[The Zombie Wilson Diaries - Timothy W Long 2015-04-11](#)

"Long writes with graphic glee." -- Tacoma News Tribune THIS IS AN UPDATED ZOMBIE WILSON DIARIES - The book has added content and art. Enjoy! It should have been the perfect vacation. A beautiful island without a soul in sight. Blue sea so clear I can see the reef. Palm trees swaying in the wind, and a girl with barely a scrap of clothing on. There is only one problem. She is a zombie and she wants to eat me. That's right. My only companion is a creature with a hunger for human flesh. I should bash in her brains and toss her in the ocean but I don't have a volleyball to talk to. All I have is this diary and my own Zombie-Wilson.

**Single Sex Stories - Stephen Simpson 2020-06-20**

[Romancing the Zombie - Ashley Szanter 2017-10-06](#)

The zombie--popular culture's undead darling--shows no signs of stopping. But as it develops to suit changing audience tastes, its characteristics transform. This collection of new essays examines the latest incarnation, the romantic zombie, a re-humanized monster we want to help, heal and connect with rather than destroy. The authors discuss our increasingly sympathetic view of the reanimated dead as more than physical bodies devoid of life and personality. Their essays cover a range of topics, including audience obsession with Apocalyptic love; the problem of a kinder, gentler undead; the millennial reinvention of the "sexy zombie"; and "uncanny valley romance."

[Chasing the Zombie - Erick Hoffman 2013-10-10](#)

Chasing the Zombie chronicles, in a lighthearted amusing manner, the elusive pursuit of the ultimate high zombies achieve in the consumption of human flesh. It is however, more than the typical blood and guts zombie book, as it is equally poignant and hilarious. It begins as one undead ghoul tries to find a way to silence the chase. He believes his resolve will be found somewhere, maybe in the documenting of his own personal mini-stories or even in the struggles of humans and zombies alike. Next, a little known myth is weaved by a honey company CEO. This is of someone that angered the gods to their breaking point, who in turn cast a most diabolical punishment. After this several stories unfold; a birth announcement, a wrestler and his rise to fame; a breakup via text message, a recluses' run in at a community event, a royal investment with its spawned products, personal vanity, a wannabe author in trouble with the law, zombie sex checklist, zombie good vs. zombie bad, zombie attack in 3D and so much more...

[NOLA Zombie - Gillian Zane 2021-03-25](#)

The Amazon Best-Selling Series is available in one book! "5 Hearts for Alexis & Blake" - Romance Between the SheetsZombies are on the loose in New Orleans and of all the End of the World scenarios, Alexis Winter wasn't prepared for this one. But, an apocalypse is an apocalypse and she should have this covered. She has been "prepping" for the last three years. The problem is location and timing. She's stuck downtown and she has to get to her house on the outskirts of the city so she can get her supplies and bug-in (for the "non-peppers" this means hole up and stay safe).Agreeing to work on a Saturday is now coming back to bite her on the ass big time. Hopefully, it won't be a literal bite by the walking dead.Luck favors the prepared, and as luck would have it, it comes in the form of the ridiculously hot Blake Miller and his business partner Zach James. Former military men, current mercenaries, Blake and Zach have everything a girl needs to survive the zombie apocalypse.SHTF. RUN. FIGHT. LIVE. JUSTICE. HONOR. The entire NOLA Zombie series. The stories follow a group of survivors and their quest to stay alive in a world gone to Hell. And in that process of survival to find a little bit of hope and maybe even love. Can there be a happily ever after in the NOLA Zombie

world? You'll have to read to find out...Zombies, sex, romance and carnage...you can't get any better than this. Be warned, there will be monsters, living and dead, there will be very intense sex scenes (m/f, m/m/f) and there will be a lot of violence. \*\*This book contains all 5 books + the prequel of the NOLA Zombie series. This is a zombie apocalypse with a lot of romance, including a menage romance within books 1 through 3.

