**Exposed: Battered Women Shelters** - Louge' 2010-09-17

Louge's book, 'Exposed: Battered Women Shelters', is a tell-all book of what really happens to the women and children inside these places, revealing nasty secrets: The kidnapped boy the shelter didn't report to the police; the measles epidemic that went on for over a year without being reported; counselors taking children away from their mothers; aiding and abetting illegal aliens; children living with registered child molesters; discrimination against fathers, illegally taking their children away from them; racist counselors; women and children living amongst cockroaches and mice; fraudulently received government monies; Christian shelter abusing a pregnant woman; lesbians; children sexually abused; drugs; liquor; and much more. The Director of the Deschutes County Victims Assistance Agency severed ties with a battered women shelter, refusing to send women to ... the shelter, stated (paraphrase): "It's ... actions were not consistent with protecting victims." Deschutes County Deputy District Attorney Patrick Flaherty stated (paraphrase): "... it (battered women shelter) has an irrational anti-law enforcement attitude ... does not cooperate with investigations ... allows women suspected of being abusers into the shelter." Steven M. Basile, head of a Fatherhood Coalition chapter stated (paraphrase): "Men have been ... unable to see their children ... because of false claims of abuse."

**Women at the Margins** - J Dianne Garner 2013-01-11

A compelling look at the crisis of disadvantaged women This powerful document takes a sobering look at the phenomenon of marginalized women pushed to the edges of society, holding on with the barest of hope and extraordinary bravery. Handicapped by the increasing societal inequality they face as an everyday fact of life, these women (and in many cases, their children) have been disconnected from the mainstream for reasons of age, race, gender, health, incarceration, domestic abuse, unwanted pregnancy, unemployment, and economic circumstance. They are poor in an affluent society, powerless in a powerful nation, and the suffering caused by their exclusion is poignant and troubling. Eloquently illustrated with poetry, art, and prose created by marginalized women, *Women at the Margins: Neglect, Punishment, and Resistance* makes a compelling argument for social change. The book offers a no-holds-barred look at how economic restructuring, welfare reform, neo-conservative ideology, and institutional exclusion have locked women into subservient, substandard roles, stripping them of their citizenship and rendering them expendable. Diverse authors track the life cycle of marginalized women, from teenage pregnancy to the loneliness of older women in poverty or prison. *Women at the Margins: Neglect, Punishment, and Resistance* addresses: the effects of welfare reform the forgotten group: women in prison and jail low-income women and housing women marginalized by substance abuse, poverty, and incarceration teenage pregnancy children and their incarcerated mothers recidivism and reintegration women, law, and the justice system and much more! *Women at the Margins: Neglect, Punishment, and Resistance* acknowledges the long history of the inequality faced by women living in exclusion but focuses on the present with a hopeful but realistic eye toward the future. It is an indispensable resource for sociology, social work, legal and penal system professionals, and academics, and an essential read for everyone.

*The Guyde* - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success.

Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
