Men at Arms - Evelyn Waugh 2021-08-31

Join the journey of Guy Crouchback, the protagonist of Evelyn Waugh's 'Men at Arms'. As the heir to a declining English Roman Catholic family, Guy retreats from the world following the collapse of his marriage, seeking solace in Italy. However, with the onset of the Second World War, he decides to return to England, driven by a deep conviction that the encroaching forces of modernity pose a tangible threat. Enlisting in the Royal Corps of Halberdiers, Guy navigates the chaos and absurdity of military training and deployments across Britain.

A Frozen Woman - Annie Ernaux 2020-05-19

WINNER OF THE 2022 NOBEL PRIZE IN LITERATURE A Frozen Woman charts Ernaux's teenage awakening, and then the parallel progression of her desire to be desirable and her ambition to fulfill herself in her chosen profession - with the inevitable conflict between the two. And then she is 30 years old, a teacher married to an executive, mother of two infant sons. She looks after their nice apartment, raises her children. And yet, like millions of other women, she has felt her enthusiasm and curiosity, her strength and her happiness, slowly ebb under the weight of her daily routine. The very condition that everyone around her seems to consider normal and admirable for a woman is killing her. While each of Ernaux's books contain an autobiographical element, A Frozen Woman, one of Ernaux's early works, concentrates the spotlight piercingly on Annie herself. Mixing affection, rage and bitterness, A Frozen Woman shows us Ernaux's developing art when she still relied on traditional narrative, before the shortened form emerged that has since become her trademark.

When You Were Mine - Rebecca Serle 2012-05-01

From the New York Times bestselling author of In Five Years comes an intensely romantic modern recounting of the greatest love story ever told—narrated by the girl Romeo was supposed to love. Rosaline knows that she and Rob are destined to be together. Rose has been waiting for years for Rob to kiss her—and when he finally does, it's perfect. But then Juliet moves back to town. Juliet, who used to be Rose's best friend. Juliet, who now inexplicably hates her. Juliet, who is gorgeous, vindictive, and a little bit crazy...and who has set her sights on Rob. He doesn't stand a chance. Rose is devastated over losing Rob to Juliet. And when rumors start swirling about Juliet's instability, her neediness, and her threats of suicide, Rose starts to fear not only for Rob's heart, but also for his life. Because Shakespeare may have gotten the story wrong, but we all still know how it ends.

Singing to the Lyre in Renaissance Italy - Blake Wilson 2019-11-21

The first comprehensive study of the dominant form of solo singing in Renaissance Italy prior to the mid-sixteenth century.

Kushiel's Dart - Jacqueline Carey 2011-07-06

Winner of the Locus Award for Best First Novel. 'Rich, intricate worldbuilding meets swoonworthy romance. . . Phèdre and Joscelin's story is the beating heart of every romantasy to follow' Olivie Blake Servant. Seductress. Spy. All Phèdre no Delaunay has known is a life of servitude - until now. When her bond is purchased by a nobleman, Anafiel Delaunay, he transforms her into a charming courtesan and skillful spy. He's also the first to recognize what she is: one touched by the god Kushiel's dart, chosen to forever experience pain and pleasure as one. But when Phèdre uncovers a plot that threatens the very foundations of her homeland, she's thrown into a world of deadly courtiers, heroic traitors and one truly Machiavellian villainess. Her journey will take her to the edge of despair and beyond. For false friends, loving enemies and beloved assassins all wear the same glittering masks - and Phèdre will get but one chance to save all that she holds dear. 'Sophisticated fantasy, intricately plotted and a fascinating read' Robert Jordan 'Superbly detailed . . . sometimes unbearably intense' Kirkus Reviews 'Brilliant and daring . . . an assured and magnificent book' Publishers Weekly Kushiel's Dart is an intoxicating fantasy of intrigue, betrayal and desire - perfect for fans of Sarah J. Maas and Jennifer L. Armentrout. Continue the journey with Kushiel's Chosen by Jacqueline Carey.

Unconditional Surrender - Evelyn Waugh 1961*Lionel Asbo* - Martin Amis 2012-06-07

Lionel Asbo has just won £139,999,999.50 on the Lottery. A horribly violent, but horribly unsuccessful

criminal, Lionel's attentions up to now have all been on his nephew, Desmond Pepperdine. He showers him with fatherly advice ('carry a knife') and introduces Des to the joys of internet porn. Meanwhile, Des desires nothing more than books, a girl to love and to steer clear Uncle Li's psychotic pitbulls, Joe and Jeff. But Lionel's winnings are not necessarily all good news. For Des has a secret, and its discovery could unleash his uncle's implacable vengeance. 'One of Amis's funniest novels' New Yorker 'A book that looks at us, laughs at us, looks at us harder, closer, and laughs at us harder and still more savagely' Observer

Officers and Gentlemen - Evelyn Waugh 2012-05-31

Guy Crouchback is now attached to a commando unit undergoing training on the Hebridean isle of Mugg, where the whisky flows freely and HM forces have to show respect for the laird. But the comedy of Mugg is followed by the bitterness of Crete.

