Motherhood and Patriarchal Masculinities in Sixteenth-Century Italian Comedy Yael Manes

2016-04-15 Exploring individual and collective formation of gender identities, this book contributes

to current scholarly discourses by examining plays in the genre of 'erudite comedy' (commedia erudita), which was extremely popular among sixteenth-century Italians from the elite classes. Author Yael Manes investigates five erudite comedies-Ludovico Ariosto's *I suppositi* (1509), Niccolò Machiavelli's *La Mandragola* (1518) and *Clizia* (1525), Antonio Landi's *Il commodo* (1539), and Giovan Maria Cecchi's *La stiava* (1546)-to consider how erudite comedies functioned as ideological battlefields where the gender system of patriarchy was examined, negotiated, and critiqued. These plays reflect the patriarchal order of their elite social milieu, but they also offer a unique critical vantage point on the paradoxical formation of patriarchal masculinity. On the one hand, patriarchal ideology rejects the mother and forbids her as an object of desire; on the other hand, patriarchal male identity revolves around representations of motherhood. Ultimately, the comedies reflect the desire of the Italian Renaissance male elite for women who will provide children to their husbands but not actively assume the role of a mother. In sum, Manes reveals a wide cultural understanding that motherhood-as an activity that women undertake, not simply a relational position they occupy-challenges patriarchy because it bestows women with agency, power, and authority. Manes here recovers the complexity of Renaissance Italian discourse on gender and identity formation by approaching erudite comedies not only as mirrors of their audiences but also as vehicles for contemporary audiences' ideological, psychological, and emotional expressions.

Diary of a Married Woman Etim Sam Ekong 2005-11-10 After her ten-year marriage begins to crumble, Amber Smith finds satisfaction in the arms of a mysterious Nigerian named Blessing. But when Blessing experiences a renaissance of his own with another woman, Amber must follow a new path. Which direction will she take? The idea that Mike was having an affair didn't bother me that much. It was ironical that his own indiscretion if it was true, would be so close to home as well. It wasn't really that I still loved him because, I didn't. It wasn't also that I was jealous because, I wasn't. It was just that I'd never thought of him as one who would have affair. Could this be true, I kept thinking? My thought went back to Blessing, how I wished he was here to share the moment with me and watch the rain fall. I thought about the way he usually talks to me, look at me and the

Whenever I feel disenchanting, which is often these days, I think of him. And most importantly, whenever I needed to remind myself how good a man could make me feel, I think about him.

Due to its licentious nature the letter was not published in collections of Franklin's papers in the United States during the 19th century. Federal court decisions from the mid- to late- 20th century cited the document as a reason for overturning obscenity laws. Many Years Ago in Arkansas Jennie Mathis Silcott 2008-08-29 This book is about the lives and times of a real family not only the struggles and the unbelievable heartaches and disappointments in our lives, but also how the Lord worked in our lives in the midst of it all. It is with godly fear and much humility that I undertake the task of writing this book as I am in no sense of the word a writer. My purpose in writing this book is to help and give courage to someone that may think his or her situation hopeless. My prayer is that God may make this book a blessing to many. Our mother was born Ida Louise Durham, on October 28, 1921, the third living child of Mrs. Bertha McQuire Durham and Mr. Jeff Durham, in Marianna, Arkansas. She attended school in Arkansas. She lost her father at the age of seven years. Life began to be difficult from that day on. It is unbelievable the hardships this lady went through, but she was a fighter from her heart. She never let the disappointments in her life get her down. She always told us, When life knocks you down, don't lay there, get yourself up. Tomorrow is another day. She truly was an example to us, her children, and to many people who came her way during her seventy-seven years of life.

