I'm Dreaming of an Undead Christmas - Molly Harper 2014-11-17

Experience the vampire world for the holidays through the eyes of Gigi Scanlon in this e-novella prequel to *The Dangers of Dating a Rebound Vampire* from beloved paranormal romance author Molly Harper! College co-ed Gigi is headed home to Half-Moon Hollow for her first Christmas since her sister, Iris, was turned into a vampire by her beloved undead husband, Cal. Iris is working overtime to make this holiday as normal and special as possible. After all, it's taken her months of working with Jane Jameson and the Hollow's vampires to convince herself that she won't bite her baby sister on sight. Gigi has her own worries. She's falling out of love with her high school sweetheart, Ben, and has no idea how to tell him. She's got a secret job interview with terrifying teen Council official, Ophelia Lambert. And there's a handsome but cagey vampire following her around town and then disappearing before Gigi can confirm that he's not, in fact, a figment of her fertile imagination. Holidays with family are complicated. Christmas with an undead family can be downright dangerous.

A Witch's Handbook of Kisses and Curses - Molly Harper 2013-05-28

Nola Leary would have been content to stay in Kilcairy, Ireland, healing villagers at her family's clinic with a mix of magic and modern medicine.

But a series of ill-timed omens and a deathbed promise to her grandmother have sent her on a quest to Half-Moon Hollow, Kentucky, to secure her family's magical potency for the next generation. Her supernatural task? To unearth four artifacts hidden by her grandfather before a rival magical family beats her to it. Complication One: Her grandfather was Mr. Wainwright and the artifacts are lost somewhere in what is now Jane Jameson's book shop. Complication Two: her new neighbor, Jed Trudeau, who keeps turning up half naked at the strangest times, a distraction Nola doesn't need. And teaming up with a real-life Adonis is as dangerous as it sounds, especially when he's got the face of an angel and the abs of a washboard—can Nola complete her mission before falling completely under his spell?

Sweet Tea and Sympathy - Molly Harper 2019-04-29

From beloved romance author Molly Harper (*Half-Moon Hollow* and *The Nice Girls* series) comes the first title in her new rom-com women's fiction series, *Southern Eclectic*, which features the lives, losses and loves of the McCready family as they manage their family's generational funeral home and bait shop (you read that correctly) on the shore of picturesque Lake Sackett, Georgia. Type-A Margot Cary is the leading event planner for the crème de la crème of Chicago high society. No request is too extravagant for her to execute with trademark perfection. That is, until an unfortunate incident involving a shrimp tower, live flamingos, and a

shellfish allergy puts her on the black list of the rich and social and out of a job. With the lights about to be shut off in the trendy condo she can no longer afford, and her savings account dwindling, Margot's situation is near to desperate. In steps her birth father's side of the family (who she's never met), the McCreadys...the McCreadys of the McCready Family Funeral Home and Bait Shop in small town Georgia—and as luck would have it, they're looking for an event planner and don't care about her reputation among the A-list crowd. As Margot tackles small town life—where everyone knows everything about everyone—and builds a relationship with a father who she'd never known, she discovers the comforts that community, a rather large extended family, and a rugged, unpretentious country man can offer... "This sweet tale of the city girl finding a home in the country launches Harper's (Accidental Sire) latest series and will go down as easy as honey on a deep-fried Twinkie." (Library Journal) "Margot is a terrific lead for Harper's supporting cast of quirky characters. This is a promising start to Harper's Southern Eclectic series." (Publishers Weekly) "Harper writes characters you can't help but fall in love with." (RT Book Reviews) "Molly Harper is known for writing hilarious scenes, and her unique sense of humor is evident all throughout the story. . . . There are countless laughs in Sweet Tea and Sympathy along with an equal number of heartfelt moments." (AlwaysReviewing.com) "This book is funny and the characters engaging...Finished it in 24 hours and already looking forward to the next in the Southern Eclectic series." (BookRiot)

Vampires Gone Wild (Supernatural Underground) - Kerrelyn Sparks 2013-02-12
Vampires Gone Wild brings together four paranormal romance novellas by Kerrelyn Sparks, Pamela Palmer, Amanda Arista, and Kim Falconer, authors and bloggers at Supernatural Underground. Kerrelyn Sparks's demure Pamela and sexy vampire sidekick battle the Malcontents in "V is for Vampwoman." Kim Falconer's aqueous San Francisco vampires in "Blood and Water" want nothing from "landers" — unless it's dinner, but that's until Stellan meets Angelina. Pamela Palmer carries readers to Vamp City in "A Forever Love" where trapped Lukas pines for his lost love. When she appears,

Lukas will fight to keep her alive. It's been a hundred years since Valiance has dated; all is great until they're attacked, but quiet Esme will shock Valiance in Amanda Arista's "First Dates Are from Hell."

