Sexual Predator - Richard Scott 1999-10

Here's a little-known secrets: The American government keeps lists of persons previously convicted of rape, molestation, and other sexual assaults. And this information is available to the public -- for those who know where to look! Using Megan's Law and other public records, renowned private investigator Robert Scott unlocks the secrets to effectively identifying these potentially dangerous persons... Fact: Over half-a-million sex offenders have been released from prison and are living unnoticed in society -- until they strike again. By learning how to identify sexual predators, you, your family and your community will lead a safer life with more peace of mind. This book is a must for any person who needs to check into the background of acquaintances, child care workers, employees, neighbours and others.

On Spiritual Warfare - Lt. Col. Dave Grossman 2024-01-02

Answer God's call to arms. Evil from the world, the flesh, and the devil preys on those we love and stalks our every move. If we're not fighting back, we're losing. In *On Spiritual Warfare*, the sequel to *On Spiritual Combat*, Dave Grossman and Chris Pascoe guide Christians through operations of advanced spiritual warfare. Battle the forces of evil with twenty-two intensely practical WARNORDS, or military "warning orders," drawn from the writings of Luther and Erasmus. These strategic warnings and tactical orders will equip you to ● recognize and fearlessly confront evil, ● confess and repent of your own sin, ● serve others as you become sanctified, and ● mature into a triumphant spiritual warrior of God. Filled with Scripture, powerful hymns, battle prep questions, and practical direction, *On Spiritual Warfare* is the map you need to successfully complete your mission from God. You become victorious as a

Christian by living virtuously. Victory through virtue!

[The Sourcebook to Public Record Information](#) - Peter Julius Weber 2005-10

The Sourcebook to Public Record Information is the comprehensive guide to over 20,000 government agencies including county courts, county recording offices, state agencies and federal courts. Profiles include access procedures, access restrictions, fees, Internet addresses, phone numbers, street addresses and more.

The Social History of Crime and Punishment in America - Wilbur R. Miller 2012-07-20

Several encyclopedias overview the contemporary system of criminal justice in America, but full understanding of current social problems and contemporary strategies to deal with them can come only with clear appreciation of the historical underpinnings of those problems. Thus, this five-volume work surveys the history and philosophy of crime, punishment, and criminal justice institutions in America from colonial times to the present. It covers the whole of the criminal justice system, from crimes, law enforcement and policing, to courts, corrections and human services. Among other things, this encyclopedia: explicates philosophical foundations underpinning our system of justice; charts changing patterns in criminal activity and subsequent effects on legal responses; identifies major periods in the development of our system of criminal justice; and explores in the first four volumes - supplemented by a fifth volume containing annotated primary documents - evolving debates and conflicts on how best to address issues of crime and punishment. Its signed entries in the first four volumes--supplemented by a fifth volume containing annotated primary documents--provide the historical context for students to better

Hush - Kori D. Miller 2015-11-01
 READERS' FAVORITE 5-STAR REVIEW "The plot is masterful, packed full of action, twists and turns that you just don't see coming, and highly captivating. Nothing is what it appears to be in this story." Readers' Favorite, March 2016
 Cold cases are cold for a reason. And PI Dezeray Jackson hates working them. She has, ever since the murder of her sister. But when the unsolved case of a 13-year-old girl falls into Dez's lap, she can't walk away. Criminal justice student, Tamara Steele, asks Dez to check into the case. The only thing Dez knows is that the girl stormed from her house, never seen again, until her friends stumbled over her body. With all the leads dried up, and no witnesses, Dez must find a fresh place to start. The girl's stepfather seems to be a likely candidate. The two argued the night the girl disappeared, but the police couldn't link him to her death. Each of her friends haven't strayed far from home, so Dez prioritizes interviewing them. When they give different details that don't quite match up with the events surrounding the girl's death, can Dez chalk it up to faded memories of pre-teen adolescence? And what about the sex offender from the initial investigation? Where is he, now? As details unfold, and secrets unravel, Dez gets closer to discovering the truth. But when she identifies the killer, can she prevent another person's death? If you like a pull-no-punches sleuth and a masterful, captivating plot with lots of twists and turns, then you'll love author Kori D. Miller's compelling book. Readers who like Janet Evanovich, Marcia Muller, or Sue Grafton will enjoy getting to know this hot new private investigator from the Midwest. She's got a penchant for weapons, good-looking men, and a great game of pool. And only one of these helps her solve cases. Buy this first book in the Sinfully Scandalous Mysteries series and put your whodunit skills to the test! **The first three

books in the Sinfully Scandalous Mysteries series are best read in order, but only because of the well-developed subplot. Yeah, there's one of those! Two mysteries in one. But I promise, you'll know who did what in the 13-year-old's cold case by the end of Hush. But will you figure it out before Dez?

Issues in Sexuality and Sexual Behavior

Research: 2011 Edition - 2012-01-09
 Issues in Sexuality and Sexual Behavior Research: 2011 Edition is a ScholarlyEditions™ eBook that delivers timely, authoritative, and comprehensive information about Sexuality and Sexual Behavior Research. The editors have built Issues in Sexuality and Sexual Behavior Research: 2011 Edition on the vast information databases of ScholarlyNews.™ You can expect the information about Sexuality and Sexual Behavior Research in this eBook to be deeper than what you can access anywhere else, as well as consistently reliable, authoritative, informed, and relevant. The content of Issues in Sexuality and Sexual Behavior Research: 2011 Edition has been produced by the world's leading scientists, engineers, analysts, research institutions, and companies. All of the content is from peer-reviewed sources, and all of it is written, assembled, and edited by the editors at ScholarlyEditions™ and available exclusively from us. You now have a source you can cite with authority, confidence, and credibility. More information is available at <http://www.ScholarlyEditions.com/>.

West Virginia Blue Book - 2005

Congressional Record - United States. Congress

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional

Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

An Introduction to American Policing - Dennis J. Stevens 2008-08-15

Introduction to American Policing: An Applied Approach connect criminal justice, criminology, and law enforcement knowledge to the progress of the police community. Case studies, narratives from violators, and current research coverage help students recognize the central theories and practical (documented) realities of American law enforcement. Students are encouraged to consider the way some believe policing should be while examining evidence about the way it is. This text will also provide a current description of local and state police organization partnerships with federal organizations and of the efforts accomplished by federal law enforcement agencies including the Department of Homeland Securities (DHS).

A Corruption of Consequence - Ronnie W. Rogers 2021-02-23

A grave danger lurks behind the seemingly friendly term of social justice. Contemporary social justice endangers our country, families, and, most importantly, the gospel of Jesus Christ. Social justice is, in many ways, a euphemism for cultural Marxism. What has made its threat even more treacherous is that cultural Marxism ideas have made their way into conservative evangelicalism and the Southern Baptist Convention. As long as Christians are led

to believe that social justice is the same as God's justice, Christians will be facilitators of godless Marxism. They will be instruments of corrupting the gospel of Jesus Christ. This book biblically critiques social justice and prepares Christians to stand for God's impartial justice, truth, love, and the gospel.
