Good words, ed. by N. Macleod Norman Macleod 1883

Marriage Is the Devil's Playhouse Anne Stone 2002-05 This is not a book to be taken lightly, nor is it intended to be sensational. It is a serious result of three decades of painful soul-searching. Neither is the book to be considered disparaging of the institution of marriage. In many ways, it can be regarded as a psychological study of domestic abuse. In a graceful and sometimes humorous manner, Ms. Stone shares her life experiences with the reader so as to give a realistic insight into those horrendous experiences of abuse, which society in general prefers to regard as "behind closed doors" matters. The author apologizes for passages that the reader might consider indecent or obscene. This subject is an ugly and shameful part of our nation's heritage; and those accounts are needed to stress the obligation for changes. Ms. Stone realizes that the problems of this question of marriage lie in the grey morass of the conflicts of STATE and CHURCH. She feels that if ever we are to have stable family lives our representatives for study in this area must become more realistic, become more enlightened, and have the cooperation of the press and public.

Selections from The Girl's Own Paper, 1880-1907 Terri Doughty 2004-05-18 The Girl's Own Paper, founded in 1880, both shaped and reflected tensions between traditional domestic ideologies of the period and New Woman values in the context of the figure of the New Girl. These selections from the journal demonstrate the efforts of its publisher (the Religious Tract Society) to combat the negative moral influence of sensational popular literature while at the same time addressing the desires of its audience for exciting reading material and information about topics mothers could not or would not discuss. Selected fiction gives a rich sense of the conventions and the domestic ideology of the time; the nonfiction prose ranges from essays on conduct and household management to articles on new opportunities in education and work.

The Seer Trilogy Bundle Maree Anderson 2013-03-31 Three full-length fantasies with romantic elements by Maree Anderson. The Seer Trilogy Bundle is approximately 316,000 words and contains: Seer's Hope (Book One, Hope's story), Seer's Promise (Book Two, Romana's story), Seer's Choice (Book Three, Ryley's story). SEER'S HOPE (Book One of The Seer Trilogy): Hope is snatched from her home and transported to a primitive world of magic and capricious gods. The Dayamari people believe she's a Seer and their only hope of salvation, but she's blind—she can't see anything at all, let alone the future. She must accept her destiny and learn to wield the awe-inspiring powers the gods have bestowed upon her. And if she's to save those she loves from the horrifying evil that lurks in the darkness, failure is not an option. SEER'S PROMISE (Book Two of The Seer Trilogy): Hope's Sehani powers have finally grown strong enough to risk returning to Earth. Gods willing, she'll find a way to rid her daughter of the soul-eater that possesses her, and convince Romana to return with her to Dayamaria. Romana is captivated by the prospect of becoming a powerful Sehan like her mother. But her dreams are shattered when everything she'd hoped for is bestowed upon someone who couldn't care less about wielding Sehani magic. Romana craves power with every fiber of her being... and when she finds a way to take what she wants the cost is devastating for gods and humankind alike. SEER'S CHOICE (Book Three of The Seer Trilogy): Ryley has traveled across worlds and discovered his soul mate living in the Earth town of Seaview... his mother's hometown. Watching Rowan from afar is one thing, but actively interfering in her destiny? That's against "the rules" in so many ways—especially when your mother is the most powerful Sehan in Dayamaria, and your grandmother happens to be a goddess. If anyone discovers where he's been disappearing to—and why—there'll be big trouble. But he can't give Rowan up, especially now her strange powers have spun dangerously out of control. And when Dayamaria is threatened by a deadly predator immune to magic, Ryley must choose between the woman he loves and the people he left behind.

The Wizard's Package Macy Blush 2021-08-23 The Macy Blush Collection is getting physical with The Wizard's Package! Featured in this spellbinding anthology are the first four works of the Macy Blush Collection, making up all of the half-succubus Na'amah's story arc. It includes the novelettes The Wizard's Staff and The Wizard's Tower, as well as the short stories "The Succubus's Chest" and "The Succubus's Pink Pearl. "You might be thinking, "Phooey, I can just read them online. It's probably cheaper that way, anyhow! I'm onto you and your capitalistic ways, you conniving author, you." Yeah, sure, that may be true, but answer me this... Can you hold it in your hands and love it like a newborn child? No. Handheld electronics don't count either-they aren't the same. Completely different taste and feel. If you won't take my word for it, try it yourself. It's okay, I'll wait. Tastes nasty, doesn't it; the tingles aren't too pleasant? Paper is far superior. Read Na'amah's story on paper. Lick the paper. Rejoice. Need more convincing? Here's a list of what you'll be getting into with The Wizard's Package: Cluttered amateurish cover: check! Romanic misadventures: check! Geeky jokes and puns: double-check! Smut: check! Love and heartbreak: check! Compelling storylines: eh... Crippling self-doubt regarding your life choices: check! Paper: lots of paper! Ink, too! Words: check! Instant gratification of reading "just one more" check! The irony of this blurb if you read the book online or via Audible: check!

A stunning disregard for what people actually want: so many checks! The Wizard's Staff: A Spellbinding Romance Na'amah is just an average, ordinary half-succubus adopted by a warren of kobolds. But when she takes a trip to a nearby town, she discovers true love in the form of a distinguished wizard adventurer-Alatar. Life becomes complicated for Na'amah as she tries to get some alone time with the renowned hero, her forbidden fruit. The Wizard's Tower: A Spellbinding Sequel Through no fault of her own, Na'amah's heart now belongs to another-Alatar. Unfortunately, the affection is unrequited. After Alatar's shocking betrayal, the two find themselves stuck together, working to survive in the depths of an inhospitable dungeon. Will love conquer all, or is Na'amah doomed to a short life and heartbreak? "The Succubus's Chest" There's a locked chest in Na'amah's room that Alatar has never seen opened and it bothers the hell out of him. While the wizard's fiancée is out assisting her adoptive family handle invading adventurers, Sir Guy the Good makes a reappearance and he's after that heart-shaped box. "The Succubus's Pink Pearl" Let's face it, you're here for the RPG smut. Don't deny it. So let's get right to it and trim down all that unwanted fat (referred to by some as "plot") and jump into the intimacy. I hope you're happy, pervert.
