decaying culture urgently needs the startling truths found here. "I want you to know beyond any doubt that sex is God's subject. And it is time for the Church to take it back from the devil, baptize it, and call it holy. The Fig Leaf Conspiracy has touched countless lives down through the ages...perhaps even your own. Our loving Father, however, has made a way to take back the gift. He sent Jesus to undo the work of the Deceiver. He has made a way of escape for us—a way back to the Garden. So what's the answer? How do we get back to God's original plan for sexuality? Finding liberating answers to those questions is the very focus of this book."—Jimmy Evans

When Life Hurts - Jimmy Evans 2013-10-01

We all experience emotional pain--and even devastation--in our lives, but few of us know how to deal with it properly. Our unresolved pain accumulates deep within the recesses of our hearts, in a place Jimmy Evans calls the "hurt pocket." The more pain we accumulate, the more we are mentally, emotionally, and relationally crippled. But what if we could reach into that hurt pocket, confront our pain, and experience release and freedom? Jimmy Evans shows readers how to completely remove and resolve every negative event from their past that is compromising their present and keeping them from their God-given destiny. He helps readers forgive others and themselves and discover true inner peace. Perfect for individuals, as well as small groups and entire churches, *When Life Hurts* will help set people free from the pain of the past so they can live fully in the present and look forward to the future.
