The Art of Female Pleasure Gabrielle Cerise 2007-04-01 Want to Really Satisfy a Woman? Then read on...Based on empirical evidence, women in same sex encounters report more pleasure and satisfaction. According to the groundbreaking Shere Hite report on Female Sexuality (described as one of the 100 key books of our time by the Times) 52% of women in the UK ALWAYS orgasm when with a woman!! In Australia and New Zealand that's even higher! 60 % and 61% respectively. Furthermore when asked 'are you curious or would you like to try a sexual relationship with a woman' . . .71% of UK women said yes! And in Australia and New Zealand its 78% and 80%.Furthermore ancient texts advocate the immense sexual potential of women, in fact in 15AD a spiritual leader in the East declared that when God was giving out sexual desire one tenth went to men, and a whopping nine tenths went to women! Through it all, one truth has remained - women inherently know how to please and satisfy women in a way that, until now, has received little recognition. The Kama Sutra, Ananga Ranga, The Perfumed Garden, and The Tao have all touched upon these areas, but none have fully explored the process and learning to be gained by women who love women.Intense desire, coupled with a not so fulfilling bedroom life, means a tide of sexual frustration sweeping many women!However the situation is not as bleak as it seems. In discussions with numerous bisexual and lesbian women a number of factors have been isolated which may hold the key to bringing pleasure and satisfaction to many women.- Develop a great appreciation of your partners body. Large, small, simply show your appreciation in words or touch, make her feel truly admired. - Facilitate relaxation. In other words take the time to relax the lady in your life - talk, give her a massage, rub her hands, play some music. Remember relaxation precedes arousal - therefore the more relaxed the lady, the greater will be her arousal, and response to your touch.- Increase your foreplay repertoire! For many couples there seem to be degree of focus on two strategic points. By expanding your vision to include often neglected areas such as the neck, back, forehead, eyes, hips, hands - you will be able to provide greater stimulation to her body, and increase arousal. Just make sure you keep this up for at least 20 - 30 minutes to create the desired effect.- Holistic seduction : Vary the stimulation when seducing your love object. Find out her likes and dislikes, interests, hobbies, and talk about them. Make her really feel listened to.. Now use your body language, words, questions, and atmosphere to create the seduction. Your body language should be open and relaxed; your words gentle and pleasing to the mind; the tone of your voice - deep, gentle and steady; slowly steer your line of questioning to sensual topics - i.e. her favorite food, types of massage she likes, the forms of art she admires. This will stimulate her inherent sensuality.- Holistic lovemaking : involve her mind, body and soul. The central idea here is to fundamentally create a sense of connection. By creating this feeling, you will be involving her mind, body and soul in the process, and thereby increase her response to you and her pleasure. Tantric exercise such as simply looking into each other's eyes - creates an intense bond, and fires neurons in the brain responsible for making us feel grounded, protected, and valued. Lye face to face, or sit face to face and simply gaze into each other's eyes. A variation of this is to sit, lie, or stand face to face (with eyes closed and foreheads touching) and simply feel the connection. Once you are familiar with these exercises try co-ordinating your breathing, to create an even greater feeling of connection.- Discover her body, find out her preferences! Is she a G-Spot or clitoral woman? Taylor you positions to give her - her favorite stimulation. As a general rule - positions which stimulate the clitoris are usually face to face, and those tha

You will learn about all these things as you go through this book How to Satisfy a Woman in bed, The Magical Formula for Multiple Orgasms Before creating this well-known book on How to Satisfy a Woman in bed, The Magical Formula for Multiple Orgasms-I spoke with close to 2500 women. Every single one of them had faked an orgasm during sex at some point in their lives, with 60% of them doing so every time, I discovered when I asked them about their pleasure with their sex lives. These women need a book designed for guys that explains why their women are staging orgasms and what they can do to stop it, not another fancy sex manual with intricate positions. Many of the assumptions men frequently hold about what a woman wants in bed are examined by Charles Clinton. He explains what repels women and what attracts them The author also talks about the value of love and commitment in marriage, romantic fantasies, and the advantages of excellent health for enhancing sexual energy. A more straightforward, down-to-earth manual on how to give and receive sexual pleasure has been written. You can use this book as a license to appease your beloved wife and girlfriend. When making love, a man is obsessed with numerous thoughts, such as: Is she enjoying it? Is she staging the orgasm to boost my male ego? What if she meets a different man who is more effective at it? Do not worry; this book has got you covered because it teaches you how to discover every woman's erogenous zones, where and when

