Words to Live By - T.R.

Robinson 2023-05-22

The importance of words cannot be overstated. In our earthly realm, a business leader, politician, or coach can speak or write words of encouragement that result in people achieving more and reaching heights previously thought unattainable. The opposite can also occur when charismatic leaders influence their followers to commit atrocities. The critical importance of the word is never more illustrated when you consider that God spoke the word and the universe came into being. Think about the apostles when they realized that Jesus's life represented a fulfillment of prophecy, "...The word became flesh and dwelt among us." Words to Live By is more than an inspirational book. In fact, Words to Live By is a guide to help you seek out,

compile, and live life according to a set of words you can be proud of. A set of words which encourages hope. A set of words which leaves a legacy of a life others can follow, with a can-do mentality. It is my hope that this book will serve as the catalyst for you, the reader, to create a life lived on purpose following God's will. To define your meaning of success and achievement based upon the relationships you nurture with others. To become an overcomer and never give up when faced with the inevitable hurdles, obstacles, and disappointments we all experience in life. Perfect for teaching positive values in your classroom, Sunday School class or book group."

The Last Dance of the

Debutante - Julia Kelly

2022-01-04

The author of the "sweeping, stirring, and heartrending"

(Kristin Harmel, author of *The Room on Rue Am lie*) *The Light Over London* returns with a masterful, glittering novel that whisks you to midcentury Britain as it follows three of the last debutantes to be presented to Queen Elizabeth II. When it's announced that 1958 will be the last year debutantes are to be presented at court, thousands of eager mothers and hopeful daughters flood the palace with letters seeking the year's most coveted invitation: a chance for their daughters to curtsy to the young Queen Elizabeth and officially come out into society. In an effort to appease her traditional mother, aspiring university student Lily Nichols agrees to become a debutante and do the Season, a glittering and grueling string of countless balls and cocktail parties. In doing so, she befriends two very different women: the cool and aloof Leana Hartford whose apparent perfection hides a darker side and the ambitious Katherine Norman who dreams of a career once she helps her

parents find their place among the elite. But the glorious effervescence of the Season evaporates once Lily learns a devastating secret that threatens to destroy her entire family. Faced with a dark past, she's forced to ask herself what really matters: her family legacy or her own happiness. With her signature "intricate, tender, and convincing" (Publishers Weekly) storytelling, Julia Kelly weaves an unforgettable tale of female friendship amid the twilight days of Britain's grand coming out balls.

Queen of Diamonds - Barbara Metzger 2011-07-18

All of London knows the story of the vanished Lady Charlotte Endicott and the handsome reward that will accompany her safe return. Scores of blond-haired, blue-eyed impostors have tried their luck at Jack Endicott's casino claiming to be the girl, only to be turned away-but Queenie Dennis just might be the one. Fate takes a turn when she returns to London posing as a dressmaker fresh from France.

Inside...the Mind of a Man! - Stacey Green 2006-05-01
From a teen running the streets learning about life on his own, to a successful adult

with an established career, Jay learned many of life's lessons the hard way. Fear of failure has always forced him to keep love at bay. Loving many but never falling in love with any.

This is a story of Jayson McAllister. On his 30th birthday Jay meets a young lady, Brianna Williams, who teaches him the true meaning of being in love. Taking what he's learned from the streets and the thought process of his crew, Jay takes you inside the mind of a man! Can being truly in love really be as hard as most men make it? Is being faithful and honest something men are truly capable of? Are all men about games? Come and take this journey with Jay, his crew, and the woman who's about to change his whole outlook on life and love.

Skepticism meets optimism where love meets passion and it all comes full circle for Jay with an explosive ending you won't soon forget. One never truly appreciates love until he feels pain! Come INSIDE the mind of a man!

55Th St. Taxi - Jon E. Blair
2013-05-17

Abby knew that Pettigrad had them all under his control. What started so innocently a few years ago was now a life of secrets and lies. Rick had been pushed into a world he had never known existed, or for that matter, never would have, never would have experienced if not for the events of one night. His new found companions were having a profound effect on his life, taking the past, present and future and making him a new one. Then there was Rosie, that contagious smile and bright eyes, was she the one keeping him in this place? Years of work all on hold because of a simple taxi ride to 55th St. Could all these new players pull through and break

Pettigrad's hold? Time would tell.....it always does!

