

Slayer Of The Soul Child Sexual Abuse And The Catholic Church

Sex, Religion, Media - Dane S. Claussen 2002

Each chapter in this unique volume explores intersections of sex, religion, and media in our society. An interdisciplinary cast of contributors examines a wide variety of themes, including entertainment producers' roles in disseminating sexual and religious content; news coverage of stories about sex and religion; religious conservatives' efforts to influence media coverage of sex and 'values;' and how religious consumers are influenced by and react to sexual content in media.

Restoring the Soul of a Church - Nancy Myer Hopkins 1995

The Interfaith Sexual Trauma Institute has commissioned this pastoral work which focuses on the healing of congregations following clergy sexual misconduct. The book discusses the original problem of sexual misconduct and exploitation and then focuses on those neglected "secondary" victims of abuse: the congregation, the wider community, other clergy, the wider church, the offender's family, and the pastor who takes over.

The Psalms of Children - Ursula M. Anderson 2011-02-01

What if we could find the switch to turn off the violence in our world?

What if we discovered that the keys to ending the generation-upon-generation cyclic nature are forged within the smallest of children, the newborn and the yet to be born? What happens at birth and in the first years of life is built upon the foundations laid by the quality of energy conveyed at conception and experienced during intra-uterine development. It is from these many storied domains, built into our memories and consciousness that the belief systems and thus the feelings and behavior of our adult lives derive. Thus, if we are to moderate the trauma of worldwide violence, we must begin to do so with children and their beginnings.

Child Sexual Abuse and the Catholic Church - Marie Keenan 2013-04-01

A meticulously researched inside look at child sexual abuse by clergy, this exhaustive, hard-hitting analysis weaves together interviews with abusive priests and church historical and administrative details to propose a new way of thinking about clerical sexual offenders. Linking the personal and the institutional, researcher and therapist Marie Keenan locates the problem of child sexual abuse not exclusively in individual pathology, but also within larger systemic factors, such as the very institution of priesthood itself, the Catholic take on sexuality, clerical culture, power relations, governance structures of the Catholic Church, the process of formation for priesthood and religious life, and the complex manner in which these factors coalesce to create serious institutional risks for boundary violations, including child sexual abuse. Keenan draws on the priests' own words not to excuse their horrific crimes, but to offer the first in-depth account of a tragic, multi-faceted phenomenon. What emerges is a troubling portrait of a Church in crisis and a series of recommendations that call for nothing less than a new ecclesiology and a new, more critical theology. Only through radical institutional reform, Keenan argues, can a more representative and accountable Church emerge. *Child Sexual Abuse and the Catholic Church* is a unique reference for scholars of the Church and therapists who work with both victims and offenders, as well as a forward-thinking blueprint for reform.

Sex Offenders - Fabian M. Saleh M.D. 2009-02-11

This comprehensive reference by nationally recognized experts provides an interdisciplinary overview of existing knowledge about sex offenders. It provides in-depth coverage of the problem of identification, risk assessment and management, treatment, and legal solutions. It seeks to ensure public safety while at the same time maintaining medical integrity and respect for due process. The book is intended for psychiatrists, clinical psychologists, and researchers who work with sex offenders, as well as attorneys, members of the judiciary, and policymakers.

Rogue Clerics - Anson Shupe 2017-09-08

During the past several years the mass media in the United States has been awash with reports of priestly pedophilia, ecclesiastical cover-up, and clerical intimidation or financial settlements intended to silence victims. Based on journalistic accounts, or scholarly research, it might be assumed that this is a recent phenomenon. Journalist reports began only within the past few years. Similarly, most sociologists of religion and particularly specialists in deviance and criminology did not reflect awareness of clerical misbehavior in their work. Despite this, Anson

Shupe shows that clergy deviance, whether it is sexual or otherwise, is not merely a recent problem. It is as old as the church itself and is inevitably bound to recur due to the nature of religious groups. This comprehensive analysis offers the first up-to-date analysis of sexual, economic, and authoritative clergy malfeasance across faiths and denominational authority structures. Drawing on examples taken from antiquity up until the present day, and using reports by historians, theologians, church spokespersons, therapists, social scientists, and journalists, Shupe critically evaluates clergy deviant behavior, dividing it into various types. He also makes use of the therapeutic literature, addressing victimization at the level of the individual, church, and community at large. In this way, he compares the response of the clergy to victims' attempts to mobilize movements calling for church reform. Perhaps most controversial, this book considers the possible relationship of homosexuality in the clergy to the occurrences of scandals in all religious traditions across the board. As an overview of clergy misconduct, this book is singular. There is simply no other comprehensive serious examination of this subject. Written by a sociologist for a wide range of readers, its multi-disciplinary nature, vivid examples, and wealth of research, will make the volume of interest to sociologists of religion and crime, historians and theologians, as well as a general public.

Lead Us Not Into Temptation - Jason Berry 2000

While seminaries, by many accounts, admit an increasing number of homosexuals, women are strictly barred from ministerial roles. The church's time-honored tradition of "avoiding scandal" also backfires. For by the shielding of fallen clerics, Berry shows, the suffering of the abused is often compounded.

