Fair Play Eve Rodsky 2019-10-01 A REESE'S BOOK CLUB PICK "A hands-on, real talk guide for navigating the hot-button issues that so many families struggle with."--Reese Witherspoon Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the "shefault" parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family -- and then sent that list to her husband, asking for things to change. His response was... underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up chores and responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With four easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore from laundry to homework to dinner. "Winning" this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space -- as in, the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

both junk food and junk love require enormous amounts of willpower to resist. Social media and online dating sites have become the supermarkets of our relationship lives. You have to wade through rows of cupcakes and potato chips to find the produce aisle, where those relationships grounded in intimacy and trust live—the ones worth your investment. A diet book for romantic relationships, *Love Rules* first asks women to re-assess the way they think about their relationships, and then helps them use that newfound awareness to navigate their love lives more successfully in this very modern, fast-paced—and often lonely—digital age. In these pages leading media exec and former Editor in Chief of *Cosmopolitan* and Marie Claire Joanna Coles provides a series of simple guidelines for finding worthwhile love: fifteen rules—love "hacks." She also explains how to use dating apps effectively to expand real world connections and how to avoid DADD—dating attention—deficit disorder, where the tantalizing promise of someone better appears to be only the next swipe away. *Love Rules* will enable you to identify what you want in a relationship, when you should pursue it, and how to find it.

Singled Out in a Couple's World Christa Smith 2021-07-20 How many times have you felt like you were singled out because of your relationship status? Unfortunately, we live in a society that equates personal fulfillment to whether or not you have a ring on your finger. Too often, single Christians are viewed as if they are missing out on life because they don't have a romantic interest or they feel the need to put their lives on hold as they wait for the right partner to come along. In her powerfully authentic book, *Singled Out in a Couple's World*, Christa Smith invites those who find themselves in a season of singleness to reconsider their perspective. Being single was never intended to be seen as a curse. Instead it is an opportunity to encounter God in incredible ways, embrace the story He is uniquely writing, and live the life you were always meant to. With beautiful insight and compelling transparency, Christa's words will motivate readers to:

- Break off the curse and stigma of singleness
- Live an abundant life surrendered to God
- Never stop believing in your God-given dream
- Remove the pause button and live fully
- Wait well and embrace new opportunities
