Still in the Game Troy Francis 2018-01-11 So, you reached forty. Or maybe you haven't quite yet. But you'll get there soon enough. And when you do--whether that's now or in a couple of years' time--you'll need to know precisely what you need to do to get results with the girls you want to date. Perhaps you've been married. Maybe you're divorced, or a split looks imminent. Maybe you have kids. Maybe the dating scene is a dim and distant memory to you. Or perhaps you've been playing the field for a while, but you'd benefit from the experience and insights of a player in his forties who regularly dates beautiful girls all over the world. After all, when you were at university it was all so easy--you'd simply have a few drinks, go to the bar and meet a girl. These days there is Tinder and Bumble and Happn, not to mention all the social networks like Facebook, Instagram and Snap. Everything seems so complicated. Plus as a guy in his forties you're still interested in the same kinds of girls you always were: hot young things with a bit of sass and feistiness. That picture of Emily Ratakowski never fails to perk you up. And you don't see things changing any time soon. But where will you meet the kinds of girls you like? And how will you make it so that you're attractive to them? And how will you relate to them? Most importantly, how will you get over the mental barriers that you will inevitably face as a 40+ guy out playing the field? **STILL IN THE GAME** answers all these questions and more. - Understand the challenges, issues and hidden traps that any player in his forties and beyond will face out in the field. - Read Troy's own personal story, revealing the secret truths about how he came to avoid the regular path of marriage and remain a player into his forties. - Learn exactly how you can break out of the 'matrix' of conventional thinking to free yourself up for a life of sexual and romantic variety. - Go deep into the mindsets that you need to develop so that you are rock-solid in your confidence about meeting girls. - Find out how to remain young without looking like a dick, and how best to relate to younger women. - Discover the precise structure of game that Troy uses right now as a 40+ man to meet beautiful women. - Consider relationships and the conflicts that they can bring, and how best you can negotiate these. - Take a no-bull look at the downsides of the player lifestyle. - Eradicate your fears about the endgame. Do I have to ask where all of this is going? Will I still have to be hitting on girls when I'm seventy? Or can I find huge excitement, happiness and contentment through the player lifestyle? Let's face it. There's a ton of game advice out there but the vast majority of it is aimed at younger guys. And as **STILL IN THE GAME** makes clear, the principles of attraction are the same whatever your age. There are no silver bullets. But the main thing that holds guys in their 40s back from success is not so much game techniques as much as the mindsets that they hold. If you can just make a few subtle tweaks to your mindset then you will immediately start to make huge leaps forward in your dating life. This book will teach you how.

**From a Mack to a Man** Eric "E. K." King 2012-02 At the age of seventeen, my goal was to figure out how to get a woman to sell her body for me. I was what they called a "ladies man." I could get women to do anything. After asking people and certain friends how I should go about it, I finally got enough game in me to get off to a good start. In the beginning, I started off with one girl working for me. Towards the end, I kept two to three women. Before I got involved in the game, I had a misconception about it. I thought everybody involved was happy to be in it, including the women. That didn't turn out to be the truth. A lot of the women that I ran across didn't have anywhere to go or parents cut off contact with them. Some were actually born into the game, meaning, one or both parents are involved. I wrote From a Mack to a Man to try and educate the parents. Today there are a lot of parents confused about why their daughters and sons would get involved. From a Mack to a Man was written to give some insight on why.

**The Mystery Method** Mystery 2007-02-06 "One of the most admired men in the world of seduction" (The New York Times) teaches average guys how to approach, attract and begin intimate relationships with beautiful women For every man who always wondered why some guys have all the luck, Mystery, considered by many to be the world's greatest pickup artist, finally reveals his secrets for finding and forming relationships with some of the world's most beautiful women. Mystery gained mainstream attention for his role in Neil Strauss's New York Times bestselling exposé, The Game. Now he has written the definitive handbook on the art of the pickup. He developed his unique method over years of observing social dynamics and interacting with women in clubs to learn how to overcome the guard shield that many women use to deflect come-ons from "average frustrated chumps." The Mystery Method: How to Get Beautiful Women Into Bed shares tips such as: \*Give more attention to her less attractive friend at first,

so your target will get jealous and try to win your attention. \*Always approach a target within 3 seconds of noticing her. If a woman senses your hesitation, her perception of your value will be lower. \*Don't be picky. Approach as many groups of people in a bar as you can and entertain them with fun conversation. As you move about the room, positive perception of you will grow. Now it's easy to meet anyone you want. \*Smile. Guys who don't get laid, don't smile.