Confronting Child and Adolescent Sexual Abuse - Cynthia Crosson-Tower 2014-01-30

Confronting Child and Adolescent Sexual Abuse is the first text to examine the history, theory, treatment, and prevention of this complex phenomenon. With in-depth insights into the psychologies of victims, their families, and the perpetrators, this comprehensive text shows readers how to recognize the symptoms and impact of childhood sexual abuse, critically engage with the unique nature of each case, complete a thorough assessment, develop a treatment plan, and effectively intervene in critical situations. A national expert on child abuse and neglect and the author of numerous books and publications, Cynthia Crosson-Tower addresses a wide range of special topics and helps readers prepare for working in this challenging professional field. "This is sure to become the definitive 'classic' text in courses preparing students for competent practice with sexually abused children and adolescents." —Barbara Nowak, Albany State University "This text opens with a history of sexual abuse, offers models for treatment and assessment and provides excellent insights into many of the major sexual abuse dynamics of our times. Finally we have a textbook that is very relevant for our times." —Nancy DeCesare, Chestnut Hill College

Sex Offenders - Fabian M. Saleh 2021

"In his annual lecture to second year medical students, Dr. Fred Berlin describes an interview he had, early in his career, with a man whom he was evaluating following the man's arrest for child sexual abuse. Halfway through the interview, the arrested man interrupted Dr. Berlin's questions and said, You know, Doctor, your society takes a newborn baby boy; gathers family and friends, takes a knife and without any anesthesia cuts skin off the tip of his penis. This is accepted as a religious act. I bend over and kiss that same penis, and I am arrested as a child sexual abuser. Can you explain that to me? (Berlin, 2000)"--

A Tragic Grace - Stephen J. Rossetti 1996

"A Tragic Grace is a direct, honest look at a difficult subject: child sexual abuse within the Roman Catholic Church. It includes the latest pastoral and psychological insights coupled with the author's original research. It documents this "sustained crisis" in the Church and offers concrete suggestions on how to understand and deal with the subject. Most importantly, A Tragic Grace offers a vision of hope. Within the seeds of this tragedy, the author sees the possibility of a stronger, more open, and accountable Church emerging."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved
Holding Bishops Accountable - Timothy D. Lytton 2012-02-29

The prevalence of the sexual abuse of children by Catholic clergy and its shocking cover-up by church officials have obscured the largely untold story of the tort system's remarkable success in bringing the scandal to light. The lessons of clergy sexual abuse litigation give us reason to reconsider the case for tort reform and to look more closely at how tort litigation can enhance the performance of public and private policymaking institutions.

Wolves Within the Fold - Anson D. Shupe 1998

The abuse of power by religious authorities at the expense of their followers is termed clergy malfeasance by sociologist Anson Shupe and examined in *WOLVES WITHIN THE FOLD*. This collection of essays explores behavior that is sometimes illegal and always unethical, sometimes punished but often not. Groups analyzed include the Roman Catholic Church, Protestant denominations, televangelists, and the Hare Krishnas.

Sexing the Maple - Richard Cavell 2006-09-14

Sexing the Maple is a unique sourcebook designed to raise issues of nationalism and sexuality in Canada through a rich and diverse selection of fiction, poetry, criticism, and history. Structured so as to provide an interactive study of these issues, the collection considers topics as wide-ranging as First Nations sexuality, censorship, assisted reproduction, and religion. Literary works by Alice Munro, Jane Rule, Timothy Findley, Leonard Cohen, Irving Layton, Lynn Crosbie, Michael Turner, and many others are juxtaposed with criticism and historical documents, many of which were previously out of print or unavailable. Selections include Marshall McLuhan's 1967 article "The Future of Sex" and excerpts from Stan Persky and John Dixon's *Kiddie Porn*, SKY Lee's *Disappearing Moon Cafe*, and Margaret Atwood's *A Handmaid's Tale*.

When Values Collide - Joseph P. Chinnici 2010

Historian Joseph Chinnici served as provincial superior of the Franciscan Friars in California when the order was touched by clergy sexual abuse, several years before it became a national scandal. Blending a historian's skill and dispassion with his own very relevant experiences in a fraught atmosphere, he provides a rare look at what happened then and what must happen now, to re-establish confidence and trust. "If Catholics are to learn from this mess and set forth on the path of healing and renewal, they would do well to pay close attention to Father Chinnici's astute analysis and evaluation of the greatest challenge to Roman Catholicism in decades, if not centuries." -R. Scott Appleby, University of Notre Dame "There is no better analysis of church leadership and the sexual abuse scandals....Chinnici's [study] is theologically grounded, psychologically informed, and thoroughly pastoral." -Donald Cozzens, author, the *Changing Face of the Priesthood* "No one is better qualified to draw enduring lessons from the clergy sexual abuse crisis than Joseph Chinnici. Priest, historian, and administrator, he offers his own knowledge and experience to help the Church restore the shattered bonds of trust. This book is an important contribution toward healing." - James M. O'Toole, Boston College "In my estimation, [this] is a great contribution to the Church's reflection on sexual abuse scandals in the Church. The experience of Father Chinnici, as a Provincial Minister of the Franciscan Friars, and his reflections based on his Franciscan heritage are a most valuable insight into the challenges of leadership in these times." -Most Reverend John F. Kinney, Bishop of St. Cloud

