"I Do" or Do I? - J. Robin Maxson 2014-04-01

"I want to get married." If you're a Christian single, chances are good that thought has crossed your mind. You think about getting married and wonder if someday God will lead you to the soul mate He's chosen specially for you. But decisions about whether to marry and whom to marry have never been more complicated. Opinions about singleness, dating, sex, and marriage have undergone tremendous changes as our culture continues to move away from biblical values and practices. Given the current complexity, it's vital that you find sure-footed answers to two key questions: What does the Bible say about marriage? How do I discover God's will for me when it comes to finding a mate? "I Do" or Do I? is the ideal guide to help you answer these questions. It will equip you to think about marriage within the whole scope of your relationship with God and will enable you to discover your unique place in His world—whether single or married.

The Advocate - 2001-08-14

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

Girl Meets God - Lauren F. Winner 2002-01-01

A young woman invites readers into her personal spiritual journey from Orthodox Judaism to Christianity in a powerful book about religion and identity.

Real World Parents - Mark Matlock 2010-03-09

"Christian families today often find themselves stuck between two stories—their own family's story and God's story. It's like they're living two lives: their Christian life and their "real world" life. The trick is figuring out how to get your family's story to line up with God's story in the world around us, helping you raise children who have the character, values, and mission that allows them to go out into the real world and live out a real faith. Real World Parents is a parenting book that helps you to be proactive, rather than reactive, when it comes to raising Christian kids in a world that is filled with contradictions to a life of faith. Rather than trying to raise kids who are "good Christians," you'll find the tools to help you live out a faith that allows your children to see what it means to live as a Christian. As a result, your kids will learn about real faith by living it out with you. Culture expert and veteran youth pastor, Mark Matlock, will help you explore issues such as:

- Helping your child make decisions
- The importance of failure
- Knowing God's story for your family
- Changing the story your family is in
- The pursuit of wisdom, and much more

God has placed us here to interact with and represent him to the world by engaging with the culture—not retreating from it. Rather than trying to isolate your children from the world or draw lines that keep them from truly engaging in the world God calls us to help and heal, you can learn how to lead your family towards an integrated life where your story and God's story come together to make a difference in the world around you."

Ebony - 2005-11

EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any

African American-focused magazine.

Getting Serious about Getting Married - Debbie Maken 2006

The biblical benefits of marriage and God's command to marry have been severely downplayed in churches today. Maken addresses this issue and prompts men and women to remember the Creator designed humans to feel incomplete without a spouse. (Relationships)

Brio & Beyond - 2006

From Single to Serious - Dana M. Malone 2018-01-31

College students hook up and have sex. That is what many students expect to happen during their time at university—it is part of growing up and navigating the relationship scene on most American campuses today. But what do you do when you're a student at an evangelical university? Students at these schools must negotiate a barrage of religiously imbued undercurrents that impact how they think about relationships, in addition to how they experience and evaluate them. As they work to form successful unions, students at evangelical colleges balance sacred ideologies of purity, holiness, and godliness, while also dealing with more mainstream notions of popularity, the online world, and the appeal of sexual intimacy. In *From Single to Serious*, Dana M. Malone shines a light on friendship, dating, and, sexuality, in both the ideals and the practical experiences of heterosexual students at U. S. evangelical colleges. She examines the struggles they have in balancing their gendered and religious presentations of self, the expectations of their campus community, and their desire to find meaningful romantic relationships.

Mixed-Up Love - Jon M. Sweeney 2013-10-15

Dating, commitment, kids, and family--it's all hard work, and when you come from different religious backgrounds it's even harder. Jon, a Catholic writer, and Michal, a Reconstructionist rabbi, live out the challenges of an interfaith relationship everyday as husband and wife, and as parents to their daughter Sima, who is being raised Jewish. In *MIXED-UP LOVE*, the couple explores how interfaith relationships impact dating, weddings, holidays, raising children, and family functions--and how to not just cope, but thrive. This is an engaging and practical resource for singles who are considering dating outside their own faith, couples in interfaith relationships, relatives and friends of "mixed" couples who seek information and understanding, and parents desiring a fresh perspective. With clarity, insight, and humor, Sweeney and Woll demonstrate how to engage with your partner, family, and faith like never before.

