Melena, My Melena: My Lesbian Awakening with My Best Friend by Rita Feldspar The little get together had been boring as hell, so when I fell asleep on the deck

lounge I wasn't all that surprised. I was surprised as hell when I woke up, though. The boys had left and my best friend was looking at me strangely. At first, I thought there was boy trouble but I was wrong. She wasn't twisted up about a boy. She was twisted up about a girl! That girl was me! I couldn't believe what was happening but before I knew it I was right in the middle of my first lesbian experience. 2. Sarah's Awakening: A Sorority Hazing Short by Fran Diaz I just knew I was in for it if I didn't answer my question correctly. Well, thank God the pledge mistress asked me something I knew, or so I thought. She wanted every little detail and I was drawing a blank. Hell, she was talking about something that happened over 100 years ago! Of course she didn't like my answer and it was all downhill from there. I had my first lesbian experience in front of a crowd of pledges, or should I say, with a crowd of pledges! 3. Tasting Tara: A First Lesbian Experience Erotic Romance by Nycole Folk I was surprised my best friend Tara wanted to spend her twenty-first birthday with me. After all, she was a celebrity, a genius, and far more in demand than I was. I learned, though, that my best friend had a deep and powerful loneliness, and in all of the years I'd known her, I was the only one who made it go away. I was stunned, but I was even more stunned when she kissed me. 4. Waking Up to Janet (My Roommate's Lesbian Seduction...of Me!) A First Lesbian Sex Erotica Story By Ginny Foxx Who would've expected I would wake up staring at Janet's face? I guess Janet expected it. Who would've expected she would be naked? I guess Janet expected it. Who would have expected she would kiss me and I wouldn't resist? I guess Janet expected it. Who would have expected I would have my first lesbian experience before I'd been in college for even a full day? I guess Janet expected it. 5. When Chloe Caught Me : A First Lesbian Sex Erotica Story by Kitty Lee Okay, so maybe it was silly to think masturbating before Chloe came over was a way to deal with the stress I knew she'd cause me but I needed to do something to relax! Wouldn't you know it? I'd just gotten started when she showed up. Naturally, I was mortified but I never could have prepared for what happened next. Suddenly it was Chloe stimulating me and not my vibrator. That wasn't it, though. She expected me to pleasure her as well!
