Let's Keep it Real - Maxine Oliver 2014

Let's keep it real is a woman's no-nonsense, no-bullshit guide to achieving relationship happiness. It takes a holistic approach to managing relationships with emphasis on self-confidence and empowerment. It takes a bold look at common pitfalls women make that destine them to being side chicks, booty calls, and second choices. Continue squirting him free milk and he will be in no hurry to buy the cow. For the married women: once he takes that cow home, you better continue producing good quality milk, or that bull will moo-zee on to greener pastures. So enough with giving yourself away at the drop of a pin for nothing or wasting your years away; it is time to claim your worth! You are deserving of all the goodness that life has to offer and together we will get you there. Happiness: Envision it, believe it, live it! **Everything She Wants and Everything He Can Give** - Biokrobo S. Wokoma 2013-05

Of all the questions in life that face man, the one we never seem able to answer is: What do women want? Likewise, women wonder about men, why men are never fully satisfied, and why they want more or just different things. This book assumes that it is still inherently a man's world. It starts by emphasizing the irrefutable value of women, before addressing some of our most common assumptions, problems, and misconceptions about each other. As boys are drawn to their mothers and daughters are drawn to their fathers, the book also draws an obvious link between how we are treated as children and the resulting outcome as adults. Most of all, this book attempts to suggest approaches that will help solve these issues if both parties honestly seek resolutions. Everything She Wants and Everything He Can Give opens doors, but only if we open ourselves to the answers. Biokrobo S. Wokoma is an English teacher and a business communication trainer. He holds a BA in mass

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Underdevelopment, Development and the Future of Africa - Mawere, Munyaradzi 2017-02-10

In view of the resilience of Africa's underdevelopment, what do Africans make of their determined aspirations for development? The continent of Africa has constantly drawn global attention, most especially for both human and natural evils. Underdevelopment, it appears, is one of the most eminent threatening evils. It has plunged and promises to maintain the majority of Africa in abject poverty, insecurity, and vulnerability. What perpetuates the ghost and gory of underdevelopment in Africa, despite a proliferation of development rhetoric and initiatives? How do ordinary Africans react to repeated talk and claims of development with little evidence of transformation for the better in their material circumstances? This book interrogates the tenacity of underdevelopment amid calls for Africa to rise from its slumber and reclaim its position in global affairs as the mother continent of humankind. It contributes to the ongoing debates on why Africa remains trapped in the clutch of underdevelopment many decades after the purported end of colonialism. The book comes at a critical time in human history; a time when the talk on Africa's [under-]development is louder due to the ravages of economic downturns and dysfunctional conflicts. It poses a challenge to development practitioners, civil society activists, statesmen, economists, political scientists and theorists to rethink and reconsider their role as technocrats, experts and ambassadors of positive change in Africa and the world beyond.

Better You, Better Friends - Glenda D. Shaw 2021-09-15

The Social Sex - Marilyn Yalom 2015-09-22

From historian and acclaimed feminist author of *How the French Invented Love* and *A History of the Wife* comes this rich, multifaceted history of the evolution of female friendship. In today's culture, the bonds of female friendship are taken as a given. But only a few centuries ago, the idea of female friendship was completely unacknowledged, even pooh-poohed. Only men, the reasoning went, had the emotional and intellectual depth to develop and sustain these meaningful relationships. Surveying history, literature, philosophy, religion, and pop culture, acclaimed author and historian Marilyn Yalom and co-author Theresa Donovan Brown demonstrate how women were able to co-opt the public face of friendship throughout the years. Chronicling shifting attitudes toward friendship—both female and male—from the Bible and the Romans to the Enlightenment to the women's rights movements of the '60s up to *Sex and the City* and *Bridesmaids*, they reveal how the concept of female friendship has been inextricably linked to the larger social and cultural movements that have defined human history. Armed with Yalom and Brown as our guides, we delve into the fascinating historical

episodes and trends that illuminate the story of friendship between women: the literary salon as the original book club, the emergence of female professions and the working girl, the phenomenon of gossip, the advent of women's sports, and more. Lively, informative, and richly detailed, *The Social Sex* is a revelatory cultural history.

