A Life in Words - Ismat Chughtai 2013-07-15
A Life in Words, the first complete translation of Ismat Chughtais celebrated memoir Kaghazi hai Pairahan, provides a delightful account of several crucial years of her life. Alongside vivid descriptions of her childhood years are the conflicted experiences of growing up in a large Muslim family during the early decades of the twentieth century. Chughtai is searingly honest about her fight to get an education and the struggle to find her own voice as a writer. The result is a compellingly readable memoir by one of the most significant Urdu writers

of all time.

Buyology - Martin Lindstrom
2010-02-02
NEW YORK TIMES
BESTSELLER • “A fascinating look at how consumers perceive logos, ads, commercials, brands, and products.”—Time How much do we know about why we buy? What truly influences our decisions in today’s message-cluttered world? In *Buyology*, Martin Lindstrom presents the astonishing findings from his groundbreaking three-year, seven-million-dollar neuromarketing study—a cutting-edge experiment that peered inside the brains of 2,000 volunteers from all around the world as they encountered various ads, logos, commercials, brands, and products. His startling results shatter much of what we have long believed about what captures our interest—and drives us to buy. Among the questions he explores: • Does sex actually sell? • Does subliminal advertising still surround us? • Can “cool” brands trigger our mating instincts? • Can our other

senses—smell, touch, and sound—be aroused when we see a product? *Buyology* is a fascinating and shocking journey into the mind of today’s consumer that will captivate anyone who’s been seduced—or turned off—by marketers’ relentless attempts to win our loyalty, our money, and our minds.

Girls' Talk - Maria Pallotta-Chiarolli 2006-03

In this revealing insight into the lives of young women, initially published in 1998, contributors from across Australia (aged between 12 and 20) write about their lives, hopes, happiness and pain. Powerful accounts fill the pages as well as short poems and diary extracts. We learn of love affairs, rejections, inspiring friends, failed relationships, uplifting struggles to achieve their dreams or be accepted, the complexities of family life, the struggle to understand their sexuality, the quest for independence, and stories of overcoming obstacles and discrimination. In addition to

the text, other highlights include the wonderfully droll humour of Judy Horacek's cartoons as well as photographs and illustrations from young women. In this second edition, a new introduction helps position the book for a new generation of readers.

The History of British India - James Mill 1848

How I Lost My Mother - Leslie Swartz 2021-03

How I Lost My Mother is a deeply felt account of the relationship between a mother and son, and an exploration of what care for the dying means in contemporary society. The book is emotionally complex - funny, sad and angry - but above all, heartfelt and honest. It speaks boldly of challenges faced by all of us, challenges which are often not spoken about and hidden, but which deserve urgent attention. This is first and foremost a work of the heart, a reflection on what relationships mean and should mean. There is much in the book about relationships of

care and exploitation in southern Africa, and about white Jewish identity in an African context. But despite the specific and absorbing references to places and contexts, the book offers a broader, more universal view. All parents of adult children, and all adults who have parents alive, or have lost their parents, will find much in this book to make them laugh, cry, think and feel.

English Words - Francis Katamba 2015-02-11

How do we find the right word for the job? Where does that word come from? Why do we spell it like that? And how do we know what it means? Words are all around us - we use them every day to communicate our joys, fears, hopes, opinions, wishes and demands - but we don't often think about them too deeply. In this highly accessible introduction to English words, the reader will discover what the study of words can tell them about the extraordinary richness and complexity of our daily vocabulary and about the

nature of language in general. Assuming no prior knowledge of linguistics, the book covers a wide range of topics, including the structure of words, the meaning of words, how their spelling relates to pronunciation, how new words are manufactured or imported from other languages, and how the meaning of words changes with the passage of time. It also investigates how the mind deals with words by highlighting the amazing intellectual feat performed routinely when the right word is retrieved from the mental dictionary. This revised and expanded second edition brings the study of words right up to date with coverage of text messaging and email and includes new material on psycholinguistics and word meaning. With lively examples from a range of sources - encompassing poetry, jokes, journalism, advertising and clichés - and including practical exercises and a fully comprehensive glossary, *English Words* is an entertaining introduction to the

study of words and will be of interest to anyone who uses them.

