**Toward a Psychology of Awakening** - John Welwood 2002-02-12

How can we connect the spiritual realizations of Buddhism with the psychological insights of the West? In *Toward a Psychology of Awakening* John Welwood addresses this question with comprehensiveness and depth. Along the way he shows how meditative awareness can help us develop more dynamic and vital relationships and how psychotherapy can help us embody spiritual realization more fully in everyday life. Welwood's psychology of awakening brings together the three major dimensions of human experience: personal, interpersonal, and suprapersonal, in one overall framework of understanding and practice.

**The Adult Chair** - Michelle Chalfant 2018-03-02

The Adult Chair is more than a book, or a tool, or a process. It is an entirely new way to see your world, your relationships, your career, and your life.

*Journey of the Heart* - John Welwood 1996-01-05

As men and women find that they can no longer rely on old roles and formulas to get along, intimate relationships call for a new kind of honesty and awareness, a willingness to let go of old patterns and cultivate new capacities. *Journey of the Heart* shows how we can rise to this challenge by learning to use whatever difficulties we face in relationships as opportunities to expand our sense of who we are and deepen our capacity to connect with others. This is the path of conscious love.

**I Love Jesus, But I Want to Die** - Sarah J. Robinson 2021-05-11

A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

*Pure Healing* - Aja James 2017-11-08

\*\*\* 2018 Reader's Favorite Finalist \*\*\* Enter the world of Pure Ones, a race of immortal, supernaturally powerful beings who protect humankind, where sexual intercourse with anyone other than one's Eternal Mate leads to a slow, painful death within thirty days. The Healer of the race, Rain, is the only exception to this rule. To harness and accumulate enough energy to heal severe wounds, especially as the war between her people and the vampire hordes accelerates, she must take a Consort once every ten years and draw strength from his blood and body. But as the war wears on, few Pure-males who are strong enough to serve as her Consort remain. Valerius, Protector of the race, is the strongest candidate. Despite their instant attraction ten years ago when they first met, Valerius has staunchly avoided applying to be the Healer's Consort. The brutality and violence he suffered as a Roman sex slave in his human life ate away at his soul, leaving a dark abyss of torment and self-doubt. Now, as Rain's strength drains with every healing act, Valerius cannot escape the fact that he may be the only one who can save her, and in so doing, afford his people greater hope for the future as battles intensify. Will Rain and Valerius find their way to each other as the struggles between good and evil evolve? \*\*\* Trigger Warning \* Sexual Abuse. \*\*\*

*Silver Scars* - Posy Roberts 2015-06-22*Perfect Love, Imperfect Relationships* - John Welwood 2005

This book offers fresh and penetrating insight into what really makes relationships go wrong. Welwood explains that many of us carry around an unaddressed emotional wound he calls 'the wound of the heart' - a

deep-seated, unconscious belief that we are not loved or lovable as we are. This core wound must be examined and healed before successful relationships are possible, and this book shows us how. PERFECT LOVE, IMPERFECT RELATIONSHIPS is written in a fresh, lyrical, literary style that honours the complexity, subtlety, and sacred depth of love itself. Welwood's simple message is presented in a short book that is accessible, inspiring, and free of gimmicks and psychological jargon. The book also includes practical exercises for healing the wound of the heart.

*Integral Relationships: A Manual for Men* - Martin Ucik 2010-08**Be the Person You Want to Find** - Cheri Huber 1997

This guide to self-discovery through intimate relationships offers a spiritual perspective on healing childhood wounds and destructive patterns that are learned early on and later cause relationship dysfunction in adulthood.

