**Why Men Marry Some Women and Not Others** - John T. Molloy 2008-12-14

**Married Men Die First** - Phillip Greenspan  
2013-10-03

Statistics show that, on average, married men kick the bucket five years before being joined by their loving wives and embarking on an eternity full of conversations, like in their marriage, about feelings. Combining whimsical humor with practical scientific theory, "Married Men Die First: A Blessing," casually encounters a diverse range of topics and stories in establishing a surprising amount of support for the titled theory. The illogical thoughts, uncontrollable emotions, and insane behavior that are the foundation of modern marriage and the slow killer of all married men are showcased through historical events, unbelievable but true stories, and eye witness accounts. From men preferring a cellmate over their wife to women who have forgotten more ways to kill with butter than any inmate has ever known, the tales examined are nothing more than others acting out the type of thoughts we've all let creep into our minds at least a few times during marriage. These accounts are combined with author commentary and sub-hypotheses that creatively connect dots that make the outlandish seem practical, and the practical, well, something that died with, "I do." While the tidbits, stories, history and statistics link together to support the book's overarching theory, it is the exploration into the intricacies of the thoughts, feelings, and resulting actions of those in love that will have the reader cracking the guiltiest of smiles. This humorously insightful look into marriage is topped off with the introduction of a practical new approach to the joining of unions that will change the way you think about marriage, and make you wish you had the balls to broach the subject with your spouse.

**How to Be a Good Wife and Keep Your Husband Happy** - Mary Beth LeRoux

2015-04-06

There's no question as to the importance of a man keeping his wife happy (AKA the "happy wife = happy life" (theory), but let's not forget that in marriage, it takes two to tango. We are only one half of the equation, and the person we married is the other half: our husbands. And in order to have a happy marriage, both sides of the equation need to be balanced. Oddly enough, in many cases of broken marriages, wives reported to have been taken completely by surprise. They never even suspected their husband to be unhappy until the day he asked for a divorce. It's important that you try to stay in tune with your husband's emotional wellbeing so as to avoid such a scenario. Taking care of our marriage is not merely about keeping our husbands happy, but it's also about keeping our family intact. When marriages are broken, children are also affected. This is yet another reason to keep your husband's happiness on your radar, and make sure you treat him as a priority. Of course being a good wife requires a lot of effort, especially the type of effort you must exert, for example, to hold your tongue or to change your way of thinking. But once you persevere and you begin to feel the positive changes take place in your marriage, chances are you will feel even more invigorated and energized than you've ever felt before. This book is for all the strong women out there who are willing to take the necessary steps for the betterment of their marriage and family, knowing that it may not always be easy. If you apply the principles divulged in this book, I guarantee that you will love being married again, and that your husband will feel like a very lucky man. Let's get started!

**When a Man Loves a Woman** - Elizabeth Cooks 2020-03-15

\*When a Man Loves a Woman-The World will know when a Man truly Loves a Woman; Oh yes, the World will know. He does not have to say one word. His actions will prove his Love for his Woman. The purpose of this book is to share our experiences and share, what should happen, and what it feels "When a Man really Loves a Woman", God's way. I have been in a few relationships in my life; some good, some not so good. But not many where I really felt truly loved. Between two husbands, I was married for a total of 38 years. Most of my adult life was devoted to being a wife and mother, two positions that I took very seriously. I must say that being married at 20 years old was a learning experience for me. At that time, I knew very little about how to be a good wife or mother. I saw my mother do the best she could do. She taught me how to cook, clean and have respect for myself and others. So here I was, a young Mother and Wife, it was either "Sink or Swim". I decided to swim. I was raised to be a fighter and Mama taught me, that nothing beats a Failure but a Try... So, I tried. Falling many

times, but I did the best I knew how to do. That's where the problems come in. We try, without asking for God Devine Guidance. I was talking to one of my cousins a while ago, about the union of Marriage and she reminded me that, marriage doesn't always mean that two people love each other; which is so true. Thanks for reminding me of that Cousin. There are a lot of married couples, who are not in Love with each other. They did not nurture their Love (take care of or encourage it to grow), so it died. Some are just married for convenience. Just going through the motions, living in unhappy relationships day after day. Sleeping in separate rooms, Barely speaking to one another. waiting for the children to get grown, so they can get a divorce. We talking to somebody. Love has to be developed and nurtured. If you plant the right seeds, Love can grow over time into a Beautiful Relationship between a Man and a Woman. Don't give up on Love. But it must include God, it takes three).Down through the years, I learned what it feels like to be loved and to be unloved. I think with my 1st husband, may God rest his soul, I loved him more than he loved me. We both thought we loved each other in the beginning, but we both were young and did not know how to nurture our love and instead of growing together, we grew apart and our love for each other slowly died. For many years I was angry and blamed him for our broken marriage, but as I gain more Wisdom, I understand that it was not all his fault. Even though, I did the best I knew how to; I was still missing the mark. Ladies, It's good to love a man, but it's so much sweeter - when a man loves you more than you love him, Right. Because if a man loves you more, he will give his all to make you happy. He keeps him looking for ways to please you and make you love him more. Sometimes, when we as women give 75% and he is only giving 25%, a man can easily take your love for granted, and become spoiled and content. Love is not 50/50. We believe, When a Man Loves a Woman, he should give 100%.

