How to Fall Out of Love Madly - Jana Casale 2022-08-02

“Three relatable thirty somethings drive this ode to womanhood. Learning the hard way to love themselves, the women teach invaluable lessons.”—People “Everyone who loves Sally Rooney should be reading Jana Casale!”—Julie Buntin, author of *Marlena* Three women confront the compromises they’ve made to appease the men they love. Joy and Annie are friends and roommates whose thirty-something lives aren’t exactly what they’d imagined. To make ends meet, they decide to rent their extra bedroom to Theo, who charms Joy with his salt-and-pepper hair and adoration of their one-eyed cat. When Annie goes to live with her boyfriend, Theo and Joy settle into a comfortable domesticity. Then Theo brings home Celine, the girlfriend he’s never mentioned, who is possibly the most stunning woman Joy has ever seen. Joy resolves to do whatever it takes to hold on to him, falling ever deeper into an emotional hellscape of her own making. She is too obsessed to realize that Celine’s beauty doesn’t protect her from pain. Haunted by an event from her past, Celine can’t escape her shame and finds herself in an endless cycle of self-sabotage. Annie is baffled by Joy’s senseless devotion to Theo, but she’s consumed by her own obsessions: she can’t stop parsing her commitment-phobic boyfriend’s texts in an exhausting mission to maintain his approval. At work, where she fully embraces her natural assertiveness, Annie is a star. But when an anonymous letter lands on her desk accusing her esteemed and supportive boss of sexual misconduct, she is forced to decide who and what she’s willing to stand up for. Perceptive, mordantly funny, and full of heart, *How to Fall Out of Love Madly* examines women’s many relationships—with one another, their mothers, their work, men, and themselves—to reveal their underlying power and complexity. It asks, why do so many smart, compassionate, otherwise empowered women tolerate egregious behavior from the men they love? And what will it take for them to reclaim control?

How to Fall in Love with Anyone - Mandy Len Catron 2018-02-01

In 2014, 33-year-old Mandy Len Catron went on a date with an acquaintance. They decided to try an experiment: inspired by a study designed to create romantic feelings, Mandy and Mark spent the evening asking each other 36 increasingly intimate questions, wondering if it would lead to them falling in love. In How to Fall in Love with Anyone, this experiment is Catron's starting point for investigating what it means to love someone and to be loved, and how we present our love to the world. What makes love last? Can love ever work the way it seems to in films, books and social media? Is there a "right" way to fall in love? In these candid, charming and wise essays, Catron blends memoir with

cultural and social commentary on the psychology, biology, history and literature of love. How to Fall in Love with Anyone is a deeply personal, yet universal investigation into the one thing we all want—or think we want—more than anything.
