**Sex and the City and Us -**

Jennifer Keishin Armstrong  
2019-05-07

The bestselling author of *Seinfeldia* offers a fascinating retrospective of the iconic and award-winning television series, *Sex and the City*, in a “bubbly, yet fierce cultural dissection of the groundbreaking show” (Chicago Tribune). This is the story of how a columnist, two gay men, and a writers’ room full of women used their own poignant, hilarious, and humiliating stories to launch a cultural phenomenon. They endured shock, slut-shaming, and a slew of nasty reviews on their way to eventual—if still often begrudging—respect. The show wasn’t perfect, but it revolutionized television for women. When Candace Bushnell began writing for the *New York Observer*, she didn’t think anyone beyond the Upper East Side would care about her adventures among the

Hamptons-hopping media elite. But her struggles with singlehood struck a chord. *Beverly Hills, 90210* creator Darren Star brought her vision to an even wider audience when he adapted the column for HBO. Carrie, Miranda, Charlotte, and Samantha launched a barrage of trends, forever branded the actresses that took on the roles, redefined women’s relationship to sex and elevated the perception of singlehood. Featuring exclusive new interviews with the cast and writers, including star Sarah Jessica Parker, creator Darren Star, executive producer Michael Patrick King, and author Candace Bushnell, “Jennifer Keishin Armstrong brings readers inside the writers’ room and into the scribes’ lives...The writing is fizzy and funny, but she still manages an in-depth look at a show that’s been analyzed for decades, giving readers a

retrospective as enjoyable as a \$20 pink cocktail” (The Washington Post). Sex and the City and Us is both a critical and nostalgic behind-the-scenes look at a television series that changed the way women see themselves.

**Daughter of the Pirate King**

- Tricia Levenseller 2022-03-24

A page-turning, seafaring adventure from YA fantasy sensation Tricia Levenseller - the first book in the Daughter of the Pirate King duology 'Kidnapped my interest from the first chapter and never let it go' Anna Banks, author of Of Triton Seventeen-year-old Alosa, daughter of the feared Pirate King, is on a mission. She must retrieve an ancient hidden map, the key to a legendary treasure trove. The catch? Alosa needs to conceal her considerable combat skills and allow herself to be captured by her enemies, giving her the perfect opportunity to search their ship. More than a match for the ruthless pirate crew, Alosa has only one thing standing between her and the map: her

captor, the unexpectedly clever and unfairly attractive first mate, Riden. But luckily, she has a few tricks up her sleeve - and no lone pirate can stop the Daughter of the Pirate King. Sex and the City - Amy Sohn 2004-02-23

A fan's resource for the award-winning cable television program features information about the show's actors, producers, costume designers, and sets, and provides summaries of each season and interviews with the cast.

**The Secret Daughter of the**

**Tsar** - Jennifer Laam

2013-10-22

A compelling alternate history of the Romanov family in which a secret fifth daughter—smuggled out of Russia before the revolution—continues the royal lineage to dramatic consequences In her riveting debut novel, The Secret Daughter of the Tsar, Jennifer Laam seamlessly braids together the stories of three women: Veronica, Lena, and Charlotte. Veronica is an aspiring historian living in

present-day Los Angeles when she meets a mysterious man who may be heir to the Russian throne. As she sets about investigating the legitimacy of his claim through a winding path of romance and deception, the ghosts of her own past begin to haunt her. Lena, a servant in the imperial Russian court of 1902, is approached by the desperate Empress Alexandra. After conceiving four daughters, the Empress is determined to sire a son and believes Lena can help her. Once elevated to the Romanov's treacherous inner circle, Lena finds herself under the watchful eye of the meddling Dowager Empress Marie. Charlotte, a former ballerina living in World War II occupied Paris, receives a surprise visit from a German officer. Determined to protect her son from the Nazis, Charlotte escapes the city, but not before learning that the officer's interest in her stems from his longstanding obsession with the fate of the Russian monarchy. Then as Veronica's passion intensifies,

and her search for the true heir to the throne takes a dangerous turn, the reader learns just how these three vastly different women are connected. The Secret Daughter of the Tsar is thrilling from its first intense moments until its final, unexpected conclusion.

*Daughter of the Forest* - Juliet Marillier 2001

Sorcha, the seventh child and only daughter of Lord Colum, faces the difficult task of having to save her family from its enemies, who have bewitched her father and six older brothers while forcing her to choose between the life she has always known and a special love.

