A Study Guide for Anne Sexton's "Courage" - Gale, Cengage Learning 2016

A Study Guide for Anne Sexton's "Courage," excerpted from Gale's acclaimed Poetry for Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Poetry for Students for all of your research needs.

CliffsNotes on American Poets of the 20th Century - Mary Ellen Snodgrass 2015-12-08

This literary companion carries you into the lives and poetic lines of 41 of America's most admired poets from the last century. From popular favorites such as Robert Frost and Carl Sandburg to the more esoteric T. S. Eliot and Ezra Pound, this handbook also introduces you to living poets, such as Rita Dove, who are still inscribing their places in literary history. The book opens with an approach to analyzing poetry, and each author-specific chapter includes sections devoted to Chief Works, Discussion and Research Topics, and a Selected Bibliography. Complete list of authors covered in this comprehensive guide: Edgar Lee Masters, Edward Arlington Robinson, Robert Frost, Amy Lowell, Carl Sandburg, Wallace Stevens, William Carlos Williams, Ezra Pound, Hilda Doolittle (H. D.), Robinson Jeffers, Marianne Moore, T. S. Eliot, John Crowe Ransom, Edna St. Vincent Millay, Jean Toomer, Louise Bogan, Hart Crane, Allen Tate, Sterling Brown, Langston Hughes, Countée Cullen, Elizabeth Bishop, John Berryman, Randall Jarrell, Gwendolyn Brooks, Robert Lowell, Richard Wilbur, James Dickey, Denise Levertov, A.R. Ammons, Allen Ginsberg, W. S. Merwin, James Wright, Anne Sexton, Adrienne Rich, Sylvia Plath, Amiri Baraka, Wendy Rose, Joy Harjo, Rita Dove, Cathy Song

To Bedlam and Part Way Back - Anne Sexton 1960

Anne Sexton - Anne Sexton 2004

A collection of letters written by poet Anne Sexton in which she describes her life, thoughts and feelings, with previously unpublished poems and family pictures and memorabilia.

Words for Dr. Y. - Anne Sexton 1978

A collection of Sexton's poems containing most of her important work that had not been published at the time of her death.

45 Mercy Street. Edited by Linda Gray Sexton - Anne Sexton 1977

This Business of Words - Amanda Golden 2018-11-02

One of America's most influential women writers, Anne Sexton has long been overshadowed by fellow confessional poets Sylvia Plath and Robert Lowell and is seldom featured in literary criticism. This volume reassesses Sexton and her poetry for the first time in two decades and offers directions for future Sexton scholarship. Mapping Sexton's influence on twenty-first-century cultural contexts, these essays emphasize her continuing vitality. Contributors: Jeanne Marie Beaumont | Jeffery Conway | Jo Gill | Amanda Golden | Christopher Grobe | Anita Helle | Kamran Javadizadeh | Dorothea Lasky | Kathleen Ossip | David Trinidad | Victoria Van Hying

"The Awful Babble of that Calling" - Joan Ellen Nucifora 1978

A Study Guide for Anne Sexton's "Young" - Gale, Cengage Learning 2016

A Study Guide for Anne Sexton's "Young," excerpted from Gale's acclaimed Poetry for Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Poetry for Students for all of your research needs.

Selected Poems of Anne Sexton - Anne Sexton 2000

A selection of poems by contemporary American author Anne Sexton, drawn primarily from eight previously published collections.

Women's Lives/Women's Times - Trev Lynn Broughton 1997-05-23

Points to the many ways in which the study of autobiography can contribute to the theory, practice, and politics of women's studies as curriculum, and to feminist theory more generally.

Searching for Mercy Street - Linda Gray Sexton 2011-04-10

New York Times Notable Book: A "beautifully written" memoir by the daughter of the brilliant, troubled poet (Detroit Free Press). This is an honest, unsparing account of the anguish and fierce love that bound a difficult mother and the daughter she left behind. Linda Sexton was twenty-one when her mother killed herself, and now she looks back, remembers, and tries to come to terms with her mother's life. Growing up with Anne Sexton was a wild mixture of suicidal depression and manic happiness, inappropriate behavior and midnight trips to the psychiatric ward. Anne taught Linda how to write, how to see, how to imagine—and only Linda could have written a book that captures so vividly the intimate details and lingering emotions of their life together. Searching for Mercy Street speaks to everyone who admires Anne Sexton and to every daughter or son who knows the pain of an imperfect childhood. "Sexton forcefully communicates the fear, repulsion, neediness, and sorrow that filled her childhood, as well as the agony of her own mental breakdown and her terror of becoming like her mother, in lucid and vivid prose." —The Boston Globe "A candid, often painful depiction of a daughter's struggles to come to terms with her powerful and emotionally troubled mother." —The New York Times