*Race, Oppression and the Zombie* - Christopher M. Moreman 2011-08-31

The figure of the zombie is a familiar one in world culture, acting as a metaphor for "the other," a participant in narratives of life and death, good and evil, and of a fate worse than death—the state of being "undead." This book explores the phenomenon from its roots in Haitian folklore to its evolution on the silver screen and to its radical transformation during the 1960s countercultural revolution. Contributors from a broad range of disciplines here examine the zombie and its relationship to colonialism, orientalism, racism, globalism, capitalism and more—including potential signs that the zombie hordes may have finally achieved oversaturation. Instructors considering this book for use in a course may request an examination copy here.

**Bovicide, Zombie Diaries, and the Legend of the Brothers Brown** - Stephen Bills 2011

Constable Paddington has a few problems. One, something has been devouring livestock on his sleepy English island. Two, said island is ruled by a tyrannical dictator who only comes out at night. Three, the trigger-happy military squad Paddington called in to fix problem one are threatening to shoot problem two. And that's not even mentioning the horde of philosophical zombies led by an overweight accountant... Or the vague, ancient prophecy about the end of the world that's due to occur... ah, this Saturday? Yeah, it's going to be a busy week.

*The Written Dead* - Kyle William Bishop 2017-06-15

From Victor Halperin's *White Zombie* (1932) to George A. Romero's landmark *Night of the Living Dead* (1968) and AMC's hugely successful *The Walking Dead* (2010-), zombie mythology has become an integral part of popular culture. In a reversal of the typical pattern of adaptation, the zombie developed onscreen before appearing in short stories and comic books during the 20th century, and more recently as subjects of more traditional novels. This collection of new essays examines some of the most influential and inventive zombie literature, from the early stories to the most recent narratives, including some told from a zombie perspective.

**Love, Lust, and Zombies** - Mitzi Szereto 2017-10-10

Let's face it: zombies are hot, and baby, they're getting hotter. Although not the most traditional of sex symbols, zombies are truly coming into their own, even landing on the silver screen in romantic roles, not to mention ambling and shambling across the pages of novels and television screens. Gone are those one-dimensional scary characters from George Romero's grim and gruesome flick *Night of the Living Dead*. Zombies now have a lot more to offer to the non-zombie world. From the best-selling novel *Pride and Prejudice and Zombies* to the hit TV series *The Walking Dead*, zombies are taking over as a source of entertainment. So isn't it about time they had their more . . . err . . . romantic and sexy sides showcased? Mitzi Szereto wrote the sex back into *Pride and Prejudice* and her new *Love, Lust and Zombies* warms the coldest among us with stories so daring they can even raise the dead!

*Zombies and Sexuality* - Shaka McGlotten 2014-09-17

Since the early 2000s, zombies have increasingly swarmed the landscape of popular culture, with ever more diverse representations of the undead being imagined. A growing number of zombie narratives have introduced sexual themes, endowing the living dead with their own sexual identity. The unpleasant idea of the sexual zombie is itself provocative, triggering questions about the nature of desire, sex, sexuality, and the politics of our sexual behaviors. However, the notion of zombie sex has been largely unaddressed in scholarship. This collection addresses that unexamined aspect of zombiedom, with essays engaging a variety of media texts, including graphic novels, films, television, pornography, literature, and internet meme culture. The essayists are scholars from a variety of disciplines, including history, theology, film studies, and gender and queer studies. Covering *The Walking Dead*, *Warm Bodies*, and Bruce LaBruce's zombie-porn movies, this work investigates the cultural, political and philosophical issues raised by undead sex and zombie sexuality.

*Sex Stories for Adults* - Ariella Ball

This collection of hot hardcore erotica short stories will take readers on a wild journey of passion and pleasure. From steamy encounters to tantalizing twists, each story will leave you wanting more.

