Reading Culture - Diana George 2007

A traditional source of sexual titillation for adult readers, fairy tales historically boasted licentious themes before being cleaned up for the consumption of children in modern times. Seasoned erotica author Mitzi Szereto restores the explicit sex in these 15 tales and adds some provocative surprises of her own.

THE NUMBER ONE SUNDAY TIMES
BESTSELLER WHAT DOES IT MEAN TO FEEL
TRULY ALIVE? Aged 24, Matt Haig's world
caved in. He could see no way to go on living.
This is the true story of how he came through

crisis, triumphed over an illness that almost destroyed him and learned to live again. A moving, funny and joyous exploration of how to live better, love better and feel more alive, *Reasons to Stay Alive* is more than a memoir. It is a book about making the most of your time on earth. 'I wrote this book because the oldest clichés remain the truest. Time heals. The bottom of the valley never provides the clearest view. The tunnel does have light at the end of it, even if we haven't been able to see it . . . Words, just sometimes, really can set you free.'

Dancer from the Dance - Andrew Holleran

2019-06-06

'Astonishingly beautiful... The best gay novel written by anyone of our generation' Harpers 'A life changing read for me. Describes a New York that has completely disappeared and for which I longed - stuck in closed-on-Sunday's London' Rupert Everett Young, divinely beautiful and tired of living a lie, Anthony Malone trades life as a seemingly straight, small town lawyer for

the disco-lit decadence of New York's 1970's gay scene. Joining an unbridled world of dance parties, saunas, deserted parks and orgies - at its centre Malone befriends the flamboyant queen, Sutherland, who takes this new arrival under his preened wing. But for Malone, the endless city nights and Fire Island days, are close to burning out. It is love that Malone is longing for, and soon he will have to set himself free. First published in 1978, *Dancer from the Dance* is widely considered the greatest, most exciting novel of the post-Stonewall generation. Told with wit, eroticism and unashamed lyricism, it remains a heart-breaking love letter to New York's hedonistic past, and a testament to the brilliance of our passions as they burn brightest. WITH AN INTRODUCTION BY ALAN HOLLINGHURST The perfect read for fans of *It's A Sin*

Seekers--a rather ridiculous small-town cult whose credo involves sex, spiritualism, and a flying saucer messiah. Exposed to the persuasive energies of a sensuous high priestess, the men of science are forced to question seriously their superstitious belief that they can chart, understand, and control the workings of the human mind. Beautiful World, Where Are You - Sally Rooney 2022-06-07

AN INSTANT #1 NEW YORK TIMES

BESTSELLER *Beautiful World, Where Are You* is a new novel by Sally Rooney, the bestselling author of *Normal People* and *Conversations with Friends*. Alice, a novelist, meets Felix, who works in a warehouse, and asks him if he'd like to travel to Rome with her. In Dublin, her best friend, Eileen, is getting over a breakup, and slips back into flirting with Simon, a man she has known since childhood. Alice, Felix, Eileen, and Simon are still young—but life is catching up with them. They desire each other, they delude

each other, they get together, they break apart. They have sex, they worry about sex, they worry about their friendships and the world they live in. Are they standing in the last lighted room before the darkness, bearing witness to something? Will they find a way to believe in a beautiful world?

Sex and the Second-Best City - Kenneth Royce Moore 2005-07-19

Sex and the Second-Best City deals with the topics of sex and society in the *Laws of Plato* with recourse to historical context and modern critical theory. It examines reconstructions of ancient "sexuality" with a view to increased clarification. The text of the *Laws* is considered, along with many of its literary qualities, its influences and the utopian plan that it proposes. *Sex and the City* - Amy Sohn 2002-10-01

of sex, glamour, humor, and candor is available in a one-of-a-kind, elegant, and uniquely entertaining hardcover book. *Sex and The City: Kiss and Tell* is the ultimate fan bible, offering a comprehensive behind the scenes guide to NYC and its most fabulous foursome -- the friends and boyfriends, the bar rooms and bedrooms, the infatuations and fashions. Packed with information and photos not available anywhere else, it will fascinate and delight its readers with wholly original material from the show's stars, producers, writers, costume designers, and more. It includes all-access passes to the sets, production offices, and wardrobe closets at the Silvercup studios; an insider's tour of the sets; and a detailed map of the bistros and boutiques where Carrie and friends sip, shop, and seduce. Each of the show's major players are interviewed, offering revealing, intimate biographies and sharing the true life stories that inspire every episode. An elegant, beautiful edition with an exclusive introduction from

Sarah Jessica Parker herself, this book is every bit as intoxicating as the pink Cosmopolitans sipped by Carrie and friends at Manhattan's chicest hot spots.

