As the two fall fiercely in love, Jase's family makes Samantha one of their own. Then in an instant, the bottom drops out of her world and she is suddenly faced with an impossible decision. **The Boy Next Door** - Jennifer Sucevic 2021-03-12

From USA Today bestselling author, Jennifer Sucevic, comes a sexy, new stand-alone novel. I've spent more years than I care to admit crushing hard on Colton Montgomery. The blond, blue-eyed hottie leaves a trail of broken hearts in his wake wherever he goes. Mine being one of them. Just when I'd decided to cut my losses and move on, he appeared out of nowhere and swept me off my feet. It had all seemed like a fairytale until he dumped me. Through text message, no less. Ouch. Eighteen months and one study abroad program later, I've returned to Wesley University to finish out my senior year. And Colton? He's nothing more than a regrettable mistake I'd prefer to forget. Or so I tell myself. It only takes one run-in to realize that my feelings for him aren't as dead and buried as I'd thought. Nope, they're still there, simmering dangerously beneath the surface. He wants a second chance to make things right. That's not going to happen. But Colton has other ideas. And part of me is afraid that if he actually puts his mind to it, he'll end up changing mine. --- "The chemistry was undeniable, it was like fireworks" -Lucy, GoodReads "Alyssa and Colton had hella hot chemistry; when they were together, nothing else mattered" -Caroline, GoodReads "This book is a page turner, and had me swooning over Colton" -Stevie, GoodReads "Colton and Alyssa's story takes you on a full amazing journey. Loving Out of Time - Dorothy Callahan 2015-06-03

A cowboy loving an Indian— an inconceivable thought to an 1898 Oklahoma man. But when a ranch hand falls through a time travel portal and lands in an Indian’s backyard, she battles her pride to help him while he battles his prejudice about being in an interracial relationship. Having a friend in the quantum physics field makes Anya Littlefeather slightly more receptive to Cody Bell’s claim that his horse tossed him from 1898 into her backyard of 2013. He certainly seems to be an honest-to-God— albeit prejudiced— handsome cowboy who is utterly surprised by the established neighborhood where he claims his family farm once stood. He’s a drifter, and Anya has too many abandonment issues with men to even consider dating someone who already breaks two of her four relationship requirements. This frees Anya to help Cody as one human does another, and not worry about the possibility of dating. Cody had been racing home with medicine to save his niece’s life when his horse tossed him into this magical place. This Indian squaw confuses him, for she doesn’t act the way his grandfather spoke of them during the Indian/Settler Wars, and she’s courteous and helpful and respects him as a man. Her offer to help get him home seems genuine, and he fears every day spent in this amazing land jeopardizes the life of his beloved niece. The last woman he loved died, and that scar makes him hesitant to love again, regardless of his attraction. As the time draws near for the next portal to open, Cody has to decide whether to go save the life of the last of his family, or stay here and start a new one. Anya has to either add one more abandonment issue to her list when he goes home, or ask Cody to let his niece perish and stay with her forever.

Lover Next Door - Marie Hayle

Le plus sensuel des paris. Charlie est tatouée, lumineuse et ne se laisse impressionner par personne. Liam, son nouveau voisin, est sexy, arrogant, canon... et il la rend dingue ! Il la taquine, lui colle ses conquêtes sous le nez, bousille son ordinateur à cause d'un accident de café... La cerise sur le gâteau ? C'est lui qui va l'accompagner pour son prochain reportage. Cinq jours ensemble sans s'écharper ni se sauter dessus ? Pari tenu ! \*\*\* Ses mains en coupe autour de mon visage, il me fait basculer et je me retrouve allongée sous cet homme fort et sexy. Mes mains tentent vainement de s'agripper au sable tandis qu'il s'amuse à jouer avec mes nerfs et à embrasser mon cou comme si sa vie en dépendait. Il lèche la peau si sensible sous mon oreille et crée en moi le manque de sa bouche sur la mienne. Je l'embrasse à mon tour, histoire de lui montrer que la réciproque de son désir est vraie. Je le goûte, le titille, lui mords même la lèvre, emportée dans mon élan et incapable de refréner ce désir animal qu'il fait naître en moi. Il grogne dans mon cou et c'est le son le plus sexy qu'il m'ait été donné d'entendre. Un signal sonore qui fait immédiatement réagir mon bas-ventre. Je n'ai jamais eu autant envie de quelqu'un qu'à cet instant. - Dis-moi d'arrêter, me supplie-t-il d'une voix rauque. Pour toute réponse je me redresse sur mes coudes et enfouis ma tête dans son cou. L'esprit de contradiction, moi ? Jamais... Son odeur me fait tourner la tête et je sème des petits baisers de la base de ses oreilles à sa clavicule. Il laisse échapper un nouveau gémissement aussi sexy que tout à l'heure. En équilibre au-dessus de moi, sur ses avant-bras musclés, il plonge alors son regard dans le mien et murmure : - On déconne... - À plein pot, affirmé-je en mordillant ma lèvre inférieure, mais en ne quittant pas sa bouche des yeux. - Je te désire comme un fou, mais tout ça ne serait rien de plus qu'une aventure éphémère... vraiment. \*\*\* Lover Next Door, de Marie Hayle, histoire intégrale.