"Peter Gabriel, From Genesis to Growing Up" - Sarah Hill 2017-07-05

Ever since Peter Gabriel fronted progressive rock band Genesis, from the late 1960s until the mid 1970s, journalists and academics alike have noted the importance of Gabriel's contribution to popular music. His influence became especially significant when he embarked on a solo career in the late 1970s. Gabriel secured his place in the annals of popular music history through his poignant recordings, innovative music videos, groundbreaking live performances, the establishment of WOMAD (the World of Music and Dance) and the Real World record label (as a forum for musicians from around the world to be heard, recorded and promoted) and for his political agenda (including links to a variety of political initiatives including the Artists Against Apartheid Project, Amnesty International and the Human Rights Now tour). In addition, Gabriel is known as a sensitive, articulate and critical performer whose music reflects an innate curiosity and deep intellectual commitment. This collection documents and critically explores the most central themes found in Gabriel's work. These are divided into three important conceptual areas arising from Gabriel's activity as a songwriter and recording artist, performer and activist: 'Identity and Representation', 'Politics and Power' and 'Production and Performance'.

Samphire - 1977

45 Mercy Street - Anne Sexton 1976

'Hurrying Truth' in the Poetry of Anne Sexton - Anissa Sboui 2023-08-16

This book investigates the key terms 'truth' and 'misinformation' in the light of Anne Sexton's Complete Poems. The author argues that what characterizes her poems is their heightened level of transparency; poem after poem, she establishes a close relationship with the reader through recording a detailed account of her private stories. In this sense, the aim of this study hinges on demonstrating the inscription of truth in Sexton's poems.

Shakespeare's Sisters - Sandra M. Gilbert 1979

The Complete Poems - Anne Sexton 2016-04-05

The collected works of Anne Sexton showcase the astonishing career of one of the twentieth century's most influential poets. For Anne Sexton, writing served as both a means of expressing the inner turmoil she experienced for most of her life and as a therapeutic force through which she exorcised her demons. Some of the richest poetic descriptions of depression, anxiety, and desperate hope can be found within Sexton's work. The Complete Poems, which includes the eight collections published during her life, two posthumously published books, and other poems collected after her death, brings together her remarkable body of work with all of its range of emotion. With her first collection, the haunting *To Bedlam and Part Way Back*, Sexton stunned critics with her frank treatment of subjects like masturbation, incest, and abortion, blazing a trail for representations of the body, particularly the female body, in poetry. She documented four years of mental illness in her moving Pulitzer Prize-winning collection *Live or Die*, and reimagined classic fairy tales as macabre and sardonic poems in *Transformations*. The *Awful Rowing Toward God*, the last book finished in her lifetime, is an earnest and affecting meditation on the existence of God. As a whole, *The Complete Poems* reveals a brilliant yet tormented poet who bared her deepest urges, fears, and desires in order to create extraordinarily striking and enduring art.

Mercy Street - Anne Sexton 2013-05-13

MERCY STREET is Pulitzer Prize-winning poet Anne Sexton's only play and incorporates many of the themes that infuse her poetry, the deeply personal, the nature of madness, and the subjectivity of truth.

"Anne Sexton, a fine poet with an astounding knack for incorporating the ugly and immediate vocabulary of the pressing workaday world into lyrics that nevertheless remain lyrics, is the author of *MERCY STREET* ... The play is constructed quite literally to resemble the Offertory in Anglican or Roman Catholic mass ... Miss Sexton's initial use of ritual is striking ... The exploration, in rotating flashbacks, produces some riveting line-images ..." -Walter Kerr, *The New York Times* ..". This is Miss Sexton's first play. She is a Pulitzer Prize-winning poet, and the tone of her poems has always been laceratingly personal. In some she seemed like a latter-day, neurotic Emily Dickinson. The poems have a voice of their own, and a way with imagery. *MERCY STREET* is the story of a woman searching her way home from the valley of madness ... Miss Sexton has written a play to be considered rather than dismissed ..." -Clive Barnes, *The New York Times*

The Routledge Companion to Music and Modern Literature - Rachael Durkin 2022-05-26

Modern literature has always been obsessed by music. It cannot seem to think about itself without obsessing about music. And music has returned the favour. *The Routledge Companion to Music and Modern Literature* addresses this relationship as a significant contribution to the burgeoning field of word and music studies. The 37 chapters within consider the partnership through four lenses—the universal, opera and literature, musical and literary forms, and popular music and literature—and touch upon diverse and pertinent themes for our modern times, ranging from misogyny to queerness, racial inequality to the claimed universality of whiteness. This Companion therefore offers an essential resource for all who try to decode the musico-literary exchange.