Sex and the City - Candace Bushnell 2013-04-01
"Relationships in New York are about detachment, so how do you get attached when you decide you want to?" "Honey, you leave town." Meet Carrie, Miranda, Sam and their stylish friends. Successful, attractive, thirty-something career women living the high life in New York; blazing a glorious cocktail trail from the Bowery Bar to the Baby Doll Lounge; holidaying in the Hamptons and going to Aspen by Lear Jet. But they have more in common than just their enviable lifestyle; they're all searching for lasting love. Finding it is easier said than done in a town full of gorgeous, single, rich men, none of whom want to settle down. Toxic bachelors and serial daters are a perennial problem - but maybe Mr. Big will be different?
An Old Fashioned Girl - Louisa May Alcott

2022-03-02

'An Old Fashioned Girl' is a tale of the country girl in the big city before it had ever been done. Polly Milton, on a visit to her wealthy city dweller friend Fanny Shaw, is completely in awe at the splendour of their home and clothes. She is treated like a bumpkin, but soon wins the hearts of the family with her sweet heart and gentle honesty. When financial troubles arise, this country girl rises to the occasion to save her friends. It is a tale packed with romance, drama and hard hitting life lessons. Perfect for anyone that loved 'Sex and the City' just with frocks and corsets instead of Sarah Jessica Parker and Fendi. Louisa May Alcott (1832-1888) was an author, abolitionist and proud feminist. Her family suffered financially while she was growing up and so she was forced to take on multiple jobs in her youth to help provide for her family. Her writing became her outlet, forming her ideas and beliefs in the empowerment of women and people into literature that

reverberates to this day. Her most notable works include "Little Women", which is now a movie starring Saoirse Ronan and Timothée Chalamet, its sequel 'Little Men' and 'An Old Fashioned Girl'.

House of Earth and Blood - Sarah J. Maas
2020-03-03

'Think Game of Thrones meets Buffy the Vampire Slayer with a drizzle of E.L. James'
TELEGRAPH BOUND BY BLOOD. TEMPTED BY DESIRE. UNLEASHED BY DESTINY. Bryce Quinlan loves her life. Every night is a party, and Bryce is going to savour all the pleasures
Lunathion - also known as Crescent City - has to offer. But when a brutal murder shakes the very

foundations of the city, Bryce's world comes crashing down. Two years later, Bryce still haunts the city's most notorious nightclubs - but seeking only oblivion now. Then the murderer attacks again. And when an infamous Fallen angel, Hunt Athalar, is assigned to watch her every footstep, Bryce knows she can't forget any longer. As Bryce and Hunt fight to unravel the mystery and their own dark pasts, the threads they tug ripple through the underbelly of the city, across warring continents and down to the deepest levels of Hel, where things that have been sleeping for millennia are beginning to stir ... Perfect for fans of Jessica Jones and True Blood, this is a blockbuster modern fantasy set in a divided world where one woman must uncover the truth to seek her revenge. With unforgettable characters and page-turning suspense, this richly inventive new fantasy series by #1 New York Times bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom - and the power of love.

Conquering Your Quarterlife Crisis - Alexandra Robbins 2004-10-05

The practical followup to the acclaimed

bestseller In 2001, the groundbreaking book Quarterlife Crisis® addressed the unique and unsettling trials of entering modern adulthood. For the first time, it identified how twentysomethings were lost and confused, and lamented the absence of a guide-a roadmap with solutions for how to emerge from the crisis successful, happy, and sane. Now, the author of Quarterlife Crisis® delivers that roadmap. Alexandra Robbins goes beyond defining the problem of the quarterlife crisis and puts readers on the path to conquering it. She asks-and answers-the tough, soul-searching questions that keep young adults awake at night: - How do I weigh doing what I love versus making money? - Will I ever find my "soul mate"? - Why is it so hard to make friends? - Why are my twenties so different from what I expected? With new voices as well as follow-up interviews with some of the original Quarterlife Crisis® twentysomethings, Conquering Your Quarterlife Crisis® is the new go-to guide for people who want it all...but just

[A Curious History of Sex](#) - Kate Lister

2020-02-06

This is not a comprehensive study of every sexual quirk, kink and ritual across all cultures throughout time, as that would entail writing an encyclopaedia. Rather, this is a drop in the ocean, a paddle in the shallow end of sex history, but I hope you will get pleasantly wet nonetheless. The act of sex has not changed since people first worked out what went where, but the ways in which society dictates how sex is culturally understood and performed have varied significantly through the ages. Humans are the only creatures that stigmatise particular sexual practices, and sex remains a deeply divisive issue around the world. Attitudes will change and grow - hopefully for the better - but sex will

never be free of stigma or shame unless we acknowledge where it has come from. Based on the popular research project Whores of Yore, and written with her distinctive humour and wit, [A Curious History of Sex](#) draws upon Dr Kate Lister's extensive knowledge of sex history. From medieval impotence tests to twentieth-century testicle thefts, from the erotic frescoes of Pompeii, to modern-day sex doll brothels, Kate unashamedly roots around in the pants of history, debunking myths, challenging stereotypes and generally getting her hands dirty. This fascinating book is peppered with surprising and informative historical slang, and illustrated with eye-opening, toe-curling and meticulously sourced images from the past. You will laugh, you will wince and you will wonder just how much has actually changed.