*Sex in the Time of Zombies* - William Rose 2010-12-06

Comprised of seven short stories set during varying points of an undead apocalypse, this collection explores the roles sex and sexuality may play in determining survival in this nightmare landscape. Stories include *Dance With the Dead*, *Night of the Living Furies*, *Tender is the Nightmare*, *Tiffany Shepis & the Fanboy of the Apocalypse*, *Hips*, and *Skinning the Freshy*. Sex . . . Zombies . . . Let the infection begin.

*Zombie Flood* - Victoria Champion 2014-08-16

A storm of undead is coming to the Louisiana swamps. In the churning fury of the strong winds and rain of a natural disaster, an unnatural contagion is born. The sickness is carried within the storm surge's relentlessly advancing tide. As the first wall of the hurricane assaults the lush swampland, humans and innocent creatures are infected. Their resultant mutation brings with it an insatiable and shocking hunger. The savage herd of monstrosities goes in search of food. Guided by one-hundred and thirteen mile-per-hour winds at their backs, the gruesome horde slogs towards a small rural town known for its alligator tours. Stranded by the flooding in *Lustre Perle*, federal agents fight alongside local Cajuns against the horrifying and deadly invasion, and although they are from different worlds, they must overcome their prejudices, fears, and distrust and rely on each other if they are to survive. This ebook contains the zombie novel *Zombie Flood: Disaster of the Dead*. This original story by Victoria Champion is 54,000 words, or approximately 202 pages. First Edition. Originally published on Aug 16, 2014. Keywords: zombies, police, cli-fi eco-thriller, thriller, mutant, swamp, plague virus, action & adventure, horror, flood, swamp, extreme weather, apocalypse, chemical spill, hurricane, storm surge, toxic spill, alligators, cajun, NOAA, FEMA, natural disaster, disaster fiction, science fiction, sci-fi, swamp people, zombie novel, monster, louisiana, Victoria Champion

**Trapped - Expanded Edition: A BWWM Post-Apocalyptic Dark Romance** - Rose Francis

Serena is between a rock and a hard place. A military experiment gone wrong has sent her world crashing down—along with everybody else's—as a mysterious disease turns living people into mindless weapons of destruction. Supplies have run so low that her husband leaves to find food for them and never returns. Serena finds herself alone and preparing for inevitable death from starvation when her husband's best friend, Steven, shows up to her rescue. After seeing his best friend turn, Steven knows what he must do: protect and save his buddy's wife—the only person he has left now that everyone else he cared about is gone. But Serena isn't just his undead best friend's girl—Steven has had a secret crush on Serena for almost as long as he has known her, doing everything in his power to hide it from his buddy while he was alive. And now, at the horrible price of losing his best friend, he has a chance to be with her. But would Serena ever give him a chance, given their circumstances? \*\*A dark, post-apocalyptic BWWM interracial love story set in a zombie apocalypse. It includes light dom/sub themes with a military alpha male. Violent content and graphic, disturbing events included. Due to mature content, recommended for 18+.\*\* NOTE: This is the expanded edition, double the length of the original edition. It includes a prologue and part two plus an epilogue. **Sex Zombies** - Epic Sex Stories 2012-12-27

The Uganda government invites homophobes to help them criminalize homosexuality. Dick, the president of Oral Roberts University, brings his hot young mistress. But when she tells him she's pregnant, he dumps her in the jungle. But monkeys infect Dick with a virus that inflames his sex drive, and everyone he infects becomes mindless nymphos. As billions turn into sex zombies, mankind is screwed.

**The Erotic Collection** - Christian Jensen 2011-02-14

All SEX, no filler. Read the Disclaimer: This is a compilation of excerpts from my other novels. If you purchased 11 of the Witches house series you have most of this book. If, however, you are looking for the hottest collection of erotica and don't want pasky things like plots and story lines to keep you from your erotica, then this is the perfect collection for you. 16 stories of SEX, LUST, and PASSION. The stories included in this collection include witches, vampires, and werewolves, as well as the working class men and women who turn them on and make them come.