Let Me Love You Francisco de Assis Brito 2021-02-11 Who's afraid to love? Is love an imminent risk of suffering? There is a time when people are more concerned with themselves and their professional life. With that, time passes and when they realize, it is past the time of getting married. Julia, an intelligent, beautiful woman and owner of a unique beauty. As a doctor, she spent most of

her time inside a hospital, leaving one shift and entering another. With that, she followed the steps of her professional life to achieve success and prestige. And she left behind her time to get married and build her own family. When she realized she was already 34 years old, she did not know how to return to take the shortcut that would lead her to love. The men she knew were already addicted to sex. The interesting men were married, the available men did not want to waste time on courtship and kisses. They wanted to date for free sex, not to get married and start a family, even if this woman was wealthy. Julia had to relearn how to win over a man. But she always ran into men who had stones instead of the heart. One morning she received an invitation to go to a couple's party, organized by socialite Mariem Durval, known as the "matchmaking lady". At the couple's party, she met CEO Augusto Silverio, owner of a manly beauty enviable to other men. It was love at first sight each other. They danced all night, and courtship began. And in two months they were married in civil. Married to that handsome and charming man, Julia gave herself up to the pleasures of sex the way her husband wanted. He was her husband; he had an exclusive right over her body. The sex took on proportions that she didn't imagine it was possible for a man to be as horny as her husband was. He created sexual fantasies that she didn't think could happen between wife and husband. Her husband's animal instinct required her to have sex with him in every position. And if that weren't enough, he convinced her to have sex with him in public places - whether inside an elevator at risk of being caught, in shopping mall parking lots, in waterfalls and natural pools in the Horto Florestal. The husband had no limits. Those sexual fantasies and fantasies addicted to him. Aware of her passion for him, Silverio started to convince her to have sex with another woman involved. It didn't take long for his fantasies and tares to evolve, and he began to fantasize about including another man to see her being possessed by another man. Her husband's flaws were limitless. Tired of being

used, she began to refuse to share those sexual fantasies. It was not long before he was away from her, and began to travel for work to São Paulo, where he stayed all week. That time he traveled to São Paulo and turned off his cell phone, leaving the cell muted. Concerned about her husband, she sought out her husband's parents and asked for help in finding out the whereabouts of her husband who had disappeared. A São Paulo detective office was hired, which located Julia's husband's whereabouts. Experienced, the detective searched the car rental companies with a tracker. And he found out that Silverio had gone to the beaches of São Vicente and stayed in one of the hotels with two women. And Julia was accompanied by two policemen and the detective, and caught her husband with two women in the same bed. In court, he obtained indemnity for treason, reparation for moral damages, execution of the nuptial contract that had in its clauses high value stipulated for the one who was unfaithful. Her husband's lawyer justified that her client suffered from compulsive sexual disorder. And she asked the judge to give the divorce sentence and to pay the amount stipulated in the double wedding contract to end the legal dispute. Free from her sex-addicted husband, Julia remarried months after the divorce to a 68-year-old man of age, as not to have to go through what happened with her sex addicted husband. With her new husband, she is now happy, she is expeting expecting Edgar´d ch

Sexuality in Medieval Europe Ruth Mazo Karras 2023-04-03 Now in its fourth edition, Sexuality in Medieval Europe provides a lively account of a society whose attitudes toward sexuality both were ancestral to, and differed from, contemporary ones. The volume is structured not by types of sexual interactions or deviance, but to reflect the difference in gendered experiences when sex is seen as an act one person does to another. Sexual activity, within and outside of marriage, as well as sexual inactivity, had different meanings based on gender, social status, religious affiliation, and more. This book considers these iterations of medieval sexuality in its effort to show there was no single medieval attitude towards sexuality. With an emphasis on Christian Western Europe over the entire course of the Middle Ages, it also includes comparative material on neighboring cultures at the time. Alongside being reworked for further clarity and readability, the fourth edition offers substantial new material on trans scholarship and methodological attempts to recoup a trans past; changes in

the treatment of sex work and its terminology; and new material on Byzantine and Muslim culture. Sexuality in Medieval Europe is an essential resource for all those who study medieval history, medieval culture, and the history of sexuality in Europe.

Illustrated with photographs, Own or Other Culture covers subjects ranging from the author's own boarding school revealing a British exotica and colonial comparisons, to how Gypsies, who treat non-Gypsies as the 'other', act to create or manipulate cultural difference. Feminist anthropology is developed in a reassessment of de Beauvoir and Kaberry while gender and bodily experience is explored in the face of popular demands by women readers for cross-cultural examples.