Dialogue Interpreting - Ian Mason 2014-04-23

Dialogue interpreting includes what is variously referred to in English as Community, Public Service, Liaison, Ad Hoc or Bilateral Interpreting - the defining characteristic being interpreter-mediated communication in spontaneous face-to-face interaction. Included under this heading are all kinds of professional encounters: police, immigration and welfare services interviews, doctor-patient interviews, business negotiations, political interviews, lawyer-client and courtroom interpreting and so on. Whereas research into conference interpreting is now well established, the investigation of dialogue interpreting as a professional activity is still in its infancy, despite some highly promising publications in recent years. This special issue of *The Translator*, guest-edited by one of the leading scholars in translation studies, provides a forum for bringing together separate strands within this developing field and should create an impetus for further research. Viewing the interpreter as a gatekeeper, coordinator and negotiator of meanings within a three-way interaction, the descriptive studies included in this volume focus on issues such as role-conflict, in-group loyalties, participation status, relevance and the negotiation of face, thus linking the observation of interpreting practice to pragmatic constraints such as power, distance and face-threat and to semiotic constraints such as genres and discourses as socio-textual practices of particular cultural communities.

A History of Celibacy - Elizabeth Abbott 2001

Joan of Arc was one. So was Sir Isaac Newton. A monk vows to be one. A prisoner has no choice. History tells of many avowed celibates, and today's society reflects a renewed interest in celibacy. But what causes people to give up sex, the very activity that drives, fascinates, troubles, and delights so many of the rest of us? Elizabeth Abbott's exploration of celibacy debunks the traditionally held notion that celibacy is a predominantly religious concept of little concern to the secular world. Chosen or imposed for myriad reasons, celibacy actually is a practice that reveals a host of telling insights about our sexual desires and drives, as well as our changing attitudes toward religion, gender, and physical health. A History of Celibacy humanises celibacy through the ages, from the vestal virgins of ancient Rome who were entombed alive if they broke their vows, to contemporary athletes who conserve semen to enhance their game. While most people associate institutional celibacy with Catholicism, Abbott shows how virtually every culture and religion through history has incorporated it in some form. Her examples range from Judaism's rules regarding abstinence during menstruation to Hinduism's forced celibacy for widows. Written from a feminist perspective, the book paints a dual portrait of celibacy as both emancipator and enslaver of women and the poor. Yet the book's focus is not solely on women. It recounts for instance the forced castration of Italy's young male sopranos, and tells why impoverished Chinese boys and men became eunuchs for the Emperor. The extremes to which people will go to abstain from sexual activity or to prevent others from having sex is an intriguing thread through a serious book.

The Light Years - Elizabeth Jane Howard 2018-07-12

Elegantly constructed and told with exceptional grace, *The Light Years* is a modern classic of twentieth-century English life and is the first novel in Elizabeth Jane Howard's extraordinary, bestselling family saga *The Cazalet Chronicles*. Every summer, the Cazalet brothers - Hugh, Edward and Rupert - return to the family home in the heart of the Sussex countryside with their wives and children. There, they are joined by their parents and unmarried sister Rachel to enjoy two blissful months of picnics, games, and excursions to the coast. But despite the idyllic setting, nothing can be done to soothe the siblings' heartache: Hugh is haunted by the ravages of the Great War, Edward is torn between his wife and his latest infidelity, and

Rupert is in turmoil over his inability to please his demanding wife. Meanwhile, Rachel risks losing her only chance at happiness because of her unflinching loyalty to the family. With cover artwork exclusively designed by artist Luke Edward Hall, this will be an edition to treasure. The Light Years is followed by Marking Time, the second book in the series. 'Charming, poignant and quite irresistible . . . to be cherished and shared' - Times

The End of the Battle - Evelyn Waugh 2022-08-16

DigiCat Publishing presents to you this special edition of "The End of the Battle" by Evelyn Waugh. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Nineteenth-Century Opera and the Scientific Imagination - David Trippett 2019-08-22

Explores the rich and varied interactions between nineteenth-century science and the world of opera for the first time.