Sex and the Soul, Updated Edition - Donna Freitas 2015

First published in 2008, Donna Freitas's *Sex and the Soul* revealed what college students -- at institutions large and small, public and private, secular, Catholic, and evangelical -- really think about sex, dating, religion, and spirituality. Based on face-to-face interviews with students across the country, *Sex and the Soul* achieved national acclaim, illuminating the as-yet-unexplored struggles of college students navigating the lines of faith and sexuality. Now, in this updated edition, Freitas reflects on the hundreds of conversations she has had with

students since the book was first published in an all-new afterword, and offers practical advice for young people struggling with issues of sex and spirituality and for the adults giving them guidance.

Singleness, Marriage, and the Will of God - J. Robin Maxson 2012

Not everyone will marry or should, but virtually all single adults think about marriage. And all make decisions that either maintain their singleness or attempt to change it. This book, by the authors of the groundbreaking *Decision Making and the Will of God*, offers an in-depth tutorial to help singles apply biblical principles to the critical choices they confront: Do I want to get married? Are there good reasons to remain single? What sort of person should I consider as a potential spouse? How do I look for a mate? What should I do if no spouse shows up? What is God's role in the decision-making process? This comprehensive volume will equip readers to make wise choices about marriage according to the will of God. It's also an invaluable resource for parents, counselors, and pastors.

5 Paths to the Love of Your Life - Lauren F. Winner 2005

Respected relationship experts and bestselling authors offer sound dating and marriage advice, grounded in biblical truth and their own personal experiences.

How Should I live as a Single? - Joel R. Beeke 2023-01-30

How Should I Live As a Single? explains biblical truths about singleness and offers pastoral, practical advice on how to live a God-glorifying life. Joel Beeke and Paul M. Smalley show singles in the church how they can see their singleness as both God's will and a means to glorify Him. This book will be a resource that reaches this growing group in the church.

The Writers Directory - 2013

Dare to Date - Aukelien van Abbema 2017-01-19

'It's Complicated' Matters of the heart always seem to be. But dating in the church? It can be even worse. Relationships can be difficult to define, intentions hard to discern. But with singles making up a third of the total church congregation in the UK, there is a real need to demystify the dating process and return to dating in its simplest form. Rediscover how to date. In this brand new handbook, couples psychologist and dating

course leader Aukelien van Abbema offers guidance on how to understand yourself and your own dating patterns, how to rely on your network of friends, and how to bring God into the whole process. Filled with wisdom, stories and practical advice, this book is a freeing reassessment of the dating scene. Begin a whole new romantic adventure filled with hope, joy and a lot of laughter. Go on, dare to date.

American Book Publishing Record - 2005

The Sense of an Ending - Julian Barnes 2011-08-04

'A masterpiece... I would urge you to read - and re-read ' Daily Telegraph
 Winner of the Man Booker Prize for Fiction 2011 Tony Webster and his clique first met Adrian Finn at school. Sex-hungry and book-hungry, they would navigate the girl-less sixth form together, trading in affectations, in-jokes, rumour and wit. Maybe Adrian was a little more serious than the others, certainly more intelligent, but they all swore to stay friends for life. Now Tony is retired. He's had a career and a single marriage, a calm divorce. He's certainly never tried to hurt anybody. Memory, though, is imperfect. It can always throw up surprises, as a lawyer's letter is about to prove. Now a major film

Trained in the Fear of God - Randy Stinson

Dr. Randy Stinson and Dr. Timothy Paul Jones have been the primary architects of the theological foundations for what has become known as "family-equipping ministry"—a recognition that the generations need one another and that parents have an inherent responsibility for the discipleship of their children.

Singleness and the Church - Jana Marguerite Bennett 2017

Singleness is a much overlooked treasure in Christian tradition. In these pages, Christians (single and married alike) can rediscover the richness of singleness in its great variety. This book offers thought-provoking cultural and theological analysis, along with voices of single Christian people down through the centuries.

Bulletin of the Atomic Scientists - 1970-12

The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security. Founded by Manhattan Project Scientists, the Bulletin's iconic "Doomsday Clock" stimulates solutions for a safer world.