**Game** Roosh Valizadeh 2018-08-21 Game teaches men a 9-step program for meeting and attracting women in an age when smartphones, feminism, and anti-masculinity propaganda have made connecting with the opposite sex harder than ever. It will help you achieve casual or monogamous relationships while safeguarding you from sexual harassment and rape accusations that have increased due to the spread of social justice and hashtag activism. Game was written after the author's 17-year obsessive journey into the art of seducing women. Even if you don't have a large social circle, or any friends at all, Game teaches you how to have pleasant face-to-face interactions with women. You'll learn... -How to walk out your front door and casually meet women during the day in a way that won't make you anxious -How to meet girls at night in bars, clubs, or on the street -Dozens of word-for-word examples of how to approach women and converse with them -The best way to know that a girl likes you and will show up on a first date -The number one sign that a girl is ready to be kissed so that you never have to worry about being physically "rejected" -How to move things to the bedroom on the same day or night you meet a girl If you're not a fan of casual hook-ups, the book has you covered with a traditional dating program. You'll learn... -How to contact a girl using a text messaging script that gets right to the point of scheduling a date -6 fun date questions to ask that help reveal if she's worth a long-term relationship -6 conversational guidelines that prevent you from running out of things to say -How to "qualify" and tease a girl so that she always sees you as a high-value man -The smoothest way to move things to a private home when she's ready for intimacy -A safe progression to having consensual sex that won't get you in trouble with the law Once you start dating a girl you like, you'll enjoy the chapter on relationships. You'll learn... -How to lovingly mold a girl into your ideal partner while resisting her efforts to train you into a beta male slave -The most important standards you must uphold to maintain the integrity of the relationship -How to regain attraction after your girlfriend becomes distant -6 warning signs that tell you a girl is not worth marriage -How to know if your girlfriend is cheating on you You'll also find two large appendices. They share... -The best way to enter social circles where women will see you as the apex male -How to get intimate with a girl in your social circle so that things don't get weird or awkward -An easy trick to identify which foreign cities contain women that will be most receptive to your look and personality -How to plan for trips that maximize the chance you'll get lucky with foreign women The above only scratches the surface of what Game contains. It is seminal work of a hyper-sexualized man who dedicated tens of thousands of hours into understanding women and attracting them while fending off defamatory attacks from mainstream feminists and fake news journalists who want to criminalize healthy masculinity. Whether your goal is to have fun in a big city with lots of women or fall in love with only one before getting married, Game will help you accomplish your goals in a way that keeps you safe from degrading cultural winds that continue to divide men and women.

Get ready to discover hidden truths, including • why women really say I love you; • why women don't want you to get to know them; • why and how women recreate themselves; • why it's so hard for men to admit they've been played. **Night Game: How to Pick Up Women in the Club and Bar** Ricky Ford 2013-05-14 How would you like to be able to go up to a beautiful woman on a night out in a club or bar and pick her up? Get her number, kiss her; and perhaps take her home? Ricky Ford has years of experience in picking up women, especially in night game and would like to share his tips and tricks with all aspiring Pick Up Artists (PUAS) This book concentrates on what 95% of wannabe PUAS are doing wrong in the club and bar and shows you how to approach, connect with and ultimately attract the kind of desirable, high-value women you want in your life. Forget going out and leaving things to chance in night game. Ford explains how you can build attraction in the club and bar and how you too can become a PUA! Example extract: The good thing about night game is that some girls in the club are simply drunk and horny and just looking for sex. They are very easily persuaded and a pickup artist can escalate quickly and you can take them home very easily. You just need to be proactive and confident in your pick up and say something like 'Come on let's get out of here' or 'Let's go and get some fresh air' and literally walk them out of the club. More girls are like this than you think. I've boned a girl in a club toilet before. Had sex with one behind a bin in a city centre as well as having a sex act performed on me in a park on the way home, down an alley and whilst sat on a sofa in a bar. This is the kind of fun you can be having with this type of girl.

*How to Beat A Woman at Her Own Games* Ralph Hemphill 2020-09-01 In today's world, much unlike the world of long ago, before the 1980s--where women probably and seemingly didn't play as many games and didn't scheme as much as the women of today--one can clearly see, witness, and attest to the ever-present and overwhelming amount of game playing and scheming ways of most of the females we know, know of, see, and interact with on a day-to-day basis. Most every man, at one point or some point in his life, has fallen victim to a game or scheme of a female whom he has either tried to get with or hook up with, and many guys get hit with games and schemes even with those that they are married to or in relationships with. Practically no man is exempt. We all at some point will find ourselves faced with a woman whose sole purpose is to either go for what's in our pockets or bank accounts, or to try to get us to do something for them for free or to get us to buy them stuff without them appreciating it and then turning around and buying us stuff too as well. That's a big part of the world we live in as far as men interacting with women, and the sole purpose of this book is to at least get guys to recognize when they are being played and to not fall for the simple games that women play twenty-four hours a day.

**The Girl and the Game** M. Ann Hall 2016-05-25 In the second edition of this groundbreaking social history, M. Students will appreciate the more descriptive chapter titles and the restructuring of the book into easily digestible sections. Fifty-two images complement Hall's lively narrative.
