**Big Swiss** Jen Beagin 2023-02-09 \*\* SOON TO BE A MAJOR HBO SERIES STARRING JODIE COMER \*\* 'Made me laugh and think too much (the right amount?) about sex and death and honesty.' MONICA HEISEY 'Utterly addictive. . . I laughed so hard it ached.' GILLIAN ANDERSON 'Juicy, salacious and compelling. Trauma shouldn't be this fun.' SARA PASCOE Greta liked knowing people's secrets. That wasn't a problem. Until she met Big Swiss. Big Swiss. That's Greta's nickname for her - she is tall, and she is from Switzerland. Greta can see her now: dressed top to toe in white, that adorable gap between her two front teeth, her penetrating blue eyes. She's a head-turner: including the heads of infants and dogs. Well that's how Greta imagines seeing her; they haven't actually ever met in person. Nor has Greta actually ever been to Switzerland. Greta and Big Swiss are not in the same room, or even the same building. Greta is miles away, sitting at a desk in her own house, wearing only headphones, fingerless gloves, a kimono, and legwarmers, transcribing this disembodied voice. What Greta doesn't know is that she's about to bump into Big Swiss in the local dog park. A new - and not entirely honest - relationship is going to be born. A relationship that will transform both of their lives. . . Readers are obsessed with Big Swiss: 'This thing is a riot. I laughed out loud regularly. I've never read anything quite like it.' 'This book is f u n n y' 'The premise is bizarre but brilliant! I am ready to move to Hudson, NY to meet these folks!' 'I haven't read a book this engrossing for a long time.' 'The blend of real and wit made for a wonderfully sublime experience.'

**Ugly Stories for Beautiful People** James Burr 2007-06 A collection of strange, contemporary tales of chilling insight and black wit. **Virgin** April Ayers Lawson 2016-11-03 Set mostly in the American South, at the crossroads of a world both secular and devoutly Christian, April Ayers Lawson's stories evoke the inner lives of young women and men navigating sexual, emotional, and spiritual awakenings. In 'The Negative Effects of Homeschooling', Conner, sixteen, accompanies his grieving mother to the funeral of her best friend Charlene, a woman who was once a man. In 'The Way You Must Play Always', Gretchen, a thirteen year old who looks even younger, heads into her weekly piano lesson in nervous anticipation of her next illicit meeting with her teacher's brother, Wesley. 'Vulnerability' charts the edgy attraction a promising young artist begins to feel for her art dealer. And in the title story, 'Virgin', Jake grapples with the growing chasm between him and his wife, Sheila, a woman who was still a virgin when they wed. At a cocktail party thrown by a wealthy donor to his hospital, he ponders the intertwining imperatives of marriage - sex and love, violation and trust, spirituality and desire - even as he finds himself succumbing to the temptations of his host. Self-assured and sensual, this collection introduces the work of a young writer of unusual mastery.

**Anal Sex Stories: Erotica Short Stories on Anal Adventures** Rick Donahue 2013-04-05 Story One- He had been fantasizing about fucking her up the ass since the first day she came to work at his office and she passed him and he noticed how her fat ass jiggled every time she moved. He finally got up the courage and asked her out and as they danced with her ass grinding on his erect cock, he knew that tonight was the night that his very anxious cock would find its way inside her plump, sexy ass and finally shoot its load inside her instead of in his hand as he jacked himself off while imagining that it was her ass. Story Two - He was not always a fan of sticking his precious cock inside a woman's ass, in fact he always thought it nasty and something he would never do. But that was until he was fucking a woman and it was so good that he felt as if fucking her in her pussy was just not enough and he therefore ventured into her ass and he has been hooked ever since. Story Three - My woman and I loved fucking each other's ass with our many strap on dildos. The biggest one we had was a seven incher but I went to the sex store and a huge nine incher as calling my name and so I bought it home hoping to introduce it to my woman's ass; hoping that she would not deny me entry sine it was so huge. She took it up her ass though; after I sucked her pussy and made her so fucking hot for me that it did not matter what size strap on I was fucking her ass with.

**Rethinking Misogyny** Anna Arrowsmith 2016-03-03 In this path-breaking book Anna Arrowsmith analyses gendered dating behaviour and shows how men's behaviour is both defined and illustrated by societal norms that require a particular masculine performance, including those desired by potential female performers. Using the case-study of pick-up artistry which is compared to interviews with other men who date women, this book analyses how the men deal with conflicting ideas borne out of living in an age when both hegemonic (harder, historic) and inclusive (softer, modern) masculinities co-exist. It asks whether men acknowledge their own insecurities or whether they focus on perceived external triggers, such as female culpability as a means of ignoring their own concerns, or, whether men respond to insecurities by focusing on an active process of overcoming them. Through exploring male experiences of female beauty, emotions, fertility, strength, female violence and sexual assault, Arrowsmith's findings encourage a new path of enquiry in gender studies which explores and includes men's words as central to interpreting their behaviour and how it is understood. This book has political worth as it differentiates and delineates between emotive and often misogynistic demands for an entire rethink of the gender order by some men's rights activists and a genuine need to incorporate male insecurities and psychological experiences in how we understand gender to be structured and performed, as a means to increase equality.

Mango Lady & Other Stories from Hawaii Ted Gugelyk 2012-12-01 Mango Lady & Other Stories from Hawaii takes the reader on a journey not unlike a long ride across the face of a giant wave, full of unexpected turns and surprises, weaving together memories, fantasies, and personalities that stretch from long ago Hawaii to modern day Vietnam. Through all of them is the connecting spirit of the Islands, its special mana, its people, its surf, bringing times past into the present in a special, intimate way. There is Mango Lady, who lived in Waikiki since childhood, watching her ancient preoccupations become irrelevant in the new bustle of development. There is The Man to Whom Surf Cam, the tale of a magical Urban who never failed to attract surf. There is A November Surfer, an adventure of a senior surfer at remote Rabbit Island. There is Hard Port, an intriguing pulling together of Hawaii and Russia, when a longtime surfer visits Nakhodka in the Russian Far East, the land of his ancestors. Finally, there is the flamboyant and unsettling Captain Aloha, a tale of two old surfing friends from Hawaii and the horrors of the war in Vietnam, a unique portrait of psychology and culture, of friendship and passing time."

*The Big Day (and other stories)* Dave Lauby 2023-06-25 What do invisible rats, aspiring rapists, axe-wielding gorillas, coffee shop ninjas and clown-faced kidnapers all have in common? They're just some of the shady miscreants and dubious heroes who populate the pages of the twisted tales making up Dave Lauby's rollicking short fiction collection *The Big Day (and other stories)*. From the wimpy 13-year-old boy spurred on to criminal acts by his best friend from a Bizarro universe to the arctic survivalist whose sense of day and night (and pain and pleasure) become snow blinded and indistinguishable, the characters of Lauby's nine exuberant narratives pinball-collide themselves against tragedy and comedy and all the emotional bumpers in-between. Weaving in and out through a maze of twisting turns, unexpected jolts and surprise endings, TBD(aos) provides the reader with a well-balanced and intellectually nutritious nine-course story meal while tasting every bit like dessert with every bite. It's a guarantee that you'll want to come back for seconds.
