From Blood and Ash - Jennifer L. Armentrout 2020-03-30
Captivating and action-packed, From Blood and Ash is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the

gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. Paranormal Dating Agency Volume 5 - Milly Taiden 2020-05-06

This is the correct back cover info for #5 Kiss My Asteroid Ivy Grimaldi can't stand change. Ever. But change is something she's had to deal with a lot lately. Like when her cousin Cassandra

moved away to start a new life, baby and all. That all changes when Gerri Wilder shows up at her door with a letter from her cousin. Cassie wants her to come visit. Sure, why not? There's just one problem. Cassie lives on another planet. A far-the-heck-away planet, with her hotter than hell shifter mate. Born with a Silver Moon Attention is something Riley Parks usually shies away from, but when she finds herself on a shifter planet in a distant galaxy, attention is exactly what she's getting. Especially from one smokin' hot hunk of a man. Jag. The man sends her body into heat and her mind to a scramble whenever he's near, but she's not having it. No way. A little taste might not hurt, though, right? Sun in the Oven Henley Rourke is a woman who loves a challenge. A while back, Gerri Wilder convinced her and two friends to make an interstellar jump to another galaxy. A thrill too hard to resist, Henley found herself on a planet filled with gorgeous shifters. But she's restless and looking for a little adventure. And then she meets Damen Iceri. Badass. Shifter. Oh, yeah, and so hot, he makes her undies disappear. She gets more than she expects when she realizes Damen isn't the only hot shifter who wants her.
