Protecting the Dignity of Women and Men at Work - Commission of the European Communities 1992

How to Combat Sexual Harassment at Work - Ineke M. De Vries 1995-10
A practical, pragmatic

handbook. It brings together extracts from policy statements, equal opportunity programmes, laws & court cases -- real examples of the efforts people are currently making to eliminate the problem. It is intended to help employers, unions, employees' representatives & women's organizations plan their strategy to increase awareness about unacceptable behavior, how to prevent it from happening, & how to deal with problems constructively if & when they arise. Drawings.

Combating Sexual Harassment in the Workplace - Rohan Collier 1995

Provides insights for employers and workers on defining, preventing, and dealing with sexual harassment, with practical advice for managers, personnel officers, and trade unionists on developing and implementing sexual harassment policies, focusing on current legislation in the UK. Appendices offers examples of policies, European Union codes of practice for managers and employees, training exercises, and UK organizations. Distributed by Taylor and Francis. Annotation copyright by Book News, Inc., Portland, OR

The 9 to 5 Guide to Combating Sexual Harassment - Ellen Bravo 1992-06-05

Addresses the latest thinking about what constitutes sexual harassment. Outlines the laws, their history and how to use them. Describes the effects of this issue and offers recommendations for the future. Enables those being harassed to take action against

the abuse; obtain support from others; help institute a strong workplace policy and file a formal complaint. Also helps managers and union leaders prevent harassment and deal with it effectively should it occur. A significant amount of actual harassment experiences appear throughout and assist in shaping the advice presented.

Measures to Combat Sexual Harassment at the Workplace -

European Parliament. Directorate General for Research 1994

Combatting Sexual Harassment at the Workplace - Tom Dannenbaum 2005

Combating Sexual Harassment at Work - International Labour Office 1992

Sexual harassment is overwhelmingly a problem of women workers. It has nothing to do with normal interaction between the sexes: it denotes scorn of another person, and is used to establish or prove power over others. Sexual

harassment produces feelings of revulsion, violation, disgust, anger and powerlessness. Good managers know that it is in the long-term interest of the enterprise to ensure that their employees are treated with respect. While effective legal remedies are necessary, it is also important to ensure that the problem ceases, or better still, never starts. Thus, preventive measures are especially important. This issue of the Conditions of Work Digest is essential reading for employers, personnel managers, trade unionists and all those in governmental and non-governmental circles who are committed to justice and dignity at work.

How to Combat Sexual Harassment at Work -

Michael Rubenstein 1993
Recog: 1. Introduction - 2. Definition - 3. The law and employers' responsibilities - 4. Collective bargaining - 5. Recommendations to employers - 6. Recommendations to trade unions 7. Employees' responsibilities.

Sexual Harassment on Campus, at Work and in STEM Research -

Jennifer Powell 2021-05-05

Sexual harassment is degrading and illegal. Studies show it has a negative effect on the ability of women to engage in research at the same level as men. Sexual assault on college campuses is a critical concern for students, policy makers, college administrators, and parents of current and prospective students. Chapter 1 identifies the range and scope of policies and practices related to the investigation and adjudication of sexual assaults on college campuses in the U.S. While many workers in the United States experience workplace sexual harassment--resulting in substantial costs to them and their employers--the extent of sexual harassment and the magnitude of its effects are not fully understood as discussed in Chapter 2. Chapter 3 reviews federal science agency policies and procedures for addressing sexual harassment involving federally-funded STEM researchers and

their trainees. The book will also explore lessons learned, enduring challenges, and future opportunities for preventing and mitigating the negative impact of sexual harassment in STEM studies and careers. Chapter 4 is the full transcript of the "Combating Sexual Harassment in Science Act of 2019." Title IX prohibits discrimination on the basis of sex in education programs or activities that receive federal financial assistance. Chapter 5 examines some of the major changes established by the Title IX regulations, highlighting many of the most significant new requirements and noting where those obligations depart from prior ED guidance and the NPRM. *Conditions of Work Digest* - International Labour Office 1992

The Present Approach to Combating Sexual Harassment in the Workplace - N. Sivabala 2001

Measures to Combat Sexual Harassment at the Workplace : - 1994

Measures to combat sexual harassment at the workplace : action taken in the member states of the European Community - Andrea Subhan 1994

Sexual Harassment in the Workplace - Arjun Prakash Aggarwal 1987

Focuses on legal norms relating to nature and scope of sexual harassment, rights of the victims, liabilities of the harasser and the employer, and ways to combat sexual harassment.

Handbook on Combating Sexual Harassment in the Judiciary - Gustavsson, Malin 2022-03-11

Available online:

<https://pub.norden.org/nord2022-015/> This handbook presents practical approaches for intervening in sexual harassment in the judiciary. The handbook emphasizes qualitative change work and personnel policy. It introduces

the reader to sexual harassment in the Nordic judiciary, presents practical approaches for work around sexual harassment and offers concrete tips for preventing sexual harassment at both an individual and structural level. The handbook is aimed at all employees in the judiciary but can also be used as inspiration within other industries and authorities.

Measures to Combat Sexual Harassment at the Workplace -

Andrea Subman 1994

Measures to Combat Sexual Harassment at the Workplace - 1994

Sexual Harassment - Ariane Reinhart 1999

This publication is intended to give managers access to information about what is currently being done by a number of companies in their efforts to address sexual harassment through their policies and programmes.
