2020-08-12 There's a reason it's the most common fantasy among women! Can you imagine your roommate catching you in a compromising position and then giving you your very first lesbian experience? That's just one of the exciting stories of lesbian seduction you'll find in this collection. It's just a click away so download now and get in on the fun! Warning: This ebook contains very explicit descriptions of sexual activity and includes reluctant sex, first lesbian sex, lesbian seduction, and more. Only mature adults who won't find that offensive should read this collection. 1. Melena, My Melena: My Lesbian Awakening with My Best Friend by Rita Feldspar The little get together had been boring as hell, so when I fell asleep on the deck lounge I wasn't all that surprised. I was surprised as hell when I woke up, though. The boys had left and my best friend was looking at me strangely. At first, I thought there was boy trouble but I was wrong. She wasn't twisted up about a boy. She was twisted up about a girl! That girl was me! I couldn't believe what was happening but before I knew it I was right in the middle of my first lesbian experience. 2. Sarah's Awakening: A Sorority Hazing Short by Fran Diaz I just knew I was in for it if I didn't answer my question correctly. Well, thank God the pledge mistress asked me something I knew, or so I thought. She wanted every little detail and I was drawing a blank. Hell, she was talking about something that happened over 100 years ago! Of course she didn't like my answer and it was all downhill from there. I had my first lesbian

experience in front of a crowd of pledges, or should I say, with a crowd of pledges! 3. Tasting Tara: A First Lesbian Experience Erotic Romance by Nycole Folk I was surprised my best friend Tara wanted to spend her twenty-first birthday with me. After all, she was a celebrity, a genius, and far more in demand than I was. I learned, though, that my best friend had a deep and powerful loneliness, and in all of the years I'd known her, I was the only one who made it go away. I was stunned, but I was even more stunned when she kissed me. 4. Waking Up to Janet (My Roommate's Lesbian Seduction...of Me!) A First Lesbian Sex Erotica Story By Ginny Foxx Who would've expected I would wake up staring at Janet's face? I guess Janet expected it. Who would've expected she would be naked? I guess Janet expected it. Who would have expected she would kiss me and I wouldn't resist? I guess Janet expected it. Who would have expected I would have my first lesbian experience before I'd been in college for even a full day? I guess Janet expected it. 5. When Chloe Caught Me : A First Lesbian Sex Erotica Story by Kitty Lee Okay, so maybe it was silly to think masturbating before Chloe came over was a way to deal with the stress I knew she'd cause me but I needed to do something to relax! Wouldn't you know it? I'd just gotten started when she showed up. Naturally, I was mortified but I never could have prepared for what happened next. Suddenly it was Chloe stimulating me and not my vibrator. That wasn't it, though. She expected me to pleasure her as well! *Spicy Heat and Sexy Joy* Savannah Deeds 2020-08-15 How would you like to read this story? I Hate the Guy I'm Screwing! (So Why the Hell Aren't I Stopping Him??) A Reluctant Sex Erotica Story by Savannah Deeds Emily is getting very frustrated with her neighbor. Allen plays the music too loudly too late, and she's sick of losing sleep. One night the frustration boils over and she leaps out of bed and rushes down the hallway to his apartment to bang on the door. Uh oh... It wasn't him blaring the music. Worse, she jumped out of bed so quickly that now she's in front of his door

wearing next to nothing. She rushes back home in a panic. Uh oh again... Her damn locked when she rushed out! Allen's staring at her and she can't get back into her apartment. She's about as ticked as she can get but other people are coming so she ducks into Allen's apartment. Uh oh. Damn, in fact... **Love Trauma** Ruby Scott 2020-09-08 Prepare for some heart-stopping moments as my best-selling lesbian romance series continues. What happens when a connection comes along that makes you question who you are? A sexual awakening? Tara Hunter is a passionate, headstrong doctor, heading up the ER at

the prestigious City General Hospital. She is also a divorcee, about to turn fifty and whose only passion in life comes from your work. And then Gabriella Ellis (Gabby) rides into her department. Gabby is a confident, outgoing, out and proud lesbian with a sharp wit, and a heavy amount of sarcasm. Playing by the rules isn't Gabby's forte; something which can land her in hot water, but she is talented, compassionate. When the charitable medical programme, offering emergency care for the most disadvantaged, comes under threat, will they be able to leave their differences behind them to fight for a common goal? What other passions might be released? Slow burn, lesbian romance age gap novel. Have you read my other sapphic novels "Hot Response" and "Open Heart" which are also in the City General: Medic 1 Series? Please be aware: There is a small amount of appropriate angst in this doctor romance book. Reviews Great romance awakening story. It's never too late to discover the beauty and healing power of love. Love is timeless, not caring about age, profession, economic position or anything else we list on our minds as important, and this story weaves it beautifully. M. Luria Story flows well, characters are well developed, and the love scenes are tastefully done. It may take a while but it becomes a slow burn romance that blossoms over time. Well done, Ms. Scott! Look forward to reading any future books. Goofy22 The chemistry she is able to put into the story and the dialogues of her characters is just fantastic. She is definitely one of my favorite authors. Conny The only thing I DID NOT like about this book was that it ended!

1. Tasting Tara: A First Lesbian Experience Erotic Romance by Nycole Folk I was surprised my best friend Tara wanted to spend her twenty-first birthday with me. After all, she was a celebrity, a genius, and far more in demand than I was. I learned, though, that my best friend had a deep and powerful loneliness, and in all of the years I'd known her, I was the only one who made it go away. I was stunned, but I was even more stunned when she kissed me.
2. I Shouldn't Be Doing This: A First Lesbian Sex Erotica Story by Carolyne Cox She was the painter and I was the model. It was all supposed to be professional. It was all supposed to be art. It changed, though, and on that fateful day, she decided she wanted more. I couldn't help but respond and before I knew it I was right in the middle of my first lesbian experience. It was the most beautiful and remarkable thing I'd ever experienced.
3. Making Love to My Best Friend: A First Lesbian Experience by Hope Parsons It had been over three years since my best friend Diana got the tragic news of a devastating accident that left her husband comatose. After years, when she finally realized he was never going to wake up, she resorted to placing personal ads online looking for anonymous hookups just

to relieve some of that built up tension. I couldn't let her get with strangers, so I decided to give her what she needed along with what'd been on my mind for a long time, a hot and steamy passionate night together with her best friend! 4. Experiencing My Best Friend: A Tale of Lesbian Awakening by Cassie Hacthaw "Come here. I want to try something." That's how it all starts. Jamie wants to try to something, and in this case that something is her best friend. It's a first lesbian sex experience that fills the digital pages of this story with sweet and steamy heat! 5. Riley and Madison: The College Girls First Lesbian Experience by Francine Forthright Riley and Maddy really never expected it to happen but one day things went crazy and before they really knew it, they were in the middle of their first lesbian sex experience. It was beautiful and unexpected and wonderful and neither of the friends will ever be the same.