to start after initiating foreplay, and the best sexual positions that can give her multiple orgasms easily. THE PS-SPOT ORGASM: Women Don't Wait Any Longer For This Kind of Pleasure How could there be a major discovery for women's sexual pleasure that hasn't already been reported to death? Well there is, and it's the "other" G-Spot. You already know that most of the clitoris is actually inside the body, (two inches on average,) so you want to make sure the clitoris inside of you is being adequately stimulated. You've read reports on how to find and stimulate the G-spot and you know that the G-spot is actually more of a backdoor way to access the vast treasure trove of clitoral nerve endings versus being a separate collection of it's own nerves. You've experimented with different sex toys until you've found one or more that you'll kill for. You know all about nipple stimulation and who hasn't heard about anal sex? Well there's still another major way for women to get sexual pleasure. Often known as the other "G-Spot", this part of a woman's anatomy begs to be played with and offers the promise, or at least possibility, of more exciting sex. Intimacy Intelligence Asif Iqbal 2019-10-03 Intimacy Intelligence is a Lovemaking Guide that dives directly into how to make the magic happen, step by step. I start by helping you get inside her head and heart. Then, you'll learn about how to heat things up using lots of foreplay (the most important part). Finally, I share what to do and watch for during actual play and how to tend to her after you've taken her over the edge. .A SEX GUIDE? UGH. WHY SHOULD I READ THIS? .I am writing this book as a way to side-step taboos around intimacy and female satisfaction. Growing up in a mostly Muslim country in the Indian subcontinent, the ideas that suppressed women's needs and desires were normal. There are a lot of hang-ups around pleasuring women, and most of the time, it's not even a factor in people's sexual relationships. Sex has become a mostly one-sided venture that ignores women's basic needs, at best. At worst, many women feel forced, coerced, and even raped during sexual encounters with their male partners because society hasn't taught anyone to value open communication about sex. No one talks about intimacy publicly and the dismissal of female desire is so ingrained in society that even the most religious people are not immune..However, as I got older and learned more about my faith from reliable sources, I realized it was Indian culture (influenced by colonial British attitudes), not Islam, that discouraged and disempowered women. Prophet Muhammad (s) very clearly emphasized that women have the exact same right to sexual satisfaction as men and that any man who approaches his wife like a beast, only focusing on his own orgasm, is lacking masculinity. Muslim women are even justified in requesting a divorce from men who can't sexually satisfy them..Having said that, this book is for people of all faiths, cultures, and traditions. It is also for both men AND women. We have to talk about sex and pleasure if we are ever going to have healthy relationships. Why can't we have a straightforward, no-nonsense guide that helps us understand how to sexually approach our significant other?.I decided that instead of complaining, I would do something about this problem. The result? .An easy-to-follow, four-part framework with tantalizing and time-tested ways to make love. Based on both Eastern and Western erotology and psychology, this guide is both useful and universal. For men, this book focuses on providing practical guidance on how to please women. I want to help you master the art of female satisfaction. For women, this book is a quality checklist and an instruction to the type of intimacy you deserve. I want you to learn to expect better and learn to ask for what you want..I believe we shouldn't have to settle for anything less than stellar sex in our relationships and I've written this guide to prove that it is possible. .All you need is some intimacy intelligence..INTIMACY INTELLIGENCEA PRACTICAL GUIDE TO LOVEMAKING & SATISFYING WOMENBy Asif Iqbal (<https://asifim.com/keto>)

Did you know that in 92% of cases the first sexual experience causes a shock in humans and make them insecure in all future sexual relations? If the answer is yes, then this book is the right book for you! The word Kama is one that means pleasure but can also be translated as desire or longing. There is a sexual connotation associated with the word, meaning it is more to do with sexual pleasure and desire than with the pleasures of life or desire for material goods, but that doesn't mean that the Kama Sutra as a whole is limited to only sexual pleasure. Sutra, on the other hand, translates to verse or scripture. When you put these words together, you get the translation of "Scripture of Pleasure", but there are many variations on how you can literally translate this. There are a lot of complexes, errors and false moral prohibitions on the way to sexual harmony and freedom. And this is not surprising, because we are all people of Western culture. Meanwhile, Eastern attitude to sensual love is radically different from the sexual culture of the West. In Hinduism, the body and spiritual life, sexuality and religiosity were initially considered to be the whole unit. All the ancient oriental treatises on the art of love were devoted to the spiritual side of sex, and the Kama Sutra is perhaps one of the most famous. Today, the Kama Sutra is an inspiring guide for millions of couples, helping them learn how to control their mind and body, emotions and passion, allowing them to find freedom and harmony in intimate life.
