*The Fireman* - Joe Hill 2016-05-17

Nobody knew where the virus came from. FOX News said it had been set loose by ISIS, using spores that had been invented by the Russians in the 1980s. MSNBC said sources indicated it might've been created by engineers at Halliburton and stolen by culty Christian types fixated on the Book of Revelation. CNN reported both sides. While every TV station debated the cause, the world burnt. Pregnant school nurse, HARPER GRAYSON, had seen lots of people burn on TV, but the first person she saw burn for real was in the playground behind the school. With the epic scope of THE PASSAGE and the emotional impact of THE ROAD, this is one woman's story of survival at the end of the world.

*The Fireman Who Loved Me* - Jennifer Bernard 2012-04-24

The first book in Jennifer Bernard's Bachelor Firemen of San Gabriel series, *The Fireman Who Loved Me* is sizzling hot and sure to fire up contemporary romance lovers everywhere! Set in a California firehouse where all the fire fighters are gorgeous and single, *The Fireman Who Loved Me* follows the romantic exploits of Captain Brody of Station 52 who inadvertently becomes the prize at a charity "bachelor auction" and is won by a sweet, meddling old lady who turns him over to her husbandless, local TV news producer granddaughter. A great new voice with a very sexy edge, Jennifer Bernard is like the Kristin Higgins of firemen, and fans of Susan Elizabeth Phillips—and the fireman romances of Jo Davis—will be burning for more.

**I Love Rock 'n' Roll (Except When I Hate It)** - Brian Boone 2011-08-02

Music breeds duality. We enjoy the music we love-listening to it, talking about it, reading about it. But it's just as fun to passionately revel in mocking the music we hate. Fortunately, musicians make this two-lane path very easy to follow. Half the time they're creating timeless works of art that speak to the soul; the other half, they're recording ridiculous concept albums about robots. *I Love Rock 'n' Roll (Except When I Hate It)* covers both sides: It celebrates the music world's flashes of genius, the creation of masterpieces, and the little-known stories...as well as the entertainingly bad ideas. Armed with a healthy dose of Brian Boone's humorous asides and lively commentary, you'll learn extremely important stuff like: ? How bands got their stupid names ? All alternative rock bands directly descend from Pixies ? The most metal facts of metal in the history of metal ? The secret lives of one-hit wonders ? The story behind "Layla," and other assorted love songs about George Harrison's wife ? What is quite possibly the worst song in rock history Boone also reveals terribly useful information like chart trivia, the rules of music, lists, and many more origins, meanings, and stories about everyone's most loved and loathed musicians.

*The Fireman's Homecoming* - Allie Pleiter 2013-05-21

Black Sheep Son Nothing about going home to Gordon Falls is easy for fireman Clark Bradens. His role as local bad boy is firmly established, though he's determined to use his newfound faith to change people's minds. But Clark isn't the only one coming home to hard times. When Melba Wingate came home from Chicago to help her ailing father, she wasn't expecting to unravel a family secret. As Melba wades through the past to find the truth about her father, Clark becomes an unlikely ally. And while neither can change the past, the future is theirs to shape.

**Shelter for Quinn: A Firefighter/Police Romantic Suspense** - Susan Stoker 2019-02-10

Freak. Witch. Ugly. Abomination. Having grown up with a port-wine birthmark on her face and neck, Quinn Dixon's heard them all. Her own mother couldn't bear to touch her, let alone strangers. Years of stares and insults from everyone from classmates to foster families have made her understandably reluctant to trust. So when John comes along, of course he couldn't be interested in more than a brief affair. He'll get sick of all the gawking and whispers soon enough and leave her...just like everyone else. John "Driftwood" Trettle was captivated by Quinn the moment they met. After months of skirting around their attraction, one pivotal evening finds John seizing the reins and refusing to be denied a chance to prove he's worthy of Quinn's

time, her trust, and her love. To show her he'll have her back, always, and defend her against anyone cruel or stupid enough to hurt his woman. But he can't protect against an unknown threat. Even if it wears a familiar face... \*\* Shelter for Quinn is the 13th book in the Badge of Honor: Texas Heroes Series.
