Pretend It's Love - Stefanie
London 2015-09-28

Bar manager Paul Chapman is sick of his family's traditional ideals. Marriage, babies, and a white picket fence? Not his gig. But now that his 'golden child' big brother is tying the knot, Paul's screwed. His ex will be there...and she's having his cousin's baby. Unless he wants to show up to the wedding alone and face his family's scrutiny, he needs a girl on his arm. Now. Cocktail specialist Libby Harris has spent her life earning the nickname Little Miss Perfect, all to win the love of her wealthy, controlling father. But she deviated from his plan, and now her business is on shaky ground. If it fails, she might as well kiss his respect-and her dream-good-bye. Her only hope? Convince the hottest bar in town to take on her product. Luckily for her, the owner's brother is sexy as

sin and in need of a perfect girlfriend... Each book in the Behind the Bar series is a standalone, full-length story that can be enjoyed out of order. Series Order: Book #1 The Rules According to Gracie Book #2 Pretend it's Love Book #3 Betting the Bad Boy *It's Hard to Pretend You Love Someone when You Don't, But It's Harder to Pretend that You Don't Love Someone when You Really Do.* - Lek Journal

PRETENDING - Adrian

Gabriel Dumitru

All my writings are kind of a ... self therapy And i was writing on and on and on defining my feelings and thoughts ... But it was a little bit funny realizing the contradiction between what i thought, what i felt deep inside of my soul ... and how i was acting on the stage of life. ... analyzing and defining myself ... the one that i thought i was ... deep into my soul ... and the one from the outside world ... i was realizing it's such a huge difference. And still ... i was trying to be better ... but all i was doing was ... pretending ... on and on and on. But why?! Why ... this huge different between my inner self and the one from the stage of life?! I knew the theory ... and

knew all i had to do ... and i was really pretending ... i was doing the right thing, but ... Well most probably my real problem ... which was a huge one was probably that i was disconnected from my inner self. I knew about that self. I knew it exists ... and i had to be one with it ... and even if i was pretending i was doing the right thing ... it was all a lie. I was lying myself ... pretending ... on and on and on ... Why?! Why?! Why?! Until one day ... when i decided that i need to stop doing that ... and practicing the process of self therapy ... i started to be more honest in front of myself. Cause ... I was simple ... wasting my life ... pretending ... and i really had to redefine myself.

Touch and Go - D. H. Lawrence
2022-06-02

"Touch and Go" by D. H. Lawrence is a play in three acts. The story is about the real struggles of labor and capital. Labor not only wants his debt. He wants his pound of flesh. It is a quandary. In our hearts of hearts, we must admit the debt. We must admit that it is long overdue. But this last condition! In vain we study our anatomy to see which part we can best spare.