**Detransition, Baby** - Torrey Peters 2021-01-12

NATIONAL BESTSELLER •

The lives of three women—transgender and cisgender—collide after an unexpected pregnancy forces them to confront their deepest desires in “one of the most celebrated novels of the year” (Time) “Reading this novel is like holding a live wire in your

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net)  
on 2023-11-01 by guest

hand.”—Vulture Named one of the Best Books of the Year by more than twenty publications, including The New York Times Book Review, Entertainment Weekly, NPR, Time, Vogue, Esquire, Vulture, and Autostraddle PEN/Hemingway Award Winner • Finalist for the Lambda Literary Award, the National Book Critics Circle Award, and the Gotham Book Prize • Longlisted for The Women’s Prize • Roxane Gay’s Audacious Book Club Pick • New York Times Editors’ Choice Reese almost had it all: a loving relationship with Amy, an apartment in New York City, a job she didn’t hate. She had scraped together what previous generations of trans women could only dream of: a life of mundane, bourgeois comforts. The only thing missing was a child. But then her girlfriend, Amy, detransitioned and became Ames, and everything fell apart. Now Reese is caught in a self-destructive pattern: avoiding her loneliness by sleeping with married men. Ames isn’t happy either. He thought detransitioning to live

as a man would make life easier, but that decision cost him his relationship with Reese—and losing her meant losing his only family. Even though their romance is over, he longs to find a way back to her. When Ames’s boss and lover, Katrina, reveals that she’s pregnant with his baby—and that she’s not sure whether she wants to keep it—Ames wonders if this is the chance he’s been waiting for. Could the three of them form some kind of unconventional family—and raise the baby together? This provocative debut is about what happens at the emotional, messy, vulnerable corners of womanhood that platitudes and good intentions can’t reach. Torrey Peters brilliantly and fearlessly navigates the most dangerous taboos around gender, sex, and relationships, gifting us a thrillingly original, witty, and deeply moving novel. **Spider Sandwiches** - Claire Freedman 2013-01-01 Feast on Spider Sandwiches - a guaranteed bestselling treat from the mighty commercial

pairing of Claire Freedman and Sue Hendra.

**Villette** - Charlotte Brontë  
1853

"First published in 1853, Villette draws from Charlotte Brontë's experiences in Brussels in the 1840's. In this emotionally charged tale, we see Lucy Snowe's response to the challenges of her restrictive social environment as she flees from her unhappy past in England to a new life as a teacher at Madame Beck's school in Villette. This new edition features the definitive Clarendon edition of Villette which is derived from the earliest printings of Brontë's great work. The text is supplemented with a newly commissioned introduction, which gives a thorough and in depth analysis of the context of this fine example of the nineteenth century novel.

Daughter of the Moon Goddess (The Celestial Kingdom Duology, Book 1) - Sue Lynn Tan 2022-01-20

The bestselling debut fantasy inspired by the legend of the Chinese moon goddess. A

young woman's quest to free her mother pits her against the most powerful immortal in the realm, setting her on a dangerous path where those she loves are not the only ones at risk... \*THE INSTANT TOP 5 SUNDAY TIMES BESTSELLER\*

*Miss Peregrine's Peculiar Children Boxed Set* - Ransom Riggs 2015-10-20

The New York Times #1 best-selling series. Includes 3 novels by Ransom Riggs and 12 peculiar photographs. Together for the first time, here is the #1 New York Times best seller Miss Peregrine's Home for Peculiar Children and its two sequels, Hollow City and Library of Souls. All three hardcovers are packaged in a beautifully designed slipcase. Also included: a special collector's envelope of twelve peculiar photographs, highlighting the most memorable moments of this extraordinary three-volume fantasy. MISS PEREGRINE'S HOME FOR PECULIAR CHILDREN: A mysterious island. An abandoned

orphanage. A strange collection of very curious photographs. It all waits to be discovered in this groundbreaking novel, which mixes fiction and photography in a thrilling new kind of reading experience. As our story opens, a horrific family tragedy sets sixteen-year-old Jacob Portman journeying to a remote island off the coast of Wales, where he discovers the crumbling ruins of Miss Peregrine's Home for Peculiar Children. HOLLOW CITY: September 3, 1940. Ten peculiar children flee an army of deadly monsters. And only one person can help them—but she's trapped in the body of a bird. The extraordinary adventure continues as Jacob Portman and his newfound friends journey to London, the peculiar capital of the world. There, they hope to find a cure for their beloved headmistress, Miss Peregrine. But in this war-torn city, hideous surprises lurk around every corner. LIBRARY OF SOULS: A boy, a girl, and a talking dog. They're all that stands between the

sinister wights and the future of peculiar children everywhere. Jacob Portman ventures through history one last time to rescue the peculiar children from a heavily guarded fortress. He's joined by girlfriend and firestarter Emma Bloom, canine companion Addison MacHenry, and some very unexpected allies.
