Diary of a Sex Addict - Scott Alexander Hess
2011-09-13

Witty, dark and explosively carnal, *Diary of a Sex Addict* chronicles a gay New Yorker's month-long descent into a circus of anonymous hook-ups as he struggles to erase the pain of a failed romance and blot out the routine of a soul-numbing day job. Bizarre gang-bangs and fleeting attempts at celibacy are interspersed with visits to his wealthy and eccentric dowager aunt, visits which awaken lost memories of a chaotic youth. Written in prose that is at once poetic and unabashedly lewd, the novel offers a glimpse into a forbidden fringe world of longing and debauchery that ultimately reveals the narrator's fervent search for something to fill a profound emptiness. Inspired by the transgressive works of the Marquis de Sade, Dennis Cooper and Bret Easton Ellis, *Diary of a Sex Addict* blends wry humor, elegant language and graphic sex to offer a novel that is "relentlessly erotic and divinely written" (Richard Labonte, Bookmarks).

Secret Life - Michael Ryan 1995

"A memoir whose sensational subject - childhood molestation and sexual addiction - becomes, through the extraordinary candor and dispassion of its telling, a deeply moral and spiritual autobiography." "Michael Ryan came of age in the fifties and sixties - a seemingly idyllic period for him of Little League baseball, Boy Scout overnight hikes, a first job delivering newspapers, summers spent at the community swimming pool, cruising Main Street, and high school graduation trips to the Jersey shore. But the reality that lay beneath this chrome surface was a secret life that was initiated when, as a five-year-old, Ryan was molested by a neighbor. It continued as he contended with his father's alcoholism, and as he himself started down the road of sexual obsession."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. Diary of a Sex Addict - LAURIE JADE.
WOODRUFF 2019-02-14

I have a confession to make. I am a sex addict. I love everything about sex. The look of it, the feel of it, the smell of it. I love the thrill, the excitement, the danger. But most of all, I love feeling the raw desire of being wanted so badly in a moment that nothing else matters. Sex is how I get that.

Diary of a Sex Addict - 2001-01-01

By all outward appearances, Sammy's life appears to be perfect - a successful business owner, devoted husband, and a wonderful father. But Sammy leads a double life, he is addicted to sex and driven by impulses he is

powerless to control. While he is feeding his addiction, he is lying to the people he cares about and hurting the people that care about him.

Diary of Deception - Sandra Stone 2008-02-01
Sandra was presented with a request to help write *Diary of Deception* for her friend, Marsha Brooke, and after putting the pages of this diary in chronological order, Sandra knew instantly that together they would give birth to a slightly naughty novel. Marsha had scribbled on scraps of paper, and together, they worked many hours to create this book as Marsha could never have done it alone. Marsha, being homeless, wrote in the darkness of night in storefronts on tiny napkins and paper scraps. She told Sandra that she could take full credit for writing this book as long as she didn't change a single word that Marsha had written. Sandra agreed. It was Marsha's wish to inform the public of the problems she incurred because of her sexual addiction and she only hopes to prevent others from experiencing the same pain as she did. An addiction comes on so gradually that a person is not aware of it. The complications are not noticed until it is too late. Marsha made a complete circle in life, from being a victim of poverty as a child, to a young woman who had everything, but she wasn't satisfied. It is so easy to take the wrong path in life, and she did that, thanks to the many men who came into her life, and left her, resulting in a downward spiraling fall to destruction. Her four husbands and hundreds of men that she "knew" changed this woman from a happy person into another homeless and helpless victim of the negative aspects of life. Marsha had but one desire and grew more desperate to finish her task, which was writing this Novel to inform others of her situation, from which she couldn't see the light at the end of her tunnel. She felt there was no hope for her. All was lost. Sandra helped write her story, and didn't change a word, as agreed

and when finished, both women knew the meaning of "complete happiness" for a message had been born for all to see. It is so easy to become an addict and many times there is no turning back. *DIARY OF DECEPTION* is a "must read" for all sexual addicts, their husbands/wives, the "other woman," and the unsuspecting spouse of the addict. This Novel tells all as we venture with Marsha down the side roads for two long years of her life. This diary will bring both tears and laughter to the reader. I hope you will enjoy reading this Biography as much as I enjoyed helping Marsha write it. There is a message for everyone in this novel and after reading it, I guarantee there will be a tear in your eyes. Through no fault of her own, we see a woman being destroyed, ever so slowly.
