*Hating Valentine's Day* Allison Rushby 2006-02-01 Roses are red Violets are blue I hate Valentine's Day... Just like you. One of the top wedding photographers in town, Liv Hetherington, steadfastly single, hates Valentine's Day. This year she's putting her foot down and has vowed there'll be no dinner party set-ups, speed-dating frenzies or any other form of accidental dating organized by her father, flatmate or best friend. Liv's ecstatic, to say the least. Now she can concentrate on more important things like setting up her own studio and polishing off her Dickens collection. But are relationships really not for her? Drew, the new man in Liv's life, would beg to differ. As would Cupid, who's had enough of Liv being stubbornly single... Valentine's Day...bah, humbug. Or is that about to change?

This book explores everything from pickup lines to breakups, and all the moments that come in between. It’s the perfect gift for anyone who has ever suffered through online dating. Praise for the Tinder Nightmares Instagram account “Taking submissions from womankind worldwide, the account posts the funniest and most tragic lines, which serve to make us simultaneously jubilant with comfort that others out there are enduring the same terror, and weepy at our complete loss of faith in humanity.” —Cosmopolitan “So, for anyone who has ever had a nightmarish experience on Tinder, Tinder Nightmares is here to remind you that you’re not alone. Because when life gives you innocuously bizarre Tinder messages, make jokes.” —HuffPost *Happy Valentine's Day Gr. 3*

paradigm-shifting dating guide, love and dating expert, Crista Beck shows us how to stop Hollywood and Disney from ruining our love lives so we can find love in real life. For decades, we've been told that love just magically happens when we least expect it. "How's love going to happen for you if you're just sitting on the couch watching Netflix?", Crista Beck says. "Let's be honest, love is not happening for you because you believe the societal fantasies about dating and relationships." Beck doesn't sugar coat the reasons why we are still single. She tells it like it is - a strong dose of raw and honest truth that is sorely lacking today. Break The Glass Slipper is her antidote to the myths about the process of dating that have infected modern society and the minds of single women, sabotaging our ability to attract a healthy and happy long-term relationship. Beck makes the argument, backed by her 10+ years working with single women seeking men, that improving our love lives hinges on our ability to let go of these outdated mindsets that are preventing us from receiving our future partner into our life. Once we distinguish the fairy tales we have been telling ourselves about love, we can then choose a new path (based on reality), and find a real connection with a quality man that can evolve into a long-term relationship. This much-needed dating advice, Break The Glass Slipper is a refreshing and powerful nudge for a generation to break our own glass slippers and lead healthy and powerful love lives.

love but to insecurity and desperation. In *Deeper Dating*, Ken Page presents a new path to love. Out of his decades of work as a psychotherapist and his own personal struggle to find love, Page teaches that the greatest magnet for real love lies in our "Core Gifts"—the places of our deepest sensitivity, longing, and passion. *Deeper Dating* guides us to discover our own Core Gifts and empowers us to express them with courage, generosity, and discrimination in our dating life. When we do this, something miraculous happens: we begin to attract people who love us for who we are, we become more self-assured and emotionally available, and we lose our taste for relationships that chip away at our self-esteem. Without losing a pound, changing our hairstyle, or buying a single new accessory, we find healthy love moving closer . . . *Deeper Dating* integrates the best of human intimacy theory with timeless spiritual truths and translates them into a practical, step-by-step process.