Understanding the Impact of Clergy Sexual Abuse - Robert A. Mc Mackin 2014-06-03

The sexual exploitation of a child by one who has been recognized as a representative of God is a sinister assault on that person's psychosocial and spiritual well-being. Many survivors of such abuse present with a range of symptoms consistent with Posttraumatic Stress Disorder as well as common co-occurring problems, including substance abuse, affective lability, and relational conflicts. Yet there are additional themes, particularly the impact of the abuse and institutional betrayal on the family, profound alteration in individual spirituality, and changes in individual and family religious practices, which differentiate this abuse from other traumas. Understanding the profound and multidimensional effects of clergy perpetrated sexual abuse and the betrayal of trust by religious leaders on individuals, families and communities requires the collective wisdom of many voices. This book brings together the

perspectives of survivors, practitioners and scholars to examine this unique form of interpersonal violence from theoretical, clinical and spiritual perspectives with consideration given to future research needs. This book was published as a special issue of the *Journal of Child Sex Abuse*.

Sexual Crime, Religion and Spirituality - Belinda Winder 2019-11-20

This book offers a collection of original contributions to the literature on sexual crime, religion and spirituality. Does religion help people desist from sexual crime? Can it form the basis of interventions to rehabilitate people? Or does it provide justification and opportunity for committing it? What do the perpetrators say about their faith? What about the victims and survivors of sexual crime? The book asks and answers these questions and more in a unique collection of chapters - from academics, chaplains and prisoners. The book begins with an exploration of the role, history and development of chaplaincy in the prison system over the years, before providing a more personal look through the eyes of the Lead Chaplain at Rampton High Secure hospital in the UK. Subsequent chapters weave together theories of desistance from sexual crime, and analyses of perpetrators' accounts of their offending are also offered, alongside firsthand accounts of prisoners from a range of religions. The book concludes with a thoughtful journey through the book by the Lead Chaplain at HMP Stafford, UK. It will provide fresh insights for students and scholars of psychology, criminology, theology and social work, as well as for practitioners, chaplains, and readers with an interest in learning about sexual crime, religion and spirituality.

Sex, Priestly Ministry, and the Church - Len Sperry 2003

"Would removing the celibacy requirement really eliminate priest pedophilia?" "Won't tough corrective measures such as a 'zero tolerance policy' only exacerbate the priest shortage?" These questions reflect the kind of concerns many of us are thinking and talking about lately. Despite the ongoing media coverage of sexual impropriety in the Church, there is relatively little known about sexuality issues involving priests. *Sex, Priestly Ministry, and the Church* provides an objective and authoritative account of psychosexual development in priests and key background information on the many sexual issues facing the Church today. It is a concise, comprehensive, one-of-a-kind resource of the most current information needed to understand these sexual issues and controversies and make reasoned, responsible decisions. Chapters under Part I: Essential Facts: Psychosexual Development are "Sex and Sexuality: Everything You Need to Know," "The Process of Psychosexual Development," and "Sexuality, Intimacy and Celibacy." Chapters under Part II: Essential Facts: Sexual Misconduct are "Determinants of Ministry Health and Sexual Misconduct," "Abusiveness and Sexual Misconduct," "Narcissism, Sexuality and Sexual Misconduct," and "Priest Sexual Misconduct with Children, Adolescents and Adults." Chapters under Part III: Pressing Sexual Issues are "Selecting Suitable Candidates for the Priesthood," "Homosexuality and the Priesthood," "Decisions About Removing Priests," and "Preventing Sexual Misconduct in Ministry."

Slayer of the Soul - Stephen J. Rossetti 1990

Breaks through the myths, anger and confusion that surround child sexual abuse. Experts in the fields of mental health, law, pastoral theology, communications and medicine here answer these questions: What is child sexual abuse? Who are the victims of this behaviour? Who are the perpetrators? What help exists for each group? What is the Church's responsibility in the process of healing? Counters the discrimination often shown against both victim and perpetrator. Illustrates how the Church community can provide leadership responding to the message of Jesus by taking decisive action, demonstrating compassion, promoting healing, and enabling reformation.

Slayer of the Soul - Stephen J. Rossetti (sacerdote) 1994

Pedophiles and Priests - Philip Jenkins 2001-08-30

If we can believe the six o'clock news, there has been an epidemic of sexual abuse among the clergy, and especially among the Roman Catholic clergy. This study looks at the entire history of this mushrooming scandal, from the first rumblings to the explosion of headlines. -- Provided by publisher.
