**Black Girl In Love (with Herself)** Trey Anthony 2021-01-05 Speaker, writer, and producer Trey Anthony breaks it down, giving black women a relatable voice and personalized "keeping it real" to-do list on how to practice self-love and self-care. Therapy is not just for white women-no matter what your momma told you! After a lifetime of never truly relating to the personal development experts because of the color of her skin, Trey Anthony has written the book she needed to read as a black woman trying to navigate a world filled with unique challenges that often acts like she doesn't exist. On the outside Trey Anthony was the overachieving, reliable, and strong black woman she was raised to be, but on the inside the pressure of sacrificing her own needs to please others was building. When her grandmother and mother raised her strong, they also unknowingly taught her that self-love and expressing emotions were weak, creating an unhealthy dynamic that had Trey facing burnout and rock bottom. In *Black Girl in Love (with Herself)*, Trey breaks down the lessons and tools that she used to heal her life, including how to: Set clear and healthy boundaries-even with the people who raised you Quit being the family ATM Sort out who is a real friend, and who is just there for parties and gossip Confront microaggressions at work without missing a beat Forget who black women are "supposed" to be And fall in love with yourself!

*The Shy Guy's Guide to Talking to Girls (and Having Girls Absolutely Love You for It)* Dominic Mann 2017-06-23 Are you the kind of guy who seems to clam up and become painfully shy around pretty girls? You know how it is. You're perfectly comfortable around your friends and... \*ahem\*... ugly women... .. but as soon as a pretty girl walks by, you just seem to clam up and become painfully shy. It's like you're a whole different person! And it's frustrating as hell! If you wish you could stop being so damn shy around beautiful women and instead start being confident, sexy, and able to charm her socks (and other articles of clothing...) off, then this book will show you how. Learn step-by-step how to go from uncomfortably shy to confident, irresistible lady-charmer In the last year I've been on 60 dates with 60 different girls. Even if you're not a professional mathematician, you can probably agree with me that that's a lot of dates. I'm definitely not the most prolific dater of all time, but I'm definitely not your average wallflower either. At least, not anymore. I used to be terribly shy. If you put me in the same room with a girl I'd clam up and have absolutely no idea what to do. I wouldn't open my mouth if you paid me a million dollars. And I might very well crap my pants on the spot. Which doesn't necessarily make a great first impression. I wrote this book for people like me. People that are great once you get to know them... but have a really hard time with first impressions and talking to new girls for the first time. If you've got a great personality but have a hard time opening your mouth and breaking out of your shell... you're in the right place. This book will show you how to get it on with the ladies totally nail an interaction with any girl. *How to Fall in Love with Anyone* Mandy Len Catron 2018-02-01 In 2014, 33-year-old Mandy Len Catron went on a date with an acquaintance. They decided to try an experiment: inspired by a study designed to create romantic feelings, Mandy and Mark spent the evening asking each other 36 increasingly intimate questions, wondering if it would lead to them falling in love. In *How to Fall in Love with Anyone*, this experiment is Catron's starting point for investigating what it means to love someone and to be loved, and how we present our love to the world. What makes love last? Can love ever work the way it seems to in films, books and social media? Is there a "right" way to fall in love? In these candid, charming and wise essays, Catron blends memoir with cultural and social commentary on the psychology, biology, history and literature of love. *How to Fall in Love with Anyone* is a deeply personal, yet universal investigation into the one thing we all want—or think we want—more than anything. Includes "To Fall in Love with Anyone, Do This", one of the most popular essays to appear in the New York Times' "Modern Love" column "In our age of total romantic confusion, Mandy Len Catron is a voice of good sense, warm humor, and consoling wisdom. **Mad Girl's Love Song** Andrew Wilson 2013-02-05 A new biography of Sylvia Plath, a literary icon who continues to haunt, fascinate, and enthrall even now, fifty years after her death On February 25 , 1956, twenty-three-year-old Sylvia Plath walked into a party and immediately spotted Ted Hughes. This encounter—now one of the most famous in all of literary history—was recorded by Plath in her journal, where she described Hughes as a “big, dark, hunky boy.” Sylvia viewed Ted as something of a colossus, and to this day his enormous shadow has obscured her life and work. The sensational aspects of the Plath-Hughes relationship have dominated the cultural landscape to such an extent that their story has taken on the resonance of a modern myth. Before she met Ted, Plath had lived a complex, creative, and disturbing life. Her father had died when she was only eight; she had gone out with literally hundreds of men, had been unofficially engaged, had tried to commit suicide, and had written more than two hundred poems. *Mad Girl's Love Song* chronicles these early years, traces the sources of her mental instability, and examines how a range of personal, economic, and societal factors—the real disquieting muses—conspired against her. Drawing on exclusive interviews with friends and lovers who have never spoken openly about Plath before and using previously unavailable archives and papers, this is the first book to focus on the early life of the twentieth century's most popular and enduring female poet. *Mad Girl's Love Song* reclaims Sylvia Plath from the tangle of emotions associated with her relationship with Ted Hughes and reveals the origins of her unsettled and unsettling voice.

**The Spanish Love Deception** Elena Armas 2022-02-08 A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic-from NYC and all the way to Spain-for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. *The Spanish Love Deception* is an enemies-to-lovers, fake-dating.

How to Tell If Someone Truly Loves You Femi Ogunjinmi 2020-03-25 Statistics show that about nine-in-ten Americans cited love as a very important reason to get married. Whether you are single, dating or in a relationship, the thought of if someone truly loves you or you are in love comes to mind. We all want to fall in love and get married to someone who feels the same way we feel about them. However, people find it hard to say those three big words (I Love You) we want to hear. The reason for their hesitation varies. They are afraid to be perceived as moving too fast if it's a relatively new relationship, so they don't want to push you away. It could be because they don't want to come off too strong if they cannot tell that you have similar feelings. And some people hold off saying it because they feel like the other person should say it first. Regardless if they are professing their love or hiding it, this book will reveal the signs that convey someone truly loves you and if what you are feeling also is true love. Dr. Femi "Gfem" Ogunjinmi is a global relationship new rule expert, TV host of Dr. Femi Show, United Nation Representative, and author of Revelations of Relationship: What You Don't Know About Finding True Love and Sustaining Relationship. He has been a go-to expert to media outlets like USA TODAY MAGAZINE, FOX NEWS, REWIRE.Org., and STYLECASTER. His signature conference, "Revelations of Relationship Seminar" occurs every year in United State and has been conducted internationally in Nigeria. Dr. Femi is the founder of National Relationship Equity Day, an organization that has created a national awareness day celebrated June 24th of every year. National Relationship Equity Day is dedicated to eradicating gender inequity in relationship and promoting the use of gifts, values, skill sets, and interests as a way of defining roles in relationship other than gender.