*Getting Relationships Right* - Melanie Joy 2020-01-29

Relationships are complicated. Yet it's an unfortunate reality that while most of us have to learn complex geometry that we'll probably never use, we don't get a single formal lesson in

how to relate to others. In this one-stop guide, psychologist Melanie Joy reveals the common psychological dynamics that underlie all kinds of relationships—with a romantic partner, friends, family members, colleagues—in short, with anyone in any situation. Understanding these dynamics will help you make all your relationships healthier and more resilient.

Relationships are like bodies: they get sick when their immune system is weaker than the germs that stress them. Drawing on the most relevant research as well as on her own extensive experience as a psychologist, Joy explains how to strengthen your relational immune system to resist not only interpersonal stressors but also largely invisible yet potentially devastating societal stressors like racism and sexism. With this understanding, you can cultivate relationships that consistently reflect core moral values and honor the dignity of everyone involved. Resilient relationships are not only a source of joy and fulfillment for those who are in them, they also support the thriving of the organizations and communities of which we all are a part.

Whom Not to Marry - Pat Connor 2010-04-27  
The new single woman's Bible that shows how to distinguish Mr. Right from Mr. Right Now Father Pat Connor knows marriages. Having presided over more than two hundred weddings and conducted pre-marriage and marriage counseling for more than forty years, he's something of an expert. And now he is sharing his wealth of experience with women everywhere on the subject of Whom Not to Marry. Father Pat's philosophy is simple: A love affair may lead to marriage, but love itself cannot make a marriage work. That's why it's important to weed out the bad seed's before you fall in love. Sounds easy enough, but in the early stages of romance, when infatuation trumps judgment, it can be difficult to see the flaws in your mate and to think rationally about your future. That's where this book comes in. A heavenly how-not-to, Whom Not to Marry offers timely and time-honored advice such as: Never marry a man who has no friends, for he won't be capable of the intimacy that marriage demands. Never marry a man who isn't responsible with cash. Most marriages that flounder do so because of money, a case of 'til debt do us part. Never marry a man who lets you walk all over him. It's good to have a doormat in the house, but not if it's your husband. Life may seem random, but there are many things you can do to make sure your life partner is the right one. It all starts with being honest with yourself. Use your good judgment, Father Pat counsels. Know what you want. Know who is worth loving and who is worth marrying. Once you can do that, you'll stand a much better chance of living happily ever after.

[Why Do I Have To Think Like A Man?](#) - Shanae Hall 2014-01-28

Written as a poignant response to the male-tainted advice in Steve Harvey's bestselling relationship hit *Act Like A Lady, Think Like A Man*, this revised and updated book is a fitting rebuttal on men, sex, relationships and women getting what they really "reeeeally" want. As a current CBS Personality on Atlanta's V103 and Former Sirius Radio host on Jaime Foxx's 'Foxxhole', former NFL wife Shanae Hall does not shy away from the difficult conversations in life. In her own funny, fresh, and bold way Shanae prides herself in telling it like it is. In *Why Do I Have to Think Like a Man?*, which is co-written with her mother Rhonda Frost, the two women hilariously chronicle their experiences of marriage, divorce, and the dating pool, which has included bad boys, professional athletes, 'the nice guy,' the married guy, and powerful businessmen.

*Being The Other Woman* - Petra Falk 2009-04-08  
Almost half of all married men, and slightly fewer married women, admit to having had at least one affair. This is the book for the woman who finds herself involved with such a married man! This is absolutely not a "how to become a mistress" book. It offers help to those who are already finding themselves in this situation so everyone involved survives the experience as unharmed as possible under the circumstances, especially the "Other Woman" herself. Insightful, at times funny, and always straight to the point, this book is a "must read" for every "Other Woman!" And let us not forget that there is a betrayed wife and a cheating husband for every Other Woman. This book would be an eyeopener for many of those, too.