*Journey of the Heart* - John Welwood 1995**The Great Heart Way** - Ilia Shinko Perez 2013-02-08

Self-compassion. Positive social relations. An enduring sense of freedom and peace. They're essential parts of our everyday lives, or should be. But each of us struggles with difficult emotions and mental blockages: we might lash out when we should know better, or regress in negatively familiar situations, or struggle with our confidence. These types of problematic reactions occur--and recur--when we're unkind to and negligent of our inner selves. The Great Heart Way offers us all a way to heal inner wounds and transform our difficult emotions. Anyone can try it, and everyone should. Using clear language and personal anecdotes, The Great Heart Way shows how to follow the Great Heart Method, an efficacious program for healing and self-fulfillment. The Method is easily incorporated into busy schedules (it can take less than 30 minutes per day), and is accessible to all, regardless of spiritual background. The Great Heart Way gives readers the tools to safely work through uncovered emotional pain and establish a healthier, happier and well-balanced way of thinking.

*The Complicated Heart* - Sarah Mae 2019-09-17

How do you forgive when the wound is still open? People often ask Sarah, "How did you forgive your alcoholic mother?" How do you forgive someone who carelessly brushed aside your pain, who caused such destruction, and who doesn't show remorse? How do you know when to stay and when to go? In *The Complicated Heart*, you will travel through Sarah's story with her, from age 14 and beyond, as she wrestles with these very questions. Prepare yourself: she holds nothing back. If you've struggled with a difficult relationship, if you've felt torn-up and crazy and confused because of it, if you just want to know how to move forward and be okay, this story is for you. Dysfunction does not have to be your destiny or your identity. Victory is on the table. What's more: you'll not only travel with Sarah, you'll travel with her mom as well as you read her mom's journal entries and letters. What goes on in the mind of the person who hurt you the most? In this story, you'll get a rare peek into that mind and heart. In these pages you'll be reminded that light always finds a way in, even in the deepest darkness, and redemption and joy are possible in the midst of trauma and unmet needs. If you want to learn how to forgive when your wound is still open, heal when circumstances don't change, and become a generational bondage-breaker, *The Complicated Heart* is for you. And if not for you, for someone you know. Pass it along.

**Love for Imperfect Things** - Haemin Sunim 2019-01-24

A beautiful guide for learning to love ourselves, from the author of the internationally bestselling *The Things You Can See Only When You Slow Down* No one is perfect. But that doesn't stop us from imagining ourselves smarter, funnier, richer, or thinner, and how much happier we would then be. *Love for Imperfect Things*, by the bestselling Korean monk, Haemin Sunim, shows how the path to happiness and peace of mind includes not only strong relationships with others, but also letting go of worries about ourselves. Packed with his typical spiritual wisdom, Sunim teaches us to embrace our flaws rather than trying to overcome them, and demonstrates that love has very little to do with perfection. With chapters on self-compassion, relationships, empathy, courage, family, healing, our true nature, and acceptance, as well as beautiful full-colour illustrations, *Love for Imperfect Things* is a much-needed guide for learning to love

ourselves - imperfections and all. \_\_\_\_\_ 'Universal truths, beautifully expressed, lovingly illustrated . . . this is a book to keep close at hand' - Mark Williams, co-author of 'Mindfulness: Finding Peace in a Frantic World', on 'The Things You Can See' 'A remarkable gift, a compendium of practical wisdom. It is accessible brilliance' - Allan Lokos, founder and guiding teacher, Community Meditation Center, NYC, on 'The Things You Can See'

*Poems of Love and Awakening* - John Welwood 2015-04-27

John Welwood is a psychotherapist, writer, and teacher specializing in integrating Eastern spiritual wisdom and Western psychology, and has studied Buddhism and Eastern contemplative psychologies for more than forty years. He has published eight books, including *Journey of the Heart: The Path of Conscious Love*, *Toward a Psychology of Awakening*, and *Perfect Love, Imperfect Relationships: Healing the Wound of the Heart*, which was the winner of the Books for a Better Life Award. John's book of poems gives voice to his personal experience of love as well as spiritual realization, insight, awe, and devotion.