LOVE'S UNEXPECTED GIFT - Susan Capalbo 2023-10-04

In this heartfelt and captivating novel, "Love's Unexpected Gift," Lily's journey takes an unexpected turn as she navigates the complexities of trust, love, and the true meaning of family. Lily is determined to raise her child alone due to her deep-seated mistrust of men. But when her path crosses with Dr. Mark Chamberlain, a caring and compassionate pediatrician, Lily finds herself drawn to him. As their relationship blossoms, a series of serendipitous events unravel a secret that ties them together. But Mark has his own issues, and his difficult, snobbish family threatens his relationship. Torn between loyalty and love, Mark grapples with his own choices and the possibility of losing everything he holds dear "Love's Unexpected Gift" is a poignant and enchanting tale of self-discovery, resilience, and the profound ways in which love can mend even the most

My Casino Lover - Julia Burgman 2010-03-04
Rachael is a very successful defense attorney whose life was turned completely around. After the murder of her husband and a second failed marriage, Rachael decides, after a little talking with her family and a good friend, to go out and enjoy her life. So she starts to hang out with her sisters who like going over to the casino and playing bingo, which she would pass up. But the casino she liked, she liked it so much she began to go alone. Then one day, she met someone whom she would later

call her casino lover—but not before she finds out that he has a fatal attraction on his hands and doesn't realize it. But she does because it was the same type of woman who had her first husband, the father of her children, murdered because he didn't return the same feelings that she had. Rachael was not going to sit back and watch it happen to the new love of her life without saying something or doing something to stop this woman. If I saw this book entitled My Casino Lover and read the inside flap or the back of the book and it was interesting enough, then yes, I would buy this book. I've been writing for a while but never did anything with this book until lately. I've just been putting it on the back burner along with the other one that I'm writing. My goal or vision for this book/movie is to see it become a number one best seller in the book market and a number one box-office-hit movie. Because Rachael finally finds the love of her life a third time around after almost giving up somewhat on men, she then

Mills Lafayette is handsome, articulate and wealthy. A partner in a major Tallahassee law firm, he has a lovely wife and all the possessions that money can provide. His life is almost perfect. Patricia Dunst is beautiful, smart and upwardly mobile. Mills is her ticket for the better things in life. She can do anything to make it happen. She knocks on his office door. Mild flirting becomes a lunch date, which leads to hand-holding. Sex happens. Amy, Mills' clever and hard-working wife, sees subtle changes in his ways. The way he holds her, the rhythm of his manner. He starts to tell her something important, but then he stops. Something is definitely wrong and Amy wants to find out what it is. Meanwhile, Mills is enjoying the best sex of his life. He loves Patricia. He wants to marry her. But how? Amy won't just

go away. She'll fight. With all they've obtained, there's too much at stake. What if Amy just didn't come home one day? It starts out as a joke, really. But Patricia's game. She brings it up again and again. It starts to make sense. All that money plus the life insurance. But how do they do it? *ASTRAY* examines the dirty business of greed, lust, and sex in the workplace. It is a story about forsaken love and the redemption of the human spirit.

Live in the Present and Learn Valuable Life Lessons to Improve Any Relationship

- Josh R. Himmelman 2012-10

The development of this couple's relationship, with all of its problems, is reflected quite candidly in their experiences of living in an abusive relationship. This book speaks of the co-existence of a man and a woman who are trying to love each other and be committed for life but fail miserably. The book is divided

into sections, each recounting a different stage of their eleven-year relationship. Each section is followed by life lessons, so the reader can learn from what this couple experienced. Each lesson looks at the root cause of an issue. A few examples are: being victimized, broken trust, drug abuse, true friendship, etc. These issues can exist in all intimate relationships today, so that all readers can benefit in learning from the relationship experiences.

The Guyde - Howie Reith
2016-11-19

The Guyde is the most
comprehensive men's dating
and self-improvement book

ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn

clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this

version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