Driving Mr. Dead - Molly Harper 2012-01-31
A standalone novella introducing a new side of Half Moon Hollow—featuring a freewheeling courier and the stuffy vampire she has to transport. Miranda Puckett has failed at every job she's ever had. Her mother just wants her to come home, join the family law firm, and settle down with Jason, the perfect lawyer boyfriend. But when Jason turns out to be a lying cheater, Miranda seizes on a job that gets her out of town: long-distance vampire transportation. Her first assignment is to drive vampire Collin Sutherland from Washington to sleepy Half Moon Hollow without incident—no small feat for a woman whom trouble seems to follow like a faithful hound dog! And she has to do it without letting her passenger—the most persnickety, stuffy, devastatingly handsome vamp she's ever met—drive her crazy. As she and Collin find disaster on the roads, they also find an undeniable spark between them. Could Miranda have found the perfect job and the perfect guy for her?

Nice Girls Don't Bite Their Neighbors - Molly Harper 2012-02-28

While dealing with wedding preparations and the cantankerous ghost of her grandma who has declared war on the fanged residents of River Oaks, Jane is ordered by the Council to babysit a newborn vamp until he can control his thirst, which causes her fiance to become insanely jealous.

Nice Girls Don't Have Fangs - Molly Harper 2009-03-31

The first in the Half-Moon Hollow series is "wry, delicious fun" (Susan Andersen, New York Times bestselling author) as it follows a librarian whose life is turned upside down by a tempestuous and sexy vampire. Maybe it was the Shenanigans gift certificate that put her over the edge. When children's librarian and self-professed nice girl Jane Jameson is fired by her beastly boss and handed twenty-five dollars in potato skins instead of a severance check, she goes on a bender that's sure to become Half Moon Hollow legend. On her way home, she's

mistaken for a deer, shot, and left for dead. And thanks to the mysterious stranger she met while chugging neon-colored cocktails, she wakes up with a decidedly unladylike thirst for blood. Jane is now the latest recipient of a gift basket from the Newly Undead Welcoming Committee, and her life-after-lifestyle is taking some getting used to. Her recently deceased favorite aunt is now her ghostly roommate. She has to fake breathing and endure daytime hours to avoid coming out of the coffin to her family. She's forced to forgo her favorite down-home Southern cooking for bags of O negative. Her relationship with her sexy, mercurial vampire sire keeps running hot and cold. And if all that wasn't enough, it looks like someone in Half Moon Hollow is trying to frame her for a series of vampire murders. What's a nice undead girl to do?

Fledgling - Molly Harper 2019-07-23

"Molly Harper's *Changeling* is masterful fantasy—a spunky Cinderella story with a heroine who's equal parts compassion, determination, and pure magical delight." —Rachel Vincent, author of the *Soul Screamers* series and *The Stars Never Rise*, on *Changeling*

Days away from completing her first year at Miss Castwell's Institute for the Magical Instruction of Young Ladies, Changeling-born Sarah Smith might just get away with posing as an upper-class Guardian girl named Cassandra Reed. But strange visions of a Lightbourne destroyed by Miss Morton's revenant army keep Sarah from enjoying her achievement. Plus, the *Mother Book*, Sarah's one secret advantage and the ultimate entrée in Guardian society, suddenly stops revealing itself to her...putting her in a precarious position with the Guild. On top of all that, her former lady's maid left Miss Castwell's, and the new hire is, well, taking some getting used to. If it weren't for her two best friends, Alicia McCray and Ivy Cowel, who will do anything to protect her secret, Sarah doesn't know if she'll make it another year. When the three girls take summer holiday with Alicia's family (chaperoned by an exacting and very disapproving Mrs. McCray), a relaxing vacation in Scotland is the last thing they'll find. Mrs. Winter is thrilled that Sarah is spending time with the influential McCray family, but Sarah can't help but feel that her real purpose is to find other Changeling children like her, and

free them to realize their own magic. Can she find genuine satisfaction in her accomplishments when she knows there are others like her out there who need her help? Will the three girls uncover the deeply-held secrets they're looking for in the mysterious mountains of Scotland? Will the *Mother Book* finally start talking to her again? And will Sarah come to understand the importance of her connection with Ivy and Alicia, and the true nature of her own power...before it's too late? "Witty and classic, *Changeling* had everything I wanted from a coming of age story: friendship, scandal, and a heroine learning to flex her magical muscles. If you liked *Harry Potter*, you will love *CHANGELING!*" —Kristen Simmons, critically acclaimed author of the *Article 5* series, on *Changeling*