**Love Unveiled** - A. H. Almaas 2020-03-23

A passionate and deep exploration of how love is essential to our spiritual growth and development, from beloved author and teacher A. H. Almaas. Love is a universal energy--and a primary force that powers our movement toward spiritual illumination. All the ways we need love are simply reflections of our need for spiritual growth. In *Love Unveiled*, A. H. Almaas explores three dimensions of love: appreciative love--the true liking of somebody or something; merging or connecting love--a force that melts away separateness; and passionate, ecstatic love--capable of consuming us from inside. In their own way, each reveals the beauty and exquisiteness of our spiritual heart, which is the heart of the divine. However, the path of spiritual love is not without challenges. Almaas explores the barriers that tend to block our experience of loving awakening and provides experiential exercises throughout the book to help readers along their path. The exercises focus on the obstacles or misunderstandings that commonly arise for each quality or dimension of love. Presented in the form of writing or monologuing prompts, readers can work independently or in small groups to confront the emotional obstacles on their spiritual path. Regardless of where you are on your path, *Love Unveiled* will help you explore love in three essential dimensions and gain a deeper connection to yourself.

**Awakening the Heart** - John Welwood 1983-11-12

Can a meditative practice assist and promote the healing relationship between psychotherapist and patient? The notable contributors to this practical book draw on a wide range of Eastern and Western disciplines—psychoanalysis, Gestalt, Aikido, and various Christian, Hindu, and Buddhist contemplative traditions—to show that it can. What they propose is a meeting between the Western psychotherapeutic approach—grounded in working with the personal problems and the need to carve out a strong awareness of self—and Eastern tradition, which emphasizes a larger kind of awareness and equanimity as a continuously available source of clarity and health for those who know how to find it. They show that joining psychotherapy with meditation can mutually awaken the hearts of both therapist and client,

sparking them both to open more fully. Jacob Needleman, Erich Fromm, Robin Skynner, Ram Dass, Karl Sperber, Roger Walsh, Chögyam Trungpa, and Thomas Hora are among the contributors.

*JOURNEY HEART PB* - John Welwood 1991-08

Today's men and women are discovering that the old roles no longer work, that intimate relationships call for a willingness to release old patterns and cultivate new powers of sensitivity and awareness. In *Journey of the Heart*, John Welwood reveals a new approach to intimate relationships and self-disc overy.

**Perfect Love, Imperfect Relationships** - John Welwood 2005-12-27

While most of us have moments of loving freely and openly, it is often hard to sustain this where it matters most—in our intimate relationships. Why if love is so great and powerful are human relationships so challenging and difficult? If love is the source of happiness and joy, why is it so hard to open to it fully and let it govern our lives? In this book, John Welwood addresses these questions and shows us how to overcome the most fundamental obstacle that keeps us from experiencing love's full flowering in our lives. *Perfect Love, Imperfect Relationships* begins by showing how all our relational problems arise out of a universal, core wounding around love that affects not only our personal relationships but the quality of life in our world as a whole. This wounding shows up as a pervasive mood of unlove—a deep sense that we are not intrinsically lovable just as we are. And this shuts down our capacity to trust, so that even though we may hunger for love, we have difficulty opening to it and letting it circulate freely through us. This book takes the reader on a powerful journey of healing and transformation that involves learning to embrace our humanness and appreciate the imperfections of our relationships as trail-markers along the path to great love. It sets forth a process for releasing deep-seated grievances we hold against others for not loving us better and against ourselves for not being better loved. And it shows how our longing to be loved can magnetize the great love that will free us from looking to others to find ourselves. Written with penetrating realism and a fresh, lyrical style that honors the subtlety and richness of our relationship to love itself, this revolutionary book offers profound and practical guidance for healing our lives as well as our embattled world.

**Love and Awakening** - John Welwood 1996

Combining practical advice (like that of Harville Hendrix) with spiritual teaching (like those of Thomas Merton), the bestselling author of *Journey of the Heart*, *Challenge of the Heart*, and *Awakening the Heart* creates an extraordinary book about the sacred power of intimate relationships.
