Girl, Get Your Money Straight! - Glinda Bridgforth 2000

An assistant vice president at Wells Fargo Bank, where she had worked for more than a decade, Glinda Bridgforth capably managed a \$90 million unit. Yet her own financial situation was spinning out of control. It was 1988, and time for what she now affectionately calls her "three Bs" - breakdown, breakout, and breakthrough. Today, she's not only a financial success, she's the guru for helping African-American women

through the same monetary ups and downs she experienced. Drawing on Bridgforth's business savvy, the experiences of her clients, and her own hard-won turnaround, *Girl, Get Your Money Straight!* is an upbeat, inspiring guide to help black women everywhere get smart about money and start funding their dreams. Where other finance books for African Americans offer basic advice, this is the first to delve deeply into the emotional and cultural factors that affect how black women manage their money. Written in a fresh, fun sister-to-sister style, *Girl, Get Your Money Straight!* offers a perfect mix of

Girl, Make Your Money Grow! - Glinda Bridgforth 2009-02-19

Are you tired of living paycheck to paycheck, working long hours at a JOB that stands for "Just

Over Broke"? Do you dream about retiring early to spend more time with your loved ones—or finally owning a house in your favorite part of town? If you're ready to take charge of your finances and move beyond your salary to create new wealth, then come on, girl - it's time to make your money grow! These days the stock market can make anyone flinch—but as the money-wise Glinda Bridgforth knows, it's more important than ever to plan for the future and secure your lifestyle. In this timely follow-up to her bestselling *Girl, Get Your Money Straight!*, Bridgforth teams up with investment expert and stockbroker Gail Perry-Mason to deliver power-packed, sister-to-sister advice on how to master the stock market, grow your income, and start investing in your biggest asset—you. Beginning with simple, engaging exercises to help you assess your finances and transform any negative money beliefs that hold you back, Bridgforth and Perry-Mason then present their step-by-step program for becoming acquainted with investing

and making your money work for you, 24-7. You will learn how to:

- Clear away debt and clear the deck—for investing
- Create new streams of income by using your own special talents
- Develop an investment mission statement
- Map out a personalized plan for retirement and take advantage of the best retirement options: 401(k)s, IRAs, and more
- Own your own piece of the rock: buying prime real estate
- Take the mystery out of the market and build an investment portfolio that's right for you
- Use bonds, mutual funds, and blue chip stocks to lower your risk without sacrificing profits
- Read the market for winners and losers—and get the knowledge you need to protect your assets

Filled with Bridgforth's warm-hearted wisdom and advice, and complete with worksheets, exercises, affirmations, and inspiring stories of African American women who've successfully grown their money tree, *Girl, Make Your Money Grow!* is a fresh, fun, and eminently practical guide to achieving the next level of financial

security and to funding the future of your dreams.

Sisters Are Cashing In - Marilyn French Hubbard 2000-01-01

By the founder of the National Association of Black Woman Entrepreneurs, Inc. Create Freedom, Wealth, Power Whatever amount you have in your purse right now, you have enough to make your financial dreams come true. Despite their annual spending of over \$200 billion, African-American women are not realizing their full potential. *Sisters Are Cashing In* will help you discover the power within yourself to be wealthy - no matter what your age, income, or lifestyle. Marilyn French

Ask a Manager - Alison Green 2018-05-01
'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of *The No Asshole Rule* and *The Asshole Survival Guide* 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F*ck* A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to

Encyclopedia of African American Business [2 volumes] - Jessie Smith 2017-11-27

This two-volume set showcases the achievements of African American entrepreneurs and the various businesses that they founded, developed, or promote as well as the accomplishments of many African American leaders—both those whose work is well-known and other achievers who have been neglected in history. Nearly everyone is familiar with New York City's Wall Street, a financial center of the world, but much fewer individuals know about the black Wall Streets in Durham and Tulsa, where prominent examples of successful African American leaders emerged. *Encyclopedia of African American Business: Updated and Revised Edition* tells the fascinating story that is

the history of African American business, providing readers with an inspiring image of the economic power of black people throughout their existence in the United States. It continues the historical account of developments in the African American business community and its leaders, describing the period from 18th-century America to the present day. The book describes current business leaders, opens a fuller and deeper insight into the topics chosen, and includes numerous statistical tables within the text and in a separate section at the back of the book. The encyclopedia is arranged under three

broad headings: Entry List, Topical Entry List, and Africa American Business Leaders by Occupation. This arrangement introduces readers to the contents of the work and enables them to easily find information about specific individuals, topics, or occupations. The book will appeal to students from high school through graduate school as well as researchers, library directors, business enterprises, and anyone interested in biographical information on African Americans who are business leaders will benefit from the work.