Women Behaving Badly - Alana Munro 2013-02-28

Have you ever been hurt by a woman? Are you fed up with the constant bitching, gossiping and manipulation between the females in your life? Do you want happier and healthier relationships with females? Do you wish to weed out the toxic women and seek out only positive women? If you have ever wondered why some women are complicated creatures this book will offer you straight talking answers. This book will highlight all the strange, controlling and spiteful behaviours that some females specialise in. This book attempts to understand what actually drives women to be cruel or bitchy to each other. It attempts to make sense of the huge expectations women place on each other. How can we avoid toxic women? What bad behaviours should we be looking out for? This book explores every cruel behaviour possible and attempts to understand what is really going on between the females in our life.... ..More about 'Women Behaving Badly', Alana Munro takes us deep into the unnerving yet compelling reality of being a woman, revealing a world where females don't nurture other females. Sharing many deeply personal and shocking tales about bullying, bitching, gossiping, power games, jealousy and much more - Alana explains what each hurtful episode taught her about females. *Women Behaving Badly* shatters our assumption that all women are loving. It ruptures the delusion of sisterhood. It heightens our awareness of what goes on behind the sweet smiles. It liberates women from the emotional and often difficult prison that is womanhood. It exposes the harsh and fickle reality of friendship between women. This book offers us nothing but the truth. Alana argues that the bonds between women are most often too fragile. She also argues that the ideology of sisterhood is optimistic but unrealistic. Women are human beings with profound emotional shortcomings. Alana also looks at how we can weed out the negative women, pin point suspect behaviours and most importantly how to protect yourself from future hurt. "The easiest thing to do is for me to feel upset and retreat to my bed, never trying to make another friend. Or I can dust myself off and learn from my stupid mistakes. I can even try to make sense of the ridiculous injustices thrown in my direction. My goal for this book? Simply to allow other women a chance to become more aware of the cruel games played by some females, allow women the opportunity to pin point hurtful (and often invisible) behaviours and find healthy friendships again". Alana Munro.... ..Testimonials from happy customers. "I found myself wanting to print this eBook out and highlight all the solutions that pertain my current relationships with women." "I woke up this morning after reading your book and actually felt liberated. I am not alone, I am not the only woman who has had so much crap from women, thank you!" "I couldn't take my eyes off it. I could relate to her personal stories about females being so nasty to each other. Really good." "This book outlines what to look for in friends. What behaviours to avoid at all costs. It validated a lot of my pain. I think it is a good balanced approach." "She's not attacking women, she's trying to get to the bones of the bitchy and weird behaviour. Shocking. It is shameful how we can be." More information about *Women Behaving Badly*: ***This book has been professionally edited. It is fully revised and polished for your enjoyment. Ethical Dilemmas in Dance Education - Doug Risner 2020-01-30

The first of its kind, this volume presents research-based fictionalized case studies from experts in the field of dance education, examining theory and practice developed from real-world scenarios that call for ethical decision-making. Dilemmas faced by dance educators in the studio, on stage, in recreation centers and correctional facilities, and on social media are explored, accompanied by activities for humanizing dance pedagogy. These challenges converge from educational policies and mandates developed over the past two decades, including teacher-proof "scripted" curriculum, high-stakes testing, standardization, and methods-centered teacher preparation; difficulties are often perpetuated by those who want to make change happen but do not know how.

Professor Kelli's Guide to Finding a Husband - M. S. W. Kelli Miller

2010-05-22

I know what you're thinking. You hate me. You got a glimpse of my ring and you're pissed. I know your kind because I was once your kind. Every time I saw a happy couple I could feel last night's dinner coming up. When I saw wedding magazines I wanted to take a blowtorch to each one of them. Engagement rings? The only way you could talk to me about Okara's was if you were going to feed one to your pet rabbit. Yes, I was sick. Sick of set-ups, match-ups, and break-ups. I've been on blind dates and I've been on dates where I wish I were blind. But I finally did find Mr. Right. And I'm going to show you how. Through humor, empowerment, and basic common sense clinical social worker "Professor Kelli" instills confidence in women, makes them laugh at their situation (or the men they've dated), and teaches them the process of letting go and staying present. Sure, it's about finding a husband but it's more about finding you first.