Franny and Zooey - J. D. Salinger 2019-08-13

A sharp and poignant snapshot of the crises of youth - from the acclaimed author of *The Catcher in the Rye*. 'Everything everybody does is so - I don't know - not wrong, or even mean, or even stupid necessarily. But just so tiny and meaningless and - sad-making. And the worst part is, if you go bohemian or something crazy like that, you're conforming just as much only in a different way.' First published in the *New Yorker* as two sequential stories, 'Franny' and 'Zooey' offer a dual portrait of the two youngest members of J. D. Salinger's fictional Glass family. 'Salinger's masterpiece' *Guardian*

The Edible Woman - Margaret Atwood 2012-06-28

By the author of *The Handmaid's Tale* and *Alias Grace* Marian is determined to be ordinary. She lays her head gently on the shoulder of her serious fiancée and quietly awaits marriage. But she didn't count on an inner rebellion that would rock her stable routine, and her digestion. Marriage a la mode, Marian discovers, is something she literally can't stomach ... *The Edible Woman* is a funny, engaging novel about emotional cannibalism, men and women, and desire to be consumed. 'Margaret Atwood not only has a sense of humour, she has wit and style in abundance ... a joy to read' *Good Housekeeping* 'Written with a brilliant angry energy' *Observer* 'A witty, elegant, generous and patient writer' *Punch*

Last Mile - Katie Ashley 2016-05-03

Katie Ashley, the *New York Times* bestselling author of *Redemption Road* and *Vicious Cycle*, returns to the dangerous and seductive world of the Hells Raiders motorcycle club.... After her father was murdered in the line of duty, ATF agent Samantha Vargas is determined to take down the scumbags of the drug trade. When her partner takes on a case to infiltrate the Hells Raiders MC, Samantha agrees to go undercover as his old lady but is surprised to find herself drawn to the very man she is investigating. Benjamin "Bishop" Malloy has worked hard to carve a place for himself both in and out of the MC world. Working days as a mechanic, he spends his nights rebuilding motorcycles with the hope of one day owning his own shop. After taking one of the club's new hang-arounds under his wing, Bishop is conflicted over his growing attraction for the man's girlfriend. Even though she's determined to bring down the Raiders, Samantha discovers their world isn't as black-and-white as she thought. And as the stakes grow higher, she's in danger of losing more than her heart.

With Her in Ourland - Charlotte Perkins Gilman 2016-11-26

Ellador was never annoyed by questions, nor angry, nor confused. Where most people seem to think that there is no alternative but to answer correctly or to lie, she recognized an endless variety of things to say or not say. Sometimes she would look pleasantly at the inquirer, with those deep kind eyes of hers, and ask: "Why do you wish to know?" Not sarcastically, not offensively at all, but as if she really wanted to know why they wanted to know. It was generally difficult for them to explain the cause of their curiosity, but if they did; if they said it was just interest, a kindly human interest in her, she would thank them for the interest, and ask if they felt it about every one. If they said they did, she would say, still with her quiet gentleness: "And is it customary, when one feels interested in a stranger, to ask them questions? I mean is it a - what you call a compliment? If so, I thank you heartily for the compliment."

Women and the Circulation of Texts in Renaissance Italy - Brian Richardson 2020-03-26

The first comprehensive guide to women's promotion and use of textual culture, in manuscript and print, in Renaissance Italy.

Titian Remade - Maria H. Loh 2007

This insightful volumes the use of imitation and the modern cult of originality through a consideration of the disparate fates of two Venetian painters - the canonised master Titian and his artistic heir, the little-known Padovanino.

Leave Myself Behind - Bart Yates 2012-07-11

"Noah's voice is more than just honest or original; it's real." --The Plain Dealer THE WORLD ACCORDING TO NOAH YORK: "Anybody who tells you he doesn't have mixed feelings about his mother is either stupid or a liar." "Real life seldom makes me cry. The only thing that gets to me is the occasional Kodak commercial." "Sometimes I feel like Michelangelo, chiseling away at all the crap until nothing is left but the exquisite thing in the middle that no one else sees until it's uncovered for them." "Anyway..." Meet seventeen-year-old Noah York, the hilariously profane, searingly honest, completely engaging narrator of Bart Yates's astonishing debut novel. With a mouth like a truck driver and eyes that see through the lies of the world, Noah is heading into a life that's only getting more complicated by the day. His dead father is fading into a snapshot memory. His mother, the famous psycho-poet, has relocated them from Chicago to a rural New England town that looks like an advertisement for small-town America—a bad advertisement. He can't seem to start a sentence without using the "f" word. And now, the very house he lives in is coming apart at the seams—literally—torn down bit by bit as he and his mother renovate the old Victorian. But deep within the walls lie secrets from a previous life—mason jars stuffed with bits of clothing, scraps of writing, old photographs—disturbing clues to the mysterious existence of a woman who disappeared decades before. While his mother grows more obsessed and unsettled by the discovery of these homemade reliquaries, Noah fights his own troubling obsession with the boy next door, the enigmatic J.D. It is J.D. who begins to quietly anchor Noah to his new life. J.D., who is hiding terrible, haunting pain behind an easy smile and a carefree attitude. Part Portnoy, part Holden Caulfield, never less than truthful, and always fully human, Noah York is a touching and unforgettable character. His story is one of hope and heartbreak, love and redemption, of holding on to old wounds when new skin is what's needed, and of the power of growing up whole once every secret has been set free. "Noah's blunt, funny and dead-on narrative will lend this memorable tale of young-but-cynical love a fresh resonance with readers of all ages, gay or straight, male or female." --Brian Malloy, author of *The Year of Ice*
