The Dom's Dungeon - Cherise Sinclair 2010

"Foster child. Teenage whore." Now a veterinarian, MacKensie's turned her life around, but the scars remain. She saves her affection for the animals who never judge or scorn her, but it's time to get out, move on from her past in Iowa. So, she arranges a vacation exchange to job hunt in Seattle. Although the house is lovely, one room is locked. Her years in foster care have given her two 'gifts': a neurosis about locked doors and the ability to open them. After she gets into the room, she's appalled...and intrigued. Chains and manacles, whips and paddles, odd benches with straps... When Alex returns home days early and finds MacKensie draped over the spanking bench in his locked dungeon, he's furious. But her wariness arouses his protective nature and curiosity, so he strikes a deal to keep her close--she'll act as his submissive in exchange for a place to stay and help finding a job. He'd planned to use the veterinarian to deter an ex-girlfriend, not "replace" her, but with MacKensie's compelling mixture of strength and vulnerability, the little sub slides right into his well-defended heart. "Publisher's Note: This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: Anal play, BDSM theme and elements (including/not limited to bondage, spanking, tethering),

exhibitionism."

[A Duke by Default](#) - Alyssa Cole 2018-07-31

An NPR Best Book of the Year - A Bookish Favorite Book of the Year - A Bookpage Best Romance of the Year Award-winning author Alyssa Cole's Reluctant Royals series continues with a woman on a quest to be the heroine of her own story and the duke in shining armor she rescues along the way... New York City socialite and perpetual hot mess Portia Hobbs is tired of disappointing her family, friends, and—most importantly—herself. An apprenticeship with a struggling swordmaker in Scotland is a chance to use her expertise and discover what she's

Tavish McKenzie doesn't need a rich, spoiled American telling him how to run his armory...even if she is infuriatingly good at it. Tav tries to rebuff his apprentice—and his attraction to her—but when Portia accidentally discovers that he's the secret son of a duke, rough-around-the-edges Tav becomes her newest makeover project. Forging metal into weapons and armor is one thing, but when desire burns out of control and the media spotlight gets too hot to bear, can a commoner turned duke and his posh apprentice find lasting love?

Her Royal Wolf - G Bailey 2021-08

My alphas have crowns...and if I can win the rite, so will I. After arriving in Fall Mountain Pack, I found out all the secrets the alphas were forced to keep from me—and the terrible truths that came with them. Along with what loving them will cost me. The rite is a thousand-year-old test for the position of alpha female, and if I want to win it, I have to battle against wolves far stronger and more trained than I am. The six instructions for the Forest Rite: 1. Once you enter, you can't shift. 2. You can't leave unless you win, not even in death. 3. Don't look into the shadows. 4. If a path appears, take it at your own risk. 5. This is the forest of the gods. Pray to them for help. 6. Only one wolf leaves. The alphas can't save me now, and we aren't alone in the city. The old gods are stirring, pulling themselves back into a world on the brink of war. The angels are silent, including their king, which is strange. Persephone and Hades's love may have been written in the stars, but if I want my alphas, I have to fight. And I will. This is a full-length reverse harem romance novel full of sexy alpha males, steamy scenes, a strong heroine and a lot of sarcasm. Intended for 18+ readers.

[Punk 57](#) - Penelope Douglas 2016

"MISHA I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like

me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is the greatest rapper ever... And that was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. No social media, no phone numbers, no pictures. We had a good thing going. Why ruin it? Until I run across a photo of a girl online. Name's Ryen, loves Gallo's pizza, and worships her iPhone. What are the chances? F*ck it. I need to meet her. I just don't expect to hate what I find. RYEN He hasn't written in three months. Something's wrong. Did he die? Get arrested? Knowing Misha, neither would be a stretch. Without him around, I'm going crazy. I need to know someone is listening. It's my own fault. I should've gotten his phone number or picture or something. He could be gone forever. Or right under my nose, and I wouldn't even know it. *Punk 57 is a stand alone New Adult romance. It is suitable for ages 18+."--Amazon.com