Fangs for the Memories - Molly Harper 2015-11-02

"Molly Harper writes characters you can't help but fall in love with" (RT Book Reviews), but how did Andrea and Dick Cheney fall in love? Join Half-Moon Hollow's favorite couple for a trip down memory lane—to a time when Mr. Wainwright was newly dead, Jane Jameson was a newbie vampire, and a budding paranormal romance was not yet uncorked... Half-Moon Hollow's supernatural social event of the season—Zeb's Titanic-themed werewolf wedding—is coming up, and Dick Cheney (not that Dick Cheney!) needs a date. But Andrea's had enough of clever, handsome, and rakish to last a lifetime, and Dick Cheney is certainly not the sort of man you bring home to mom (not that Andrea's deadist parents are speaking to her ever since she dropped out of college and became a blood surrogate.) Shameless, relentless, roguish, with a Stetson-worthy swagger, a naughty sparkle in his eyes, and a constant smirk—oh, and fangs—no, Dick is the last person (er...vampire) Andrea wants to date. But the infuriatingly irresistible man who lives quietly on the edge of a criminal underworld knows exactly what he wants, and once he surprises Andrea with a thrilling hot and dirty kiss behind the paranormal bookshop, she knows what she wants too: Dick. All it takes to ignite their unconventional courtship is a near-undeath experience that confronts Dick with a choice between turning Andrea, losing her forever, or tapping into his countless shady resources in

this hilarious and heartwarming novella that revisits the early days of Molly Harper's Nice Girls series—one that “makes me laugh and laugh” (USA TODAY).

How to Flirt with a Naked Werewolf - Molly Harper 2011-02-22

Northern Exposure Even in Grundy, Alaska, it's unusual to find a naked guy with a bear trap clamped to his ankle on your porch. But when said guy turns into a wolf, recent southern transplant Mo Wenstein has no difficulty identifying the problem. Her surly neighbor Cooper Graham—who has been openly critical of Mo's ability to adapt to life in Alaska—has trouble of his own. Werewolf trouble. For Cooper, an Alpha in self-imposed exile from his dysfunctional pack, it's love at first sniff when it comes to Mo. But Cooper has an even more pressing concern on his mind. Several people around Grundy have been the victims of wolf attacks, and since Cooper has no memory of what he gets up to while in werewolf form, he's worried that he might be the violent canine in question. If a wolf cries wolf, it makes sense to listen, yet Mo is convinced that Cooper is not the culprit. Except if he's not responsible, then who is? And when a werewolf falls head over haunches in love with you, what are you supposed to do anyway? The rules of dating just got a whole lot more complicated. . . .

The Dangers of Dating a Rebound Vampire - Molly Harper 2015-03-24

Gigi finds herself drawn to a sexy vampire who keeps fading in and out of her life, but when he denies ever meeting her, Gigi begins to wonder if something sinister may be involved in his lack of memory.

Where the Wild Things Bite - Molly Harper 2016-07-26

In Molly Harper's witty new paranormal romance, a rare-book expert is delivering a package to Half Moon Hollow when her plane goes down, and a sexy vampire comes to her rescue. He's clearly got ulterior motives, but does he want to date her...or devour her? Delivering a rare book to a valued customer is definitely part of mild-mannered archivist Anna Whitfield's job description. You know what isn't? Protecting her precious cargo from mid-flight theft by the very pilot who is flying her to Half-Moon Hollow...while trying to appear as

unappetizing as possible to the only other passenger, a vampire. Undead bookstore owner Jane Jameson could be waiting a very long time for her book. Possibly forever. Fortunately, Anna's dashing fanged companion Finn Palmeroy helps her fend off the attack, but not before their plane crash lands in the forest hundreds of miles from civilization. Great, now she's stranded with a priceless tome and a rakish vampire whose bedtime is fast approaching. Why does everyone want this book so badly, anyway? Anna just wants to get it to Jane before Finn decides to turn her into dinner—or sweep her off her feet. Okay, the second option is really tempting. But they're not out of the woods yet...

