And how you can be that "bad boy" without actually being bad. - Why catering to her every need from the moment you meet her will absolutely kill your chances of being anything more than her "talking friend". - Why

compliments will not always get you past the pick up line, and how to really get a woman's attention when approaching her. - Why what you think girls want and what you have always been told girls want (even by other women) is one of the biggest reasons most men's chances of sweeping a beautiful woman of her feet are next to nothing. - The 7 or so things a woman is really looking for when she meet a man. me by impressing her. Just like you are shock right now but in all honesty it works believe me. There have been so many times I would just put on a sweater with a hood and some sweats not even have a clean cut and literally have girls go up to me wanting to know more about me. Girls love a guy with some sort of mystery to him. Now I am not saying to be a total psycho and dress like a thug I am just saying notice what most guys are doing and do the total opposite. You ever heard of the phrase nice guys finish last, I am sure you have. The phrase that I like to use is, "guys who try hardest get rejected fast". The truth is by trying harder you are actually pushing the girl away from you. She will quickly lose interest and won't even notice you. [How to Attract Women](#) - Zac Miller 2020-03-08

Can I Ask You a Question?

What would life be like if you knew exactly how to attract women? If you could get the girls you've always wanted? If you could be a man women were sexually drawn to... would that change your life? Hi, my name is Zac Miller. In my many years here on earth I've had my share of experiences with women. And like most men, I wasn't born knowing what attracts women or what they want, but there came a point in my life where I was fed up and did something about it. Many men just say "women are crazy," and they leave it at that, not trying to understand them. I couldn't have that...

While women are in fact crazy, I have put together a book which explains what they want, what attracts them to men, and how you can start attracting women. It's taken me many, many years, and many, many sleepless nights, but after all

was said and done, I believe I have made the best book available when it comes teaching men everything it takes to successfully attract women. Here's What You'll Learn in This Book Chapter 1: Appearance - While it's been this way for many years, the advent of website profiles and dating apps has made a masculine appearance much more important for men in this day and age. Here I share with you the many ways you can appear more attractive to women, as well the ideal body type women are looking for in a man (hint: it's not abs).

Chapters 2 & 3: Attractive & Unattractive Qualities - Ever notice how women are attracted to jerks and "bad boys?" It's because they display many attractive qualities women desire. In these chapters, I share with you what exactly these qualities are, while also going over attributes you need to stay away from, which push women away. Chapter 4 & 5: Talking to Women - Next, we go over how to talk to women and connect

with them, in turn attracting them to you. I show you how to approach girls, get their contact information, and how to conversant with them afterwards to secure a date. I go over the number one mistake most guys make during this process, as well as the one quality that will put you above all other men when talking to women (hint: it's not a lifted truck). Chapter 6: The Date - We then go over how to handle the date. I show you exactly how to ask for the date, where to go, and what to do during the date. This includes conversation topics that release dopamine (feel good) chemicals in a woman's brain, as well as techniques you can employ during the date to keep her attention. I then go over what to do after the date to keep her interested in you for the long run to make her your girlfriend. Chapter 7: The What If's? - What if she flakes on the date? What if she says maybe? What if she starts losing interest? All these questions and more are handled in this chapter, showing you the exact

techniques to employ to handle each situation, which will keep a woman interested in you.

Appendix - I provide 70 opening messages, original to this book, to use when texting girls. These are unique, funny messages, which will make you stand out from other men. As a FREE bonus, only to buyers of this book, I provide you with my special report, Subconscious Attraction: 3 Techniques that Will Attract Her Subconsciously. These are perfect to use during the first date! If you want to become more successful with women and start getting the girls you've always desired, you can't risk not knowing this information.
