4 USA Today Bestseller Dr. Strange Beard #5 New York Times Bestseller Beard with Me #5.5 (Coming September 2019) Beard Necessities #6 (Coming October 2019) ***** Topics: contemporary*

[African Conflicts and Informal Power](#) - Mats Utas 2012-09-13

In the aftermath of an armed conflict in Africa, the international community both produces and demands from local partners a variety of blueprints for reconstructing state and society. The aim is to re-formalize the state after what is viewed as a period of fragmentation. In reality, African economies and polities are very much informal in character, with informal actors, including so-called Big Men, often using their positions in the formal structure as a means to reach their own goals. Through a variety of in-depth case studies, including the DRC, Sierra Leone and Liberia, this comprehensive volume shows how important informal political and economic networks are in many of the continent's conflict areas. Moreover, it demonstrates that without a proper understanding of the impact of these networks, attempts to formalize African states, particularly those emerging from wars, will be in vain.

A Cognitive Psychology of Mass Communication - Richard Jackson Harris 2009-05-19

In this fifth edition of A Cognitive Psychology of Mass Communication, author Richard Jackson Harris continues his examination of how our experiences with media affect the way we acquire knowledge about the world, and how this knowledge influences our attitudes and behavior. Presenting theories from psychology and communication along with reviews of the corresponding research, this text covers a wide variety of media and media issues, ranging from the commonly discussed topics - sex, violence, advertising - to lesser-studied topics, such as values, sports, and entertainment education. The fifth and fully updated edition offers: highly accessible and engaging writing contemporary references to all types of media familiar to students substantial discussion of theories and research, including interpretations of original research studies a balanced approach to covering the breadth and depth of the subject discussion of work from both psychology and media disciplines. The text is appropriate for Media Effects, Media & Society, and Psychology of Mass Media coursework, as it examines the effects of mass media on human cognitions, attitudes, and behaviors through empirical social science research; teaches students how to examine and evaluate mediated messages; and includes mass communication research, theory and analysis.

[Pentagon 9/11](#) - Alfred Goldberg 2007-09-05

The most comprehensive account to date of the 9/11 attack on the Pentagon and aftermath, this volume includes unprecedented details on the impact on the Pentagon building and personnel and the scope of the rescue, recovery, and caregiving effort. It features 32 pages of photographs and more than a dozen diagrams and illustrations not previously available.

[Last Man Standing](#) - Cindy Gerard 2012-01-31

The final "powerfully intense" (Romantic Times) Black Ops, Inc. novel from New York Times bestseller Cindy Gerard, featuring a covert private security team and electrifying romantic suspense. Black Ops, Inc. operative Joe Green is determined to bring to justice the man responsible

for former team member Bryan Tompkins's death. He's convinced the ambush that killed Bryan was no coincidence, but a setup. Unsure of the consequences of the battle he's about to start, Joe distances himself from both his Black Ops, Inc. team members and the woman he loves, Bryan's sister, Stephanie Tompkins. But Stephanie knows there must be some reason Joe broke it off, and when she hears Joe's charged with a murder in Sierra Leone, she wastes no time in breaking him out of prison. Then they must unravel the mystery behind the ambush, and bring resolution to a long-ago betrayal....

Crossing the Rubicon - Michael C. Ruppert 2004-09-15

The acclaimed investigative reporter and author of *Confronting Collapse* examines the global forces that led to 9/11 in this provocative exposé. The attacks of September 11, 2001 were accomplished through an amazing orchestration of logistics and personnel. *Crossing the Rubicon* examines how such a conspiracy was possible through an interdisciplinary analysis of petroleum, geopolitics, narco-traffic, intelligence and militarism—without which 9/11 cannot be understood. In

reality, 9/11 and the resulting "War on Terror" are parts of a massive authoritarian response to an emerging economic crisis of unprecedented scale. Peak Oil—the beginning of the end for our industrial civilization—is driving the elites of American power to implement unthinkably draconian measures of repression, warfare and population control. *Crossing the Rubicon* is more than a story of corruption and greed. It is a map of the perilous terrain through which we are all now making our way.

The Language Instinct - Steven Pinker 2003-02-27

'Dazzling...Pinker's big idea is that language is an instinct...as innate to us as flying is to geese...Words can hardly do justice to the superlative range and liveliness of Pinker's investigations' - Independent 'A marvellously readable book...illuminates every facet of human language: its biological origin, its uniqueness to humanity, its acquisition by children, its grammatical structure, the production and perception of speech, the pathology of language disorders and the unstoppable evolution of languages and dialects' - Nature