The Art of Seducing a Naked Werewolf - Molly Harper 2011-03-29

A werewolf alpha must protect her pack from outsiders and rivals—all while avoiding falling for a snooping human—in this second in a witty and sexy paranormal romance series from the author of the Nice Girls series. Generations of werewolves have been secretly residing in a secluded valley a stone's throw from Grundy, Alaska. So when a snooping Outsider comes to Grundy to investigate rumors of lycanthropic shenanigans in the area, the valley's pack alpha, Maggie Graham, resolves to chase him away, even if doing so takes a quick bite on the butt. What a pity that researcher Nick Thatcher turns out to be so drool-worthy, and that his kisses make Maggie want to sit up and beg. Maggie just can't seem to convince Nick to leave...and even worse, she can't convince herself to stay away from him. Cross-species dating is problem enough for a harried alpha female, but on top of that, a rival group of werewolves is trying to move into the valley. With interpack war threatening, Maggie can't afford to be distracted. Combining romance and a career can be tough for anyone; for a werewolf in love with a human, it may be disastrous.

Nice Girls Don't Live Forever - Molly Harper 2009-12-29

UNEXPECTED UNDEAD BREAK-UP Nothing sucks the romance out of world travel like a boyfriend who may or may not have broken up with you in a hotel room in Brussels. Jane Jameson's sexy sire Gabriel has always been unpredictable, but the seductive, anonymous

notes that await him at each stop of their international vacation, coupled with his evasive behavior over the past few months, finally push Jane onto the next flight home to Half Moon Hollow -- alone, upset, and unsure whether Gabriel just ended their relationship without actually telling her. Now the children's-librarian-turned-vampire is reviving with plenty of Faux Type O, some TLC from her colorful friends and family, and her plans for a Brave New Jane. Step One: Get her newly renovated occult bookstore off the ground. Step Two: Support her best friend, Zeb, and his werewolf bride as they prepare for the impending birth of their baby...or litter. Step Three: Figure out who's been sending her threatening letters, and how her hostile pen pal is tied to Gabriel. Because for this nice girl, surviving a broken heart is suddenly becoming a matter of life and undeath....

"Anna was supposed to deliver a rare book to Jane Jameson's western Kentucky bookstore, but it seems that Jane's not the only one interested in this precious cargo. When Anna's plane goes down in the marshlands, hundreds of miles from civilization, she's forced to depend on dashing vampire Finn Palmeroy to survive."--

Big Vamp on Campus - Molly Harper
2016-06-06

In Molly Harper's newest paranormal romantic comedy set in her beloved Half Moon Hollow, a vampire princess must learn how to navigate life as a college student—including living with her messy, annoying, frustrating new roommate. Ophelia Lambert, four-hundred-year-old vampire princess and college freshman, suddenly finds herself domesticated by humans and forced to suffer the indignities of dorm rooms, communal bathrooms, and a roommate with sticky fingers. As one of the hundreds of undead venturing into post-secondary education, Ophelia has a lot more to learn than just "undead studies"—she has to learn to get along with her fellow vampire classmates and worst of all, her human ones, along with getting back into the good graces of the World Council for the Equal Treatment of the Undead. Can this once all-powerful vampire princess balance classes and campus life with romance, human- and vampire relations, and not

sinking her teeth into her annoying roommate? With her "distinct, captivating style," (RT Book Reviews) Molly Harper demonstrates that she is one of the best voices in paranormal romance.

The Care and Feeding of Stray Vampires - Molly Harper
2012-07-31

A comedic paranormal romance about a vampire concierge, set in Molly Harper's popular world of Half-Moon Hollow. Iris Scanlon, Half-Moon Hollow's only daytime vampire concierge, knows more about the undead than she'd like. Running their daylight errands—from letting in the plumber to picking up some chilled Faux Type O—gives her a look at the not-so-glamorous side of vamps. Her rules are strict; relationships are purely business, not friendship—and certainly not anything more. Then she finds her newest client, Cal, poisoned on his kitchen floor, and her quiet life turns upside down. Cal—who would be devastatingly sexy, if Iris thought vampires were sexy—offers Iris a hefty fee for hiding him at her place. And even though he's imperious, unfriendly, and doesn't seem to understand the difference between "employee" and "servant," she agrees. But as they search for who wants him permanently dead, Iris is breaking more and more of her own rules...particularly those about nudity. Could it be that what she really needs is some intrigue and romance—and her very own stray vampire?