The Gospel of Buddha - Paul Carus 2012

This is the extended and annotated edition including * an extensive annotation of more than 10.000 words about the history and basics of Buddhism * many illustrations * an interactive table-of-contents * perfect formatting for electronic reading devices The best evidence that this book characterizes the spirit of Buddhism correctly can be found in the welcome it has received throughout the entire Buddhist world. It has even been officially introduced in Buddhist schools and temples of Japan and Ceylon. The eminent feature of the work is its grasp of the difficult subject and the clear enunciation of the doctrine of the most puzzling problem of ātman, as taught in Buddhism. So far as we have examined the question of ātman ourselves from the works of the Southern canon, the view taken by Dr. Paul Cams is accurate, and we

venture to think that it is not opposed to the doctrine of Northern Buddhism. Contents: Buddhism Rejoice! Samsāra And Nirvāna. Truth The Saviour. The Game Changer - Franklin Veaux 2015-09

To make an open marriage work, Franklin and Celeste knew they needed to make sure no one ever came between

them. That meant no overnights, no falling in love, and either one of them could ask the other to end an outside relationship if it became too much to deal with. It worked for nearly two decades--and their relentless focus on their own relationship let them turn a blind eye to the emotional wreckage they were leaving behind.

Kitchen Revelry - Ali Larter 2013-09-10

A month-by-month culinary scrapbook that brings out the reveler in every home cook Ali Larter is a busy actress, well known for her roles on the NBC show Heroes and in movies such as Varsity Blues and Legally Blonde. But when not on set, she is usually throwing a dinner party or entertaining at home. In fact, Ali has been cooking and entertaining all her life, and in an instant, she can whip together a wonderful meal, whether it's for a family Sunday brunch, a spontaneous Super Bowl party, or an elegant (but not stuffy) New Year's Eve dinner. Her parties

seem effortless, but it hasn't always been that easy for her. In fact, at Ali's first dinner party, she made the common rookie mistake of putting too much pressure on herself to make things perfect. Needless to say, with hungry guests, a burned hand, a broken air conditioner, and a mouse scampering across her fourth-floor New York City walk-up, the night ended in disaster. Through the years of trial and error, Ali has learned that while looking effortless takes some effort, cooking is not about being perfect—it's about having a great time! And now she's eager to share her passion and knowledge for cooking, collecting her favorite go-to menus into this wonderful cookbook: from her jalapeño cheddar cornbread to crab pots with lemon caper dip, lamb chop lollipops, strawberry mint cake, and for thirsty revelers, her eucalyptus gin martinis. Ali's mouthwatering recipes and inspiring party ideas are broken down by month so you can take her lead through the seasons with

celebrations such as an October Harvest Party, a January Detox, and a July Americana BBQ. Brimming with charm, beautiful and intimate photos, and Ali's personal touch as a perfectly disheveled, sassy, effortless host, *Kitchen Revelry* will enliven and inspire your celebrations for years to come.

Chanel - Axel Madsen
2015-03-17

A fascinating look at the real Gabrielle "Coco" Chanel, the designer who forever revolutionized the way women look. She was a free spirit, brilliant business woman, and beauty who never found reciprocated love. Madsen, with authority, delves into this fashion doyenne's business and private lives to reveal one woman's extraordinary progress: from orphan to millinery shopkeeper, from lodestar of feminine style to a very rich woman with a closet full of dark secrets.

Anna and the French Kiss - Stephanie Perkins
2013-12-16
Anna had everything figured out - she was about to start senior year with her best

friend, she had a great weekend job and her huge work crush looked as if it might finally be going somewhere... Until her dad decides to send her 4383 miles away to Paris. On her own. But despite not speaking a word of French, Anna finds herself making new friends, including Étienne St. Clair, the smart, beautiful boy from the floor above. But he's taken - and Anna might be too. Will a year of romantic near-misses end with the French kiss she's been waiting for? [Twelve Years A Slave, Illustrated Edition](#) - Solomon Northup 2014-04-08 Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. Twelve Years a Slave is Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of

Harriet Beecher Stowe's Uncle Tom's Cabin, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War. [My Secret Garden](#) - Nancy Friday 2013-11-18 The #1 New York Times-best-selling author's "groundbreaking" work on women's sexual fantasies (Publishers Weekly). First published in 1973, My Secret Garden ignited a firestorm of reactions across the nation—from outrage to enthusiastic support. Collected from detailed personal interviews with hundreds of women from diverse backgrounds, this book presents a bracingly honest account of women's inner sexual fantasy lives. In its time, this book shattered taboos and opened up a conversation about the landscape of feminine desire in a way that was unprecedented. Today, My Secret Garden remains one of
